Final Order No. DEO-19-003

In re: AMENDMENT TO THE ISLAMORADA, VILLAGE

OF ISLANDS, FLORIDA, LAND DEVELOPMENT

REGULATIONS ADOPTED BY ORDINANCE NO. 19-01

FINAL ORDER

APPROVING ISLAMORADA, VILLAGE OF ISLANDS

ORDINANCE NO. 19-01

The Florida Department of Economic Opportunity (“Department”) hereby issues its Final Order, pursuant to section 380.05(6), Florida Statutes, approving land development regulations adopted by Islamorada, Village of Islands, Florida (“Village”) by Ordinance No. 19-01 (“Ordinance”).

FINDINGS OF FACT

1. The Florida Keys Area is designated by section 380.0552, Florida Statutes, as an area of critical state concern. The Village is a local government within the Florida Keys Area.
2. The Ordinance was adopted by the Village on January 10, 2019, and rendered to the Department on January 14, 2019.
3. The Ordinance amends Chapter 30, Article II, Section 30-32 of the Village Code to create anew and amend existing definitions related to the height measurement of buildings. The Ordinance removes the existing definition for Height and creates definitions for Base Flood Elevation (BFE), Building height, Center line of road, Crown of road, Datum, Design flood, Design Flood Elevation (DFE), and Special flood hazard area. The Ordinance also removes the existing definition for Grade and replaces it with definitions of the following, Grade, average, Grade, existing, Grade, finished, and Grade, natural.

CONCLUSIONS OF LAW

4. The Department is required to approve or reject land development regulations that are adopted by any local government in an area of critical state concern. § 380.05(6), Fla. Stat.
5. “Land development regulations” include local zoning, subdivision, building, and other regulations controlling the development of land. § 380.031(8), Fla. Stat. The regulations amended by the Ordinance are land development regulations.
6. The Ordinance is consistent with the Village’s Comprehensive Plan generally, as required by section 163.3177(1), Florida Statutes, and specifically, Policy 1-2.1.7, Establish Height Limitation.
7. All land development regulations enacted, amended, or rescinded within an area of critical state concern must be consistent and in compliance with the principles for guiding development for that area. See § 380.05(6), Fla. Stat. The Principles for Guiding Development for the Village are set forth in section 380.0552(7), Florida Statutes.
8. The Ordinance is consistent with the Principles for Guiding Development for the Village as a whole, and specifically furthers the following principles:
 - (a) Strengthening local government capabilities for managing land use and development so that local government is able to

achieve these objectives without continuing the area of critical state concern designation.

WHEREFORE, IT IS ORDERED that the Department finds that Ordinance No. 19-01 is consistent with the Village’s Comprehensive Plan and Principles for Guiding Development for the Village and is hereby APPROVED.

This Final Order becomes effective 21 days after publication in the Florida Administrative Register unless a petition is timely filed as described in the Notice of Administrative Rights below. DONE AND ORDERED in Tallahassee, Florida.
