RULE NO.: RULE TITLE:
6M-4.500 Child Attendance and Provider Reimbursements

NOTICE OF CHANGE
Notice is hereby given that the following changes have been made to the proposed rule in accordance with subparagraph 120.54(3)(d)1., F.S., published in Vol. 45 No. 10, January 15, 2019 issue of the Florida Administrative Register.

6M-4.500 Child Attendance and Provider Reimbursements
(1) General Provisions
(a) Through (k) No changes.

(2) Monthly certification of child attendance for payment reimbursement
(a) A provider must complete and certify a monthly roster, using the statewide information system, that lists each child enrolled in the provider’s school readiness program, and includes spaces for a private provider or public school to report a child’s attendance for the calendar month. In the event the statewide information system is non-operational, the early learning coalition shall provide the school readiness provider with a monthly roster.

(b) through (c) No change.

(3) No change.

(4) Absences.
(a) through (d) No change.

(e) When an at-risk child has an unexcused absence or seven consecutive days of excused absences, the school readiness provider shall notify the Department of Children and
Families or community-based lead agency and the early learning coalition prior to the close of business on the day of the absence. The coalition shall document any contact made with the provider, referring agency and parent in the case file. This paragraph shall apply to all at-risk children under the age of school entry.

(5) Reimbursement for Contracted Slots. If a coalition participates in the Contracted Slots Program and the coalition determines a provider is eligible for the program in accordance with 6M-4.610, FAC, then the coalition may reimburse the provider up to 10% above the 75th percentile of the market rate determined in accordance with 1002.895, F.S. If the market rate data is not available or is based on a sample size of less than four for a specific provider type and/or care level by county, then the rate shall be based on the statewide market rate for the applicable provider type and/or care level. The portion of the contracted slots reimbursement up to the provider’s private pay rate shall be funded by school readiness direct service billing groups. The remaining portion of the contracted slots reimbursement exceeding the provider’s private pay rate shall be funded as a quality expenditure, however, the contracted slots reimbursement rate is not considered a quality improvement program and is not included in the calculation of the 20% limit for combined quality improvement program differentials. Gold seal rates shall be excluded from the contracted slots reimbursement rates.

(6) Reimbursement for Registration Fees. If a provider has indicated that it charges a registration fee in Exhibit 5 of the State of Florida Statewide School Readiness Provider Contract, Form OEL- SR 20, as incorporated by reference in Rule 6M-4.610, F.A.C. the coalition shall pay the provider a registration fee for each child enrolled in the School Readiness program. The coalition shall pay the registration fee two (2) times within a five (5) year period during a child’s continuous eligibility for the program. Five continuous years begins with the effective date of this rule.

(a) The coalition shall pay a provider registration fee of up to seventy-five dollars per eligible child at the time the registration fee is due to the provider. The payment for the registration fee shall not exceed the provider’s published private registration fee. The coalition shall reimburse the registration fee with the reimbursement for the child’s first month of attendance with the provider. For children currently enrolled in the program, the coalition shall reimburse the provider the registration fee the next time the fee is due to the provider after the effective date of this rule. The payment for the registration fee shall not exceed the provider’s published private registration fee. If a child is attending different providers concurrently, the coalition shall pay the registration fee to the provider that the child attends the majority of the time.

If a child concurrently attends all providers an equal amount of time, the registration is paid to the provider where the child has been enrolled the longest.

(b) The coalition shall apply the following exceptions to the requirement limiting the registration fee reimbursement to two (2) times during a child’s eligibility for the program.

1. If the child’s provider closes or has its contract terminated, the coalition shall pay the registration fee to the new provider. This payment is considered a one-time exception and does not apply to the two-time limit.

2. If a child is enrolled in the school readiness program continuously for five years, the coalition shall pay the registration fee during the sixth year of eligibility at redetermination. Five continuous years begins with the effective date of this rule.

(b) If there is a break in the child’s eligibility of at least twelve consecutive months, the two-time limit starts over.

(f) If there is a break in the child’s eligibility of at least twelve consecutive months, the two-time limit starts over.

7) Reimbursement for Children with Special Needs.
