Proposed Rules**

**DEPARTMENT OF BUSINESS AND PROFESSIONAL

Board of Cosmetology

RULE NO.: RULE TITLE:

61G5-24.019 Hair Braiding and Hair Wrapping Fees

PURPOSE AND EFFECT: This rule amendment proposes to repeal regulations of Hair Braiders, Hair Wrappers, and Body Wrappers.

SUMMARY: The rule amendment repeals the regulation of Hair Braiders, Hair Wrappers, and Body Wrappers.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: During discussion of the economic impact of this rule at its Board meeting, the Board concluded that this rule change will not have any impact on licensees and their businesses or the businesses that employ them. The rule will not increase any fees, business costs, personnel costs, will not decrease profit opportunities, and will not require any specialized knowledge to comply. This change will not increase any direct or indirect regulatory costs. Hence, the Board determined that a Statement of Estimated Regulatory Costs (SERC) was not necessary and that the rule will not require ratification by the Legislature. No person or interested party submitted additional information regarding the economic impact at that time.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

The Central Florida Expressway Authority (CFX) invites you to a Virtual Pre-Construction Community Meeting for the SR 417 Corridor Widening Projects: Segment 5 Narcoossee Road to SR 528.

The virtual meeting is scheduled for Wednesday, October 7, 2020, 6:30 p.m. – 7:30 p.m. To participate, please pre-register by 6:00 p.m. Wednesday, October 7 by visiting <http://bit.ly/SR417VPMOCT2020>. This 4.7-mile project will include widening SR 417 by adding one travel lane in each direction (expanding the expressway from four to six lanes). The project will also relocate the ramp plaza on the southbound SR 417 ramp to Narcoossee Road. Wider median shoulders will be added that can temporarily accommodate additional traffic during emergency response events, such as traffic accidents or hurricane evacuations. The virtual meeting will allow the public to view project information, including maps and graphics, and leave questions and comments.

CFX conducted a noise analysis and identified four locations where a sound wall would be a viable measure to reduce traffic noise. CFX is now trying to determine the level of support from nearby property owners for the construction of these sound walls. The proposed sound wall concepts will be shown in the virtual meeting. Public comments will be accepted until Friday, October 16, 2020 for the public record.
