NOTICE OF CHANGE

Notice is hereby given that the following changes have been made to the proposed rule in accordance with subparagraph 120.54(3)(d)1., F.S., published in Vol. 46 No. 145, July 27, 2020 issue of the Florida Administrative Register.

The change is in response to written comments submitted by the staff of the Joint Administrative Procedures Committee. The Board voted at the public board meeting held October 14, 2020, to amend the rule. The rule shall now read as follows:

64B16-30.001 Disciplinary Guidelines; Range of Penalties; Aggravating and Mitigating Circumstances.

(1) The board sets forth below a range of disciplinary guidelines from which disciplinary penalties will be imposed.
upon licensees guilty of violating chapters 456, 465, 499, or 893 or section 828.055, F.S. The purpose of the disciplinary guidelines is to give notice to licensees of the range of penalties which will normally be imposed upon violations of particular provisions of chapters 456, 465, 499, or section 828.055, F.S. The term license means any permit, registration, certificate, out-of-state telehealth provider registration, or license, including a provisional license, issued by the Department. Penalty ranges are shown as minimum and maximum guidelines as well as for first time single count violations and for multiple or repeated violations of the same statutory provision or the rules promulgated thereunder. The range of disciplinary action for registered out-of-state telehealth providers shall be, in ascending order of severity, reprimand, suspension, and revocation. For telehealth registrants, a suspension may be accompanied by a corrective action plan that includes rehabilitative provisions narrowly tailored to address the conduct which resulted in the underlying disciplinary violations. The Board may require a corrective action plan to be completed prior to reinstatement of the suspended registration or the corrective action plan may follow a suspension for a definite term. All penalties at the upper range of the sanctions set forth in the guidelines, e.g., suspension, revocation, etc., include lesser penalties, e.g., fine, continuing education, probation, or reprimand, which may be included in the final penalty at the board’s discretion. Probation may be subject to conditions, including restriction from practice in certain settings, restricting the licensee to working only under designated conditions or in certain settings, requiring continuing or remedial education, or any other restriction found to be necessary for the protection of the public health, safety, and welfare. The range of disciplinary action for registered out-of-state telehealth providers shall be, in ascending order of severity, reprimand, suspension, and revocation. For telehealth registrants, a suspension may be accompanied by a corrective action plan that includes rehabilitative provisions narrowly tailored to address the conduct which resulted in the underlying disciplinary violations. The Board may require a corrective action plan to be completed prior to reinstatement of the suspended registration or the corrective action plan may follow a suspension for a definite term. In addition to any other discipline imposed under these guidelines, the board shall assess costs relating to the investigation and prosecution of the case.

(2) The following disciplinary guidelines shall be followed by the board in imposing disciplinary penalties upon licensees and permittees for violation of the below mentioned statutes and rules. For the purposes of this rule, the descriptions of the violations are abbreviated, and the full statute or rule cited should be consulted to determine the prohibited conduct.

DATE AND TIMES: December 8, 2020, open house, 5:00 p.m. – 6:00 p.m.; Formal Hearing 6:00 p.m. – 7:00 p.m.

GENERAL SUBJECT MATTER TO BE CONSIDERED: The Florida Department of Transportation will conduct a hybrid public hearing to obtain public input concerning improvements coming to US 41. This project is being constructed in two phases from Beneva Road to Caribbean Drive and from Caribbean Drive to Stickney Point Road (SR 72). The primary purpose of this project is to create a complete street that serves all users: cars, trucks, transit, pedestrians and bicyclist. To improve motorist safety, median openings have been reviewed, and, in some cases these openings will be closed or restricted. The proposed design includes reconstruction of paved shoulders from 4 feet to 6 feet to provide 6-foot-wide buffered bike lanes and widening the right turn-lanes to accommodate the new bike lanes. The design also includes adding 6-foot-wide concrete sidewalks along both sides of US 41. Pedestrian sidewalk ramps will be modified throughout the project to meet Americans with Disabilities Act (ADA) guidelines. Driveways will be modified as needed to accommodate ADA guidelines, the new bike lanes, and to bring them up to current design standards. Bus shelter pads will also be constructed. Project concept plans are available at the Gulf Gate Public Library, 7112 Curtiss Ave, Sarasota, FL 34231. Library hours are Monday through Thursday 10:00 a.m. – 6:00 p.m., Friday and Saturday from 10:00 a.m. – 5:00 p.m. and closed Sunday. Comments and questions will be taken during the meeting, by email, through the website, and by mail through December 21, 2020. All meeting materials (including a recording of the webinar) and correspondence will be posted to the project websites after this deadline. Registration for the public is available on the project websites at http://swflroads.com/us41/benevatocaribbean/ & http://swflroads.com/us41/caribbeantostickneypoint/.
