Failure to timely submit the required environmental permits and authorizations or letters stating such permits or authorizations are not required shall result in the application not being considered for funding.

It is anticipated that the proposed rule will not have any negative economic impact.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

DEPARTMENT OF CHILDREN AND FAMILIES
Agency for Persons with Disabilities
RULE NO.: RULE TITLE:
65G-5.004 Selection of Housing.
The Agency for Persons with Disabilities hereby gives notice: That on October 30, 2020, the Agency for Persons with Disabilities ("Agency") received a petition for a waiver from paragraph 65G-5.004(2)(d), F.A.C., from T.S. ("Petitioner"). The rule states in part: “Neither the supported living provider nor the immediate family of the supported living provider shall serve as landlord or have any interest in the ownership of the housing unit.” Petitioner sought a waiver from paragraph 65G-5.004(2)(b), F.A.C., and indicates that her daughter has been living in the home owned by her provider for more than 21 years, has received intense specialized care while there, and regards the residence as her home. The Agency agrees that strict
application of the rule would cause a significant hardship to her daughter to the extent that it would preclude her daughter from receiving necessary personal support services from the provider she has known all of her life in the familiar environment she considers her home. The waiver shall be effective January 1, 2021, and shall expire on December 31, 2020. As previously established in the initial rule waiver issued on May 29, 2015, the waiver continues to be subject to annual renewal every calendar year starting January 1st pending receipt of a new petition. The order granting the petition was issued on December 10, 2020.
