RULE NO.: RULE TITLE:
64B8-31.010 Disciplinary Guidelines

PURPOSE AND EFFECT: The proposed rule amendment is intended to clarify and update the anesthesiologist assistant disciplinary guidelines.

SUMMARY: The proposed rule amendment will clarify and update disciplinary guidelines.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:
The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of $200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: During discussion of the economic impact of this rule at its Board meeting, the Board concluded that this rule change will not have any impact on licensees and their businesses or the businesses that employ them. The rule will not increase any fees, business costs, personnel costs, will not decrease profit opportunities, and will not require any specialized knowledge

THE FULL TEXT OF THE PROPOSED RULE IS:

64B15-14.0077 Approval of Osteopathic Physician Office Accrediting Organizations.

1. No change.
2. Application. An application for approval as an accrediting organization shall be filed with the Board office at 4052 Bald Cypress Way, Bin #C06, Tallahassee, Florida 32399-3256, and shall include the following information and documents:
   (a) through (c) No change.
   (d) Description of accreditation process, including composition and qualification of accreditation surveyors; accreditation activities; criteria for determination of compliance; and deficiency follow-up activities. Accreditation surveyors shall meet the following qualifications:
   1. The surveyor must be an ABMS or AOA board-certified physician with two (2) years’ experience performing office surgery; or
   2. A certified professional in Health Care Risk Management with two (2) years’ experience serving as a risk manager in a surgical facility; or
   3. An ABMS or AOA board-certified anesthesiologist with two (2) years’ experience administering anesthesia in a surgical facility.
   4. In addition to the above-outlined qualification, accreditation surveyors may not have any discipline imposed on his or her license within the preceding seven (7) years, may not be in direct competition with the subject of the review or have any direct or indirect contractual relationship with the inspected facility or any of its physicians.
   (e) No change.
   (f) Copies of all adverse incident reports filed with the state by any of the applicants accredited offices pursuant to Section 459.026, F.S.:
   (g) No change.
   (3) No change.
   (4) Requirements. In order to be approved by the Board, an accrediting organization must demonstrate compliance with the following requirements:
   (a) The accrediting agency must implement, administer and monitor a mandatory quality assurance program approved by
the Board of Osteopathic Medicine that meets the following minimum standards: have a mandatory quality assurance program approved by the Board of Osteopathic Medicine.

1. General Provisions. Each office surgery facility surgical center shall have an ongoing quality assurance program that objectively and systematically monitors and evaluates the quality and appropriateness of patient care, evaluates methods to improve patient care, identifies and corrects deficiencies within the facility, alerts the Medical Director to identify and resolve recurring problems, and provides for opportunities to improve the facility’s performance and to enhance and improve the quality of care provided to the public.

   a. Such a system shall be based on the mission and plans of the organization, the needs and expectations of the patients and staff, up-to-date sources of information, and the performance of the processes and their outcomes.

   b. Each system for quality assurance, which shall include utilization review, must be defined in writing, approved by the accrediting agencies governing body, enforced, and shall include:

      (I) A written delineation of responsibilities for key staff,

      (II) A policy for all members of the organized medical staff, whereby staff members do not initially review their own cases for quality assessment and improvement program purposes,

      (III) A confidentiality policy that complies with all applicable federal and state confidentiality laws,

      (IV) Written, measurable criteria and norms,

      (V) A description of the methods used for identifying problems,

      (VI) A description of the methods used for assessing problems, determining priorities for investigation, and resolving problems,

      (VII) A description of the methods for monitoring activities to assure that the desired results are achieved and sustained; and,

      (VIII) Documentation of the activities and results of the program.

   c. Each quality assurance program shall include a peer review organization or a licensed medical doctor or osteopathic physician other than the operating surgeon.

   d. Each quality assurance program shall include a system where all adverse incidents as defined in Section 459.026, F.S., are reviewed. In addition to those incidents set forth in Section 459.026, F.S., the following incidents shall also be reviewed:

      (I) Unplanned hospital admissions that occurred within seven (7) days from the date the patient left the facility.

      (II) Unscheduled return to the operating room for complication of a previous procedure.

      (III) Untoward result of procedure such as infection, bleeding, wound dehiscence or inadvertent injury to other body structure.

      (IV) Cardiac or respiratory problems during stay at facility or within 48 hours of discharge.

      (V) Allergic reaction of medication.

      (VI) Incorrect needle or sponge count.

      (VII) Patient or family complaint.

      (VIII) Equipment malfunction leading to injury or potential injury to patient.

   e. Each quality assurance program shall include an adverse incident chart review program which shall include the following information, in addition to the operative procedure performed:

      (I) Identification of the problem,

      (II) Immediate treatment or disposition of the case,

      (III) Outcome,

      (IV) Analysis of reason for problem; and,

      (V) Assessment of efficacy of treatment.

2. Each office surgery facility shall have in place a systematic process to collect data on process outcomes, priority issues chosen for improvement, and the satisfaction of the patient. Processes measured shall include:

   a. Appropriate surgical procedures.

   b. Preparation of patient for the procedure.

   c. Performance of the procedure and monitoring of the patient.

   d. Provision of post-operative care.

   e. Use of medications including administration and monitoring of effects.

   f. Risk management activities.

   g. Quality assurance activities including at least clinical laboratory services and radiology services.

   h. Results of autopsies if needed.

3. Each center shall have a process to assess data collected to determine:

   a. The level and performance of existing activities and procedures.

   b. Priorities for improvement; and,

   c. Actions to improve performance.

4. Each center shall have a process to incorporate quality
assurance and improvement activities in existing office surgery facility processes and procedures.

(b) The accrediting agency must implement, administer, and monitor baseline anesthesia-related accreditation standards and quality assurance processes that meet the following minimum standards and are reviewed and approved by the Board of Osteopathic Medicine:

1. Each accredited facility must have an anesthesia provider who participates in an ongoing continuous quality improvement and risk management activities related to the administration of anesthesia in that facility.

2. Each facility must have a written quality improvement plan that specifies the individuals who are responsible for performing each element of the plan.

3. The written plan should be in place to continually assess, document and improve the outcome of the anesthesia care provided.

4. The plan must include a review of quality indicators, to include measures of patient satisfaction.

5. The plan must include an annual review and check of anesthesia equipment to ensure compliance with current safety standards and the standards for the release of waste anesthetic gases.

6. The quality assurance plan should include routine review of anesthesia and surgical morbidity and adverse, sentinel or outcome events which include but are not limited to the following:
   a. Follow-up on post-op day 1 and day 14,
   b. Cancellation rates and reasons,
   c. Central nervous system or peripheral nervous system new deficit.
   d. Need for reversal agents: narcotic, benzodiazepine,
   e. Reintubation,
   f. Unplanned transfusion,
   g. Aspiration pneumonitis,
   h. Pulmonary embolus,
   i. Local anesthetic toxicity,
   j. Anaphylaxis,
   k. Possible Malignant Hyperthermia,
   l. Infection,
   m. Return to operating room,
   n. Unplanned Post-procedural Treatment in physician’s office or emergency department within 30 days after discharge,
   o. Unplanned Admission to hospital or acute care facility within 30 days,
   p. Cardiopulmonary Arrest or Death within 30 days,
   q. Continuous Quality Indicators,
   r. Cardiovascular complications in recovery requiring treatment (including arrhythmias; hypotension, hypertension),
   s. Respiratory complications in recovery requiring treatment (including asthma),
   t. Nausea not controlled within 2 hrs. in recovery,
   u. Pain not controlled within 2 hrs. in recovery,
   v. Postoperative vomiting rate,
   w. Prolonged PACU stay in excess of 2 hrs.,
   x. Medication error,
   y. Injuries, e.g. eye, teeth,
   z. Time to return to light activities of daily living (ADL),
   aa. Common postoperative sequelae, eg sore throat, muscle pain, headache,
   bb. Post-dural puncture headache or transient radicular irritation,
   cc. Discharge without escort or against medical advice (AMA),
   dd. Patient satisfaction,
   ee. Equipment maintenance.

7. Each facility quality improvement plan must require annual reviews conducted by, at a minimum, the medical director, a representative of the anesthesia provider currently providing patient care and a representative of the operating room or recovery nursing staff.

8. The accrediting organization must have at least one anesthesiologist in that organization that implements, administers, and monitors the quality assurance processes set forth above.

(e) The accrediting agency must have ongoing anesthesia-related accreditation and quality assurance processes involving the active participation of anesthesiologists.

(d) through (e) renumbered (c) through (d) No change.

(e) If the accrediting agency or organization finds indications at any time during accreditation activities that conditions in the physician office pose a potential threat immediate jeopardy to patients, the accrediting agency or organization will immediately report the situation to the Department.

(g) through (h) renumbered (f) through (g) No change.

5. Accrediting Organizations shall be approved for a period of time not to exceed three (3) years.

6. If the Board discovers that an approved accrediting agency has violated or failed to comply with any provision of this rule, the Board shall issue an order to show cause outlining the alleged violation and requiring a representative from the accrediting agency to appear before the Board at its next regularly scheduled meeting to address the Board’s concerns. After such an appearance, if the Board determines that a violation occurred, the accrediting agency’s status as an office surgery accrediting agency shall be revoked. Failure to appear before the Board upon receipt of an order to show cause shall not preclude the Board from taking action against an accrediting agency.

7) Renewal of Approval of Accrediting Organizations.
   Every accrediting organization approved by the Board pursuant
to this rule is required to submit to the Board a new complete written application to renew such approval every 3 years. Each written submission shall be filed with the Board at least three months prior to the end of its term of approval. Third anniversary of the accrediting organization’s initial approval and each subsequent renewal of approval by the Board. Upon review of the submission by the Board, written notice shall be provided to the accrediting organization indicating the Board’s acceptance of the certification and the next date by which a renewal submission must be filed or of the Board’s decision that any identified changes are not acceptable and on that basis denial of renewal of approval as an accrediting organization.

(8) Upon denial of its application, the accrediting organization must wait a minimum of six (6) months prior to reapplying.

(9)(c)(6) No change.

DEPARTMENT OF FINANCIAL SERVICES

Division of State Fire Marshal

RULE NO.: RULE TITLE:
69A-37.056 Specifications for Certifiable Training

PURPOSE AND EFFECT: The proposed rulemaking will update and clarify the training criteria and certification requirements for Florida firefighters. The rulemaking will also set the minimum standards for course completion, course scores, course schedules, and the numbers of course instructors per class.

SUMMARY: The rule amendments will update training criteria including the numbers of necessary instructors for coursework and the minimum scoring required to complete the coursework. The amendments also require certification of satisfactory completion of firefighter training.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of $200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: The Department’s economic review for this rulemaking. Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

RULEMAKING AUTHORITY: (formerly “Specific Authority”): 633.128 633.408, FS.

LAW IMPLEMENTED: 633.128, 633.408, 633.412, FS.

THE FULL TEXT OF THE PROPOSED RULE IS:

69A-37.056 Specifications for Certifiable Training.

(1) To be recognized for certification as a firefighter by the Bureau, training must shall be obtained under the conditions specified herein. A designated instructor or member of the Bureau staff must certify a firefighter has completed the prescribed training, instruction, and standards. Certification by a designated instructor or a member of the Bureau staff of completion of the prescribed training, instruction, and standards is required. Satisfactory completion of the prescribed training, instruction, and standards in accordance with these specifications shall be certified by a designated instructor or member of the Bureau staff.

(2) Part I curriculum set forth in paragraph 69A-37.055(2)(a), F.A.C., taught independent of Part II curriculum set forth in paragraph 69A-37.055(2)(b), F.A.C., may be conducted through fire departments or facilities other than approved training centers, but must be compliant with or
have access to all facilities, equipment, and instructors required for the delivery of the curriculum, in accordance with Rule 69A-37.060, F.A.C. Curriculum set forth in paragraphs 69A-37.055(2)(a) and (b), F.A.C., taught as the Minimum Standards Course must be taught at a facility approved pursuant to Rule 69A-37.060, F.A.C. All courses to be taught using any alternative delivery method other than traditional classroom delivery. Alternative delivery techniques including mentoring and/or blended learning (traditional classroom with computer-based training) must be approved by the Bureau and provide for verified complete compliance to the skill and knowledge objectives.

(3)(2) The training must be given by instructors certified by the Bureau.

(4)(4) All subjects listed in the Minimum Standards Course must be included in the curriculum.

(5)(4) Each student enrolled in Minimum Standards Course must receive instruction and training in every course subject of the curriculum. Knowledge-based curriculum shall not be less than the number of hours specified for each subject. Skill-based curriculum hours are based upon an ideal class size of 30 with a student to instructor ratio of one instructor for every six students, and a student to equipment ratio of one piece or set of equipment for every six students. If a class has less than 20 students, the hours may be adjusted to shorten the class hours by no more than ten percent (10%) of the scheduled class period. Hours may be adjusted according to the actual class ratio.

(6)(5)(a) One aspect of training is psychomotor skills development, which includes the demonstrated ability to perform individually and as a member of a team or group all tasks and operations associated with the training in a manner that which does not present a threat to the safety of the trainee, co-workers, or others and that which contributes to the successful achievement of the purpose for which the task or operation is being performed. Students must achieve a final course grade of 70% of higher in all psychomotor skills assessments to be eligible for certification examination.

(b) If, in the professional opinion of the instructors, the student does not possess the qualities necessary to satisfactorily perform psychomotor tasks, the student shall be dropped from the training program.

(7)(6) Each subject area within the Minimum Standards Course must be tested, and students must achieve a final course grade of 70% or higher to be eligible for certification examination to validate the acquisition and application of relevant knowledge and skill. All subject area and final tests, both written and practical, given during the Minimum Standards Course shall require maintenance of a percentage score of not less than 70% on each subject listed in the Minimum Standards Course. If a minimum score of 70% is not achieved on any test, the student shall be afforded one time make up examination to achieve the required 70%. Students not in compliance with the minimum score requirement shall be dropped from the course.

(a) through (e) No change.

(8)(7) In general classroom work, the number of students per certified instructor will be determined by the instructor on the basis of complexity of the subject. In general classroom work, there must be at least one certified instructor for each 40 students.

(8) renumbered as (9) No change.

(10)(9) At least two certified instructors must be present when field work occurs under hazardous conditions that can present an immediate danger to life or health. At all other times, there must be at least one certified instructor for each six students during field work. In field work under conditions considered hazardous, there shall be not less than one certified instructor for each six students, but in no case shall there be less than two certified instructors. The instructors must be placed to oversee the safety and effectiveness of the training. Live Fire Training must be conducted in accordance with Rule 69A-37.405, F.A.C.

(11)(10) In those instances in which the normal scheduled time does not allow for compliance with the foregoing limitations, the time allotted to those classes must be extended as necessary to ensure compliance with this rule chapter the intent and purpose of these rules. If completion of course work is not feasible due to circumstances beyond the instructor’s control within the scheduled time frames for a course, the time frames must be extended to complete the training.

Emergency Rules

DEPARTMENT OF THE LOTTERY
RULE NO.: 53ER21-53
RULE TITLE: CASH STASH
SUMMARY OF THE RULE: This emergency rule describes the Fast Play™ game, CASH STASH for which the Department
The Florida Lottery will start selling tickets on October 4, 2021. The rule sets forth the specifics of the game; determination of prizewinners; estimated odds of winning, value and number of prizes in the game.

THE PERSON TO BE CONTACTED REGARDING THE EMERGENCY RULE IS: Minerva A. Simpson, Attorney, Department of the Lottery, 250 Marriott Drive, Tallahassee, Florida 32399-4011.

THE FULL TEXT OF THE EMERGENCY RULE IS:

53ER21-53 CASH STASH.

(1) Name of Game. “CASH STASH.”

(2) Price. CASH STASH lottery tickets sell for $1.00 per play.

(3) Game Description. CASH STASH is a Fast Play™ instant-win game (also known as an online terminal game) printed from an authorized Florida Lottery retailer terminal at the time of purchase. Players may play the game and determine immediately if the ticket is a winner. All prizes are predetermined. The player does not have the ability to select his or her own numbers or play symbols.

(4) CASH STASH Lottery Ticket Purchase. Players may purchase a CASH STASH lottery ticket at an authorized retailer by: telling the retailer or presenting to the retailer a Fast Play barcode found on CASH STASH supporting materials; or by submitting a CASH STASH play slip for processing through a retailer terminal. Supporting materials with a CASH STASH Fast Play barcode include tear pads, game brochures, or Florida Lottery emails. A CASH STASH Fast Play barcode may also be printed from the Florida Lottery’s website at flalottery.com. A CASH STASH ticket may be printed from a full-service Lottery vending machine.

(a) Players who choose to purchase a CASH STASH lottery ticket or tickets by telling the retailer shall specify the number of plays desired. Each play will print on a separate ticket.

(b) Players who choose to present a barcode to purchase a CASH STASH lottery ticket shall provide the barcoded material to the retailer to scan. One scanned barcode will produce one CASH STASH lottery ticket.

(c) Players who choose to use a play slip to purchase a CASH STASH lottery ticket or tickets may mark the appropriate box on the play slip for the number of plays desired and submit it to the retailer. The retailer will process the play slip through the retailer terminal. Each play will print on a separate ticket. Play slips must be Florida Lottery approved and players must use only blue or black ink or pencil for making selections. The use of mechanical, electronic, computer-generated or any other non-manual method of marking play slips is prohibited.

(d) At a full-service Lottery vending machine, a player may push the Fast Play button. Once the Fast Play button is pushed a new screen will appear; the player can then select CASH STASH. Upon selecting CASH STASH, the vending machine will produce one CASH STASH ticket.

(e) CASH STASH lottery tickets cannot be canceled.

(5) The “YOUR COINS” and “MONEY BAG COINS” play symbols are as follows:

(6) The prize symbols are as follows:

(7) How to Play and Determination of Prizewinners.

(a) Each CASH STASH lottery ticket contains a “YOUR COINS” play area and a “MONEY BAG COINS” play area. A ticket having a play symbol in the “YOUR COINS” play area that matches a play symbol in the “MONEY BAG COINS” play area shall entitle the claimant to the corresponding prize shown for that symbol.

(b) A player can win up to nine times on a ticket.

(8) The prize structure and odds of winning are as follows:

(9) The estimated overall odds of winning some prize in the CASH STASH game are 1:4.05. The CASH STASH prize structure will be replenished automatically as each ticket is sold in each prize tier, including both winning and non-winning prize tiers. The odds remain the same for each ticket purchase for the life of the game.

(10) CASH STASH Additional Provisions.
(a) By purchasing a CASH STASH lottery ticket, a player agrees to comply with and abide by all rules and regulations of the Florida Lottery.
(b) Prizes must be claimed within 60 days after the official end of game. All CASH STASH prizes shall be paid in a single, lump-sum payment. Ticket validation requirements for Fast Play CASH STASH lottery tickets are set forth in the rule of the Florida Lottery governing payment of prizes. Payment of prizes for Fast Play CASH STASH lottery tickets shall be made in accordance with the rule of the Florida Lottery governing payment of prizes. A copy of the current rule can be obtained from the Florida Lottery, Office of the General Counsel, 250 Marriott Drive, Tallahassee, Florida 32399-4011.
(c) It is the responsibility of the player to verify the readability of the information printed on the CASH STASH lottery ticket at the time of purchase. Additionally, the player should check the date and time printed on a CASH STASH lottery ticket to confirm that the printed date and time of purchase correspond to the actual date and time of purchase. It shall be the responsibility of the player to immediately notify the retailer of any such errors or discrepancies of a ticket prior to leaving the retailer location.
(d) Subject to a retailer’s hours of operation and gaming system availability, CASH STASH lottery tickets are available for purchase daily between the hours of 6:00 a.m. and 12:00 midnight, Eastern Time (ET).

(11) The effective date of this emergency rule is September 30, 2021.

A $50,000 CASH DOUBLER ticket may be printed from a full-service Lottery vending machine.

(a) Players who choose to purchase a $50,000 CASH DOUBLER lottery ticket or tickets by telling the retailer shall specify the number of plays desired. Each play will print on a separate ticket.

(b) Players who choose to present a barcode to purchase a $50,000 CASH DOUBLER lottery ticket shall provide the barcoded material to the retailer to scan. One scanned barcode will produce one $50,000 CASH DOUBLER lottery ticket.

(c) Players who choose to use a play slip to purchase a $50,000 CASH DOUBLER lottery ticket or tickets may mark the appropriate box on the play slip for the number of plays desired and submit it to the retailer. The retailer will process the play slip through the retailer terminal. Each play will print on a separate ticket. Play slips must be Florida Lottery approved and players must use only blue or black ink or pencil for making selections. The use of mechanical, electronic, computer-generated or any other non-manual method of marking play slips is prohibited.

(d) At a full-service Lottery vending machine, a player may push the Fast Play button. Once the Fast Play button is pushed a new screen will appear; the player can then select $50,000 CASH DOUBLER. Upon selecting $50,000 CASH DOUBLER, the vending machine will produce one $50,000 CASH DOUBLER ticket.

(e) $50,000 CASH DOUBLER lottery tickets cannot be canceled.

(5) The “YOUR NUMBERS,” “WINNING NUMBERS,” and “DOUBLER” play symbols are as follows:

(6) The prize symbols are as follows:

(7) How to Play and Determination of Prizewinners.

(a) A ticket having a play symbol in the “YOUR NUMBERS” play area that matches a play symbol in the “WINNING NUMBERS” play area shall entitle the claimant to the corresponding prize shown for that symbol.

DEPARTMENT OF THE LOTTERY

RULE NO: 53ER21-55
RULE TITLE: 9s IN A LINE

SUMMARY OF THE RULE: This emergency rule describes the Fast Play™ game, 9s IN A LINE for which the Department of the Lottery will start selling tickets on October 4, 2021. The rule sets forth the specifics of the game; determination of prizewinners; estimated odds of winning, value and number of prizes in the game.

THE PERSON TO BE CONTACTED REGARDING THE EMERGENCY RULE IS: Minerva A. Simpson, Department of the Lottery, 250 Marriott Drive, Tallahassee, Florida 32399-4011.

THE FULL TEXT OF THE EMERGENCY RULE IS:

53ER21-55 9s IN A LINE

(1) Name of Game. “9s IN A LINE.”

(2) Price. 9s IN A LINE lottery tickets sell for $2.00 per play.

(3) Game Description. 9s IN A LINE is a Fast Play™ instant-win game (also known as an online terminal game) printed from an authorized Florida Lottery retailer terminal at the time of purchase. Players may play the game and determine immediately if the ticket is a winner. All prizes are predetermined. The player does not have the ability to select his or her own numbers or play symbols.

(4) 9s IN A LINE Lottery Ticket Purchase. Players may purchase a 9s IN A LINE lottery ticket at an authorized retailer by: telling the retailer or presenting to the retailer a Fast Play barcode found on 9s IN A LINE supporting materials; or by submitting a 9s IN A LINE play slip for processing through a retailer terminal. Supporting materials with a 9s IN A LINE Fast Play barcode include tear pads, game brochures, or Florida Lottery emails. A 9s IN A LINE Fast Play barcode may also be printed from the Florida Lottery’s website at flalottery.com. A 9s IN A LINE ticket may be printed from a full-service Lottery vending machine.

(a) Players who choose to purchase a 9s IN A LINE lottery ticket or tickets by telling the retailer shall specify the number of plays desired. Each play will print on a separate ticket.
(b) Players who choose to present a barcode to purchase a 9s IN A LINE lottery ticket shall provide the barcoded material to the retailer to scan. One scanned barcode will produce one 9s IN A LINE lottery ticket.

(c) Players who choose to use a play slip to purchase a 9s IN A LINE lottery ticket or tickets may mark the appropriate box on the play slip for the number of plays desired and submit it to the retailer. The retailer will process the play slip through the retailer terminal. Each play will print on a separate ticket. Play slips must be Florida Lottery approved and players must use only blue or black ink or pencil for making selections. The use of mechanical, electronic, computer-generated or any other non-manual method of marking play slips is prohibited.

(d) At a full-service Lottery vending machine, a player may push the Fast Play button. Once the Fast Play button is pushed a new screen will appear; the player can then select 9s IN A LINE. Upon selecting 9s IN A LINE, the vending machine will produce one 9s IN A LINE ticket.

(e) 9s IN A LINE lottery tickets cannot be canceled.

(5) The play symbols are as follows:

1  2  3
4  5  6
7  8  9

(6) How to Play and Determination of Prizewinners. Each 9s IN A LINE lottery ticket contains nine GAMES in the play area. Each GAME consists of a grid with nine numbers. Players identify each GAME having three “9” play symbols in a vertical, horizontal, or diagonal line (a “WINNING GAME”). A ticket containing two or more WINNING GAMES shall entitle the claimant to a single prize corresponding to the total number of WINNING GAMES on the ticket, as shown in the prize legend.

(7) The prizes are: $2, $4, $10, $20, $25, $50, $100, and $10,000.

(8) The prize structure and odds of winning are as follows:

<table>
<thead>
<tr>
<th>GAME PLAY</th>

(9) The estimated overall odds of winning some prize in the 9s IN A LINE game are 1:4.00. The 9s IN A LINE prize structure will be replenished automatically as each ticket is sold in each prize tier, including both winning and non-winning prize tiers. The odds remain the same for each ticket purchase for the life of the game.

(10) 9s IN A LINE Additional Provisions.
(a) By purchasing a 9s IN A LINE lottery ticket, a player agrees to comply with and abide by all rules and regulations of the Florida Lottery.

(b) Prizes must be claimed within 60 days after the official end of game. All 9s IN A LINE prizes shall be paid in a single, lump-sum payment. Ticket validation requirements for Fast Play 9s IN A LINE lottery tickets are set forth in the rule of the Florida Lottery governing payment of prizes. Payment of prizes for Fast Play 9s IN A LINE lottery tickets shall be made in accordance with the rule of the Florida Lottery governing payment of prizes. A copy of the current rule can be obtained from the Florida Lottery, Office of the General Counsel, 250 Marriott Drive, Tallahassee, Florida 32399-4011.

(c) It is the responsibility of the player to verify the readability of the information printed on the 9s IN A LINE lottery ticket at the time of purchase. Additionally, the player should check the date and time printed on a 9s IN A LINE lottery ticket to confirm that the printed date and time of purchase correspond to the actual date and time of purchase. It shall be the responsibility of the player to immediately notify the retailer of any such errors or discrepancies of a ticket prior to leaving the retailer location.

The Department of Environmental Protection’s Project Analysis Report will be available for public inspection at https://floridadep.gov/air/siting-coordination-office/content/ouc-st-cloud-magnolia-230kv-transmission-line. Any party listed in paragraph 403.527(2)(a), F.S., other than the Department of Environmental Protection or the applicant may waive its right to participate in these proceedings if such party fails to file a notice of its intent to be a party on or before the 30th day prior to the certification hearing. In addition, notwithstanding the provisions of Chapter 120, F.S., upon the filing with the administrative law judge of a notice of intent to be a party no later than 30 days before the certification hearing, the following shall also be parties to the proceeding: any agency not listed in paragraph 403.527(2)(a), F.S., as to matters within its jurisdiction; any domestic nonprofit corporation or association formed, in whole or in part, to promote conservation or natural beauty, to protect the environment, personal health, or other biological values; to preserve historical sites; to promote consumer interests; to represent labor, commercial, or industrial groups; or to promote comprehensive planning or orderly development of the area in which the proposed electrical transmission line is to be located. Other parties may include any person, including those persons listed herein who have failed to timely file a notice of intent to be a party, whose substantial interests are affected and being determined by the proceeding and who timely file a motion to intervene pursuant to Chapter 120, F.S., and applicable rules. Intervention pursuant to paragraph 403.527(2)(c), F.S., may be granted at the discretion of the designated administrative law judge and upon such conditions as he or she may prescribe any time prior to 30 days before the commencement of the certification hearing. Motions to intervene must be filed (received) with Administrative Law Judge E. Gary Early, Division of Administrative Hearings, The DeSoto Building, 1230 Apalachee Parkway, Tallahassee, Florida 32399-1550, at least 30 days prior to commencement of the certification hearing, and must contain the following: reference to the application number; the case number of the Division of Administrative Hearings; the name, address, and telephone number of the person filing the motion; and, allegations sufficient to demonstrate that the person filing the motion is entitled to participate in the hearing. Copies must be sent by mail to the applicant and all parties. A list of parties may be obtained from the Department of Environmental Protection’s Siting Coordination Office at Bob Martinez Center, 2600 Blair Stone Road, M.S. 5500, Tallahassee, Florida 32399, SCO@dep.state.fl.us.

Those wishing to intervene in these proceedings, unless appearing on their own behalf, must be represented by an attorney or other person who can be determined to be qualified to appear in administrative proceedings pursuant to Chapter 120, F.S., or Rule 28-106.106, F.A.C.
The certification hearing may be cancelled in accordance with paragraph 403.527(6)(a), F.S.: “No later than 29 days before the certification hearing, the department or the applicant may request that the administrative law judge cancel the certification hearing and relinquish jurisdiction to the department if all parties to the proceeding stipulate that there are no disputed issues of material fact or law to be raised at the certification hearing, and if sufficient time remains for the applicant and the department to publish public notices of the cancellation of the hearing at least 3 days prior to the scheduled date of the hearing...” If the Administrative Law Judge grants the request, the Department will prepare and issue a final order in accordance with paragraph 403.529(1)(a), F.S.

AGENCY FOR HEALTH CARE ADMINISTRATION
Certificate of Need
NOTICE OF FIXED NEED POOLS FOR COMMUNITY NURSING HOME BEDS
The Agency for Health Care Administration has projected a fixed bed need pool for community nursing home beds for July 2024 pursuant to the provisions of Section 408.034(5), Florida Statutes and Rules 59C-1.008 and 59C-1.036, F.A.C. Net bed
need projections for community nursing home beds have been
adjusted according to occupancy rate thresholds as prescribed
by the above-mentioned rules. Letters of intent to apply for
Certificates of Need pursuant to this notice must be filed with
the Certificate of Need Program Office, 2727 Mahan Drive,
Building 1, Room 229, MS 28, Tallahassee, Florida, 32308, on
or before 5:00 p.m., October 18, 2021.

Any person who identifies an error in the fixed need pool
numbers must advise the agency of the error within ten (10)
days of publication of the number. If the agency concurs with
the error, the fixed need pool number will be adjusted and
republished in the first available edition of the Florida
Administrative Register. Failure to notify the agency of the
error during this ten day time period will result in no adjustment
to the fixed need pool number for this cycle and a waiver of the
person's right to raise the error at subsequent proceedings. Any
other adjustments will be made in the first cycle subsequent to
identification of the error including those errors identified
through administrative hearings or final judicial review.

Any person whose substantial interest is affected by this action
and who timely advised the agency of any error in the action
has a right to request an administrative hearing pursuant to
Section 120.57, Florida Statutes. In order to request a
proceeding under Section 120.57, Florida Statutes, your request
for an administrative hearing must state with specificity which
issues of material fact or law are in dispute. All requests for
hearings shall be made to the Agency for Health Care
Administration and must be filed with the agency clerk at 2727
Mahan Drive, Building 3, Room 3431, MS 3, Tallahassee,
Florida 32308. All requests for hearings must be filed with the
agency clerk within 21 days of this publication or the right to a
hearing is waived.

DEPARTMENT OF ENVIRONMENTAL PROTECTION
Notice of availability of funds for State Agencies and Water Management Districts.
The Florida Coastal Management Program (FCMP) announces the availability of federal funds for projects related to coastal resource protection. Priorities include water quality improvements encompassing research, monitoring, or restoration, and protection of vulnerable coastlines. The proposed projects should be able to be completed within 12 months. They should be designed to generate and provide information, plans, or meet needs for protection, coordination and response to hazards along Florida’s coast. Financial assistance is available in the form of reimbursement grants ranging from $15,000 to $74,000, depending upon availability of federal coastal management funds received from the National Oceanic & Atmospheric Administration (NOAA). The FCMP anticipates that grant recipients will not be required to provide non-federal matching funds or services. Rule subsections 62S-5.002(4) and .003, F.A.C. describe the procedures for submitting applications and the procedures and criteria by which applications will be evaluated, respectively. A copy of the rule may be obtained at: https://www.flrules.org/gateway/ChapterHome.asp?Chapter=62S-5. There is no specific application form; however, proposals must not exceed 10 pages in length (excluding the title page, project location map, and budget page).

For projects involving construction, exotic species removal, and/or habitat restoration, applicants must submit a completed 306A Questionnaire with the application. The Questionnaire is not counted as part of the application page limit. The Questionnaire may be obtained at: https://floridadep.gov/sites/default/files/questionnaire306a.pdf. Applications must be received no later than 4:00 pm (ET), November 30, 2021. Applications shall be submitted in accordance with subsection 62S-5.002(4), F.A.C., or may be emailed to FCMPMail@FloridaDEP.gov.

Mailed applications may be sent to: Florida Coastal Management Program, ATTN: Partner Agency Grants, Department of Environmental Protection, 2600 Blair Stone Road, MS 235, Tallahassee, Florida 32399-2400 For questions or to request a copy of Chapter 62S-5, F.A.C., and/or the 306A Questionnaire, please contact: Mrs. Holly Edmond at the address above, call (850)245-2181 or send an email to Holly.Edmond@FloridaDEP.gov.
