RULE NO.: RULE TITLE:
 33-601.314 Rules of Prohibited Conduct and Penalties for Infractions
 PURPOSE AND EFFECT: The purpose and effect of the proposed rule is to correct typos and internal citations and to

remove infraction 11-1 from section 11(2) of the rule. Infraction 11-1 no longer exists due to discontinuation of the Supervised Community Release Program.

SUMMARY: The proposed rule amendment corrects typos and internal citations and removes infraction 11-1 from section 11(2) of the rule. This amendment reflects the discontinuation of the Supervised Community Release Program and the elimination of the related disciplinary infraction.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: The Department used an itemized checklist to conduct an economic analysis and determine if there is an adverse impact or regulatory cost associated with this rule that exceeds the criteria. Upon review of the proposed changes to the rule, the Department has determined that the amendments will not exceed any one of the economic analysis criteria in a SERC as set forth in s. 120.541(2)(a), F.S.

Any person who wishes to provide information regarding a statement of estimated regulatory costs or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

33-601.314 Rules of Prohibited Conduct and Penalties for Infractions.

Section 1 through 10 below show the maximum penalties allowed for the listed offenses. Section 11 shows the penalties that will be imposed for the listed offenses based on the time since an inmate’s last disciplinary infraction absent a statement in the written findings of the disciplinary team or hearing officer justifying an upward deviation. As used in this rule, “DC” means the maximum number of days of disciplinary confinement that may be imposed, and “GT” means the maximum number of days of gain time that may be taken. The imposition of DC and GT penalties are independent of one another and do not have to be imposed together; i.e., an inmate may be placed in DC without losing GT, and vice versa.

On behalf of Brevard County, you are invited to attend a Virtual Public Meeting (VPM) for the St. Johns Heritage Parkway Alternative Corridor Evaluation (ACE) Study. The ACE Study

is being conducted to evaluate the potential for a new roadway corridor that could connect the existing segments of the St. Johns Heritage Parkway between Babcock Street on the south to Malabar Road on the north, a distance of approximately 14 miles.

The ACE Study began in January 2020 and the first VPM was held in May 2021. The Study evaluated five alternative corridors, as well as the no-build option. The proposed alternatives were studied for impacts on the social, cultural, natural, and physical environments. Consideration was also given to engineering criteria, and project cost. Based on the analysis conducted, two corridors are recommended for further study to move forward into a future Project Development and Environment (PD&E) study.

At this time, the PD&E Study, Design, Right-of-Way, and Construction phases are not funded.

The VPM is being held to present the results of the ACE study and obtain public and stakeholder input.
