DEPARTMENT OF FINANCIAL SERVICES

Division of Workers' Compensation

RULE NO.: RULE TITLE:

69L-5.202 Scope of Self-Insurance Authorization

The Department of Financial Services hereby gives notice: Notice is HEREBY GIVEN that on March 8, 2024, the Department of Financial Services, received a petition for waiver from subsection 69L-5.202(2), F.A.C., from ENCOMPASS HEALTH REHABILITATION HOSPITAL OF NAPLES, LLC.

Subsection 69L-5.202(2), F.A.C., provides that the self-insurance authorization of a Current Self-Insurer is restricted to the authorization holder and its wholly or majority owned subsidiaries. Petitioner is seeking a permanent waiver of the requirement that the self-insurance authorization of a Current Self-Insurer is restricted to the authorization holder and its wholly or majority owned subsidiaries because it would create a substantial hardship or would violate the principles of fairness.

The Petition was published in Volume 50, Number 51 on March 13, 2024. A Notice of Correction was published in Volume 50, Number 56, on March 20, 2024. Upon review of the Petition, the Department found that the underlying purposes of sections 440.38 and 440.385, Florida Statutes, of ensuring that self-insured employers have the financial strength necessary to ensure timely payment of all current and future claims, would be achieved if Rule 69L-5.215, rather than 69L-5.202(2), was waived. On May 31, 2024, the Department entered an Order Granting Modified Waiver, granting Petitioner waiver from provisions of Rule 69L-5.215, F.A.C., as indicated in the Order. A copy of the Order or additional information may be obtained by contacting: DFS Agency Clerk, 200 East Gaines Street, Tallahassee, FL 32399-0390, or DFSAgencyClerk@myfloridacfo.com.

62-650.500 WQBEL Level II Process

Pursuant to subsection 62-650.500(6), Florida Administrative Code (F.A.C), the Florida Department of Environmental Protection (FDEP) gives notice of the intent for St. Johns County Utility Department (SJCUD) to conduct a water quality study in Deep Creek, St. Johns County. The water quality study is conducted in accordance with the Plan of Study approved by FDEP pursuant to Rule 62-650.500, F.A.C. The purpose of this study is to assess water quality to establish appropriate Water Quality Based Effluent Limits (WQBELs) associated with the proposed increase of the existing discharge from Hastings Domestic Wastewater Treatment Facility (Permit ID # FL0042315) and Deep Creek Reverse Osmosis Water Treatment Facility (Permit ID # FL0169226) on the Deep Creek (WBID 2549) to meet existing water quality criteria for total nitrogen and total phosphorus for the particular surface water segment. The effluent limits and associated total nutrient loading to Deep Creek developed as part of this study may be proposed as site-specific numeric interpretations of the narrative nutrient criteria for Deep Creek in the form of Level II Water Quality Based Effluent Limits via order of the Department. The only known affected discharger other than these two domestic wastewater treatment facilities is the South Woods Elementary RO WTP (Permit ID # FL0429333).

Upon request, the Plan of Study is available for public inspection during normal business hours, 8:00 a.m. - 5:00 p.m., Monday through Friday, except legal holidays at the following location: Florida Department of Environmental Protection, Northeast District Office, 8800 Baymeadows Way West, Suite 100, Jacksonville, FL 32256. Any interested person may submit written comments on the Plan of Study to D.
