RULE NO.: 40D-1.1010
RULE TITLE: Point of Entry into Proceedings

PURPOSE AND EFFECT: The purpose of this rulemaking is to delete the requirement set forth in subsection 40D-1.1010(6), F.A.C., for certain permit applicants to publish notice of agency decision on their application. Based upon the Governor's directive to identify and delete or amend rules that are no longer necessary, duplicative of statute or unduly burdensome, the District has determined to delete this requirement. The effect will be to make publication of notices of agency action voluntary for permittees.

SUMMARY: In accordance with Executive Order 11-72, the District's Regulatory Plan for 2011-2012 identifies rulemaking proposals to eliminate unnecessary burdens, reduce costs and achieve other streamlining benefits for the regulated public. One of these initiatives is to delete the requirement set forth in subsection 40D-1.1010(6), F.A.C., for certain permit applicants to publish notice of agency decision on their application. The District will continue to advise permittees of the benefits of publishing notices of agency action, but such publication will be voluntary. This amendment will make the District's procedural rules more consistent with those of the other water management districts and the Department of Environmental Protection.

RULE NO.: 64B24-5.001 RULE TITLE: Renewal of Midwifery License

PURPOSE AND EFFECT: The purpose and effect of the proposal is to repeal rules identified during the comprehensive rule review required by Executive Order 11-01 as duplicative, out of date, or no longer necessary.

SUMMARY: This rule was identified during the comprehensive rule review as communicating information that is out of date, redundant, partially duplicative of statute and, thus, appropriate for repeal. There are no other rules incorporating this rule.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: This rulemaking will not have an adverse impact or regulatory costs in excess of \$1 million within five years as established in Section 120.541(2)(a)1.2. and 3., F.S.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

RULE NO.: 65G-2.016
 RULE TITLE: Residential Fee Collection

PURPOSE AND EFFECT: The purpose of this new rule is to allow for the equitable collection of third party benefits from clients that receive funds in excess of their personal needs allowance and room and board payments. This rule will have the effect of reducing excessive and unnecessary payments to clients or their representative payees, and will help to prevent clients from being disqualified from Medicaid due to the availability of excess funding.

SUMMARY: This rule provides for the payment of an adult client's room and board in a licensed residential facility and allows the agency to assess a fee upon third-party benefits that an adult client receives in excess of his or her personal needs allowance and room and board costs.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein:

THE FULL TEXT OF THE PROPOSED RULE IS:

65G-2.016 Residential Fee Collection.

(1) This rule applies to all clients, as defined in Section 393.063, Florida Statutes, who are eighteen years of age or older, who receive residential habilitation services, and who live in a foster care facility, group home facility, residential habilitation center, or comprehensive transitional education program, licensed pursuant to Section 393.067, Florida Statutes.

(2) Definitions. For the purposes of this operating procedure, the following terms shall be defined as follows:

(a) Agency. As defined in Section 393.063, F.S., the term means the Agency for Persons with Disabilities.

(b) Client. As defined in Section 393.063, F.S., the term means any person determined eligible by the agency for services under Chapter 393, F.S.

(b) Personal Needs Allowance. A portion of the third party benefit payment that must be set aside and used for the direct benefit of the client.

(c) Residential Habilitation. Supervision and specific training activities that assist the client to acquire, maintain or improve skills related to activities of daily living. The service focuses on personal hygiene skills such as bathing and oral hygiene; homemaking skills such as food preparation, vacuuming and laundry; and on social and adaptive skills that enable the client to reside in the community. This training is provided in accordance with a formal implementation plan, developed with direction from the client and reflects the client's goal(s) from their current support plan.

(d) Room and Board Payment. Reimbursement to the operators of facilities or programs licensed pursuant to Section 393.067, Florida Statutes, to cover the cost of providing food and shelter to Agency clients (who also receive residential habilitation services) in accordance with Chapter 65G-2 of the Florida Administrative Code.

(e) Third party benefits. As defined in Section 402.33, F.S., the term means moneys received by or owing to a client or responsible party because of the client's need for or receipt of services such as those provided by the agency. This term includes, but is not limited to, Medicare payments, workers' compensation, and Supplemental Security Income.

(3) Room and Board Payment Rates. Providers serving clients who receive residential habilitation services within a facility licensed pursuant to Section 393.067, Florida Statutes, will receive a room and board payment which is dependent upon the amount of third party benefits the client receives.

(4) Payments to Providers:

(a) The room and board payment is calculated by subtracting a personal needs allowance (\$93.58 per month) from the client's third party monthly benefit. The room and board (\$543.42) payment is then subtracted from the remaining benefit amount. If the third party benefit minus the client's personal needs allowance and room and board amount exceeds \$637, the balance less federal exceptions shall be subject to the provisions in subsection (5) below.

(b) For clients receiving residential habilitation services in a facility licensed pursuant to Section 393.067, Florida Statutes, whose monthly third party benefits minus the personal needs allowance are less than \$543.42, the provider will receive a room and board payment equal to the difference between \$543.42 and the amount the client receives from third party benefits.

(5) Fees assessed:

(a) For clients receiving residential habilitation services in a facility licensed pursuant to Section 393.067, Florida Statutes, whose monthly third party benefits minus the personal needs allowance are greater than \$543.42, the client or client's representative payee must send a payment to Agency for Persons with Disabilities that is equal to the difference between the total amount of monthly third party benefits that the client received and the total cost of the room and board payments plus the client's personal allowance (\$637.00).

(b) Payments made pursuant to paragraph (5)(a) must be sent to the local APD area office by the 15th day of the month after receipt of the third party benefit payments. If the 15th of the month falls on a weekend or national holiday, then the payment due date will be the next business day immediately thereafter. Checks or money orders should be made payable to Agency for Persons with Disabilities (or APD). Individuals or organizations serving as the representative payees for third party benefit payments should submit a single check or money order to the Agency each month.

(c) Clients or representative payees for clients may include federally approved exemptions or deductions in the calculation of the fees assessed pursuant to this subsection.

(6) Mandatory Monthly Reports to the Agency.

(a) Every client or representative payee for a client, including a facility or program licensed pursuant to Section 393.067, Florida Statutes, must report to the appropriate APD area office by the 15th day of the month. The report must include a calculation for each client that includes:

a. The total third party benefit payments that the client receives;

b. The amount to be subtracted from the client's third-party benefits for payment of the client's room and board and for the client's personal needs allowances;

c. Each individual federally approved deduction or exemption that the client has included in the calculation; and

d. The total amount owed to the provider pursuant to subsection (4) of this rule or the total amount of the fee assessed pursuant to subsection (5) of this rule.

(b) If the monthly report described in this subsection indicates that a fee should be assessed to the client's third party benefits pursuant to subsection (5) of this rule, the client or representative payee for the client must also include a payment of the assessed fee with the monthly report.

(c) If the 15th day of the month falls on a weekend or national holiday, then the payment due date will be the next business day immediately thereafter.

(7) Review of Assessed Fees.

(a) Substantially affected individuals may request a review the fees assessed upon their third party benefit payments by submitting a request for review to the applicable area office in writing.

(b) If the substantially affected individuals still disagree with the fees assessed upon their third party benefit payments after their request for review, they may request an administrative hearing pursuant to Section 393.125, Florida Statutes.

DEPARTMENT OF LAW ENFORCEMENT

NOTICE IS HEREBY GIVEN that on December 29, 2011, the Criminal Justice Standards and Training Commission, received a petition for a permanent waiver of subsection 11B-27.00212(14), F.A.C., from Sweetwater Police Department on behalf of 65 officers for the 2008 (7/1/2006 – 6/30/2008) reporting period. subsection 11B-27.00212(14), F.A.C., requires officers to requalify with a firearm every two years on a course of fire mandated by Commission rule and supervised by a CJSTC-certified firearms instructor. The petition supports the requested waiver by stating that the 65 officers at issue did successfully complete the course of fire, however, some of the instructors supervising the requalifications did not use the required course of fire and

some officers who did shoot the proper course of fire did not have CJSTC 86A forms reflecting that fact inserted into their training records. Petitioner states that the officers will suffer a substantial hardship if their certifications are rendered inactive as a result of this situation. Petitioner further states that it would violate the principles of fairness to fail to recognize that the 65 officers did successfully complete the requirement simply because they either did not shoot the required course of fire or their successful completion of the required course of fire was not memorialized on a CJSTC 86A form for the 2008 mandatory firearms requalification cycle.

A copy of the Petition for Variance or Waiver may be obtained by contacting: Grace A. Jaye, Assistant General Counsel, Florida Department of Law Enforcement, P. O. Box 1489, Tallahassee, FL 32302 or by telephoning (850)410-7676.

NOTICE IS HEREBY GIVEN that on December 29, 2011, the Criminal Justice Standards and Training Commission, received a petition for a permanent waiver of subsection 11B-27.00212(14), F.A.C., from Belleview Police Department on behalf of ten officers for the 2008 (7/1/2006 – 6/30/2008) mandatory firearms requalification reporting period and an additional five officers for the 2010 (7/1/2008 – 6/30/2010) mandatory firearms requalification reporting period. subsection 11B-27.00212(14), F.A.C., requires officers to requalify with a firearm every two years on a course of fire mandated by Commission rule and supervised by a CJSTC-certified firearms instructor. The petition supports the requested waiver by stating that the officers at issue attempted to comply, but the instructors who supervised their requalification shoots were not CJSTC-certified firearms instructors. Petitioner states that the officers will suffer a substantial hardship if their certifications are rendered inactive as a result of this situation. Petitioner further states that it would violate the principles of fairness to fail to recognize that all of the officers did successfully complete the requirement but were supervised by non-CJSTC-certified firearms instructors.

A copy of the Petition for Variance or Waiver may be obtained by contacting: Grace A. Jaye, Assistant General Counsel, Florida Department of Law Enforcement, P. O. Box 1489, Tallahassee, FL 32302 or by telephoning (850)410-7676.

NOTICE IS HEREBY GIVEN that on December 29, 2011, the Criminal Justice Standards and Training Commission, received a petition for a permanent waiver of paragraph 11B-35.001(9)(b), F.A.C., from Sarasota Criminal Justice Academy on behalf of three course participants. The three course participants commenced an Advanced Training Course on September 28, 2009, the same day that paragraph 11B-35.001(9)(b), F.A.C., changed a passing score from 75% to 80% for CJSTC-certified courses. The three participants scored 79% on their end-of-course examinations, which would

have been a passing score the day before the course commenced, but was no longer because of the rule change. The Petitioner requests that the Commission grant the three participants a permanent waiver of paragraph 11B-35.001(9)(b), F.A.C., in order for their scores to be considered passing scores for the Advanced Training Course, Interviews and Interrogations, beginning September 28, 2009, and ending October 2, 2009.

A copy of the Petition for Variance or Waiver may be obtained by contacting: Grace A. Jaye, Assistant General Counsel, Florida Department of Law Enforcement, P. O. Box 1489, Tallahassee, FL 32302 or by telephoning (850)410-7676.

NOTICE IS HEREBY GIVEN that on December 29, 2011, the Criminal Justice Standards and Training Commission, received a petition for a permanent waiver of subsection 11B-27.00212(14), F.A.C., from Palm Beach Police Department on behalf of 48 officers for the 2008 (7/1/2006 – 6/30/2008) reporting period. subsection 11B-27.00212(14), F.A.C., requires officers to requalify with a firearm every two years on a course of fire mandated by Commission rule and supervised by a CJSTC-certified firearms instructor. The petition supports the requested waiver by stating that the 48 officers at issue did successfully complete the course of fire, however, the instructors supervising the requalifications were not CJSTC-certified firearms instructors. Petitioner states that the officers will suffer a substantial hardship if their certifications are rendered inactive as a result of this situation. Petitioner further states that it would violate the principles of fairness to fail to recognize that the officers did successfully complete the requirement simply because non-CJSTC-certified firearms instructors supervised the 2008 mandatory firearms requalifications for the 48 officers.

A copy of the Petition for Variance or Waiver may be obtained by contacting: Grace A. Jaye, Assistant General Counsel, Florida Department of Law Enforcement, P. O. Box 1489, Tallahassee, FL 32302 or by telephoning (850)410-7676.

NOTICE IS HEREBY GIVEN that on December 29, 2011, the Criminal Justice Standards and Training Commission, received a petition for a permanent waiver of subsection 11B-27.00212(6), F.A.C., from Palm Beach County Sheriff's Office on behalf of one deputy. The deputy had been on active military leave and upon his discharge and resumption of deputy status, his active military notation in ATMS was not removed. The deputy completed 40 hours of mandatory retraining by his mandatory retraining due date of June 30, 2011, however, it was not discovered until his incorrect status as active military was discovered in November of 2011, that he had not completed three required courses. subsection 11B-27.00212(6), F.A.C., requires officers to complete 40 hours of mandatory retraining every four years, including certain mandatory courses. The deputy completed the three

required courses within a week of the problem being discovered. The petition supports the requested waiver by stating that the officers at issue had 40 hours of mandatory retraining, but, because his status was not accurately reflected in ATMS, his training officer did not know the deputy needed three more mandatory courses until after the mandatory retraining due date. Petitioner states that the officer will suffer a substantial hardship if his certifications (law enforcement and correctional) are rendered inactive as a result of this situation. Petitioner further states that it would violate the principles of fairness to fail to recognize that all of the officer did successfully complete the 40 hour requirement but was incorrectly advised as to the need for the three other mandatory courses as a result of his status in ATMS.

A copy of the Petition for Variance or Waiver may be obtained by contacting: Grace A. Jaye, Assistant General Counsel, Florida Department of Law Enforcement, P. O. Box 1489, Tallahassee, FL 32302 or by telephoning (850)410-7676.

DEPARTMENT OF BUSINESS AND PROFESSIONAL REGULATION

NOTICE IS HEREBY GIVEN that on December 27, 2011, the Department of Business and Professional Regulation, received a petition for Variance from Requirement of Signature on Invoice or Sales Ticket by the Vendor or Authorized Agent at Time of Delivery of the Merchandise Covered by the Invoice as required in Fla. Administrative Rules 61A-4.043(5)(b), (c) and 61A-4.045(2)(d).

A copy of the Petition for Variance or Waiver may be obtained by contacting: R. Kathleen Brown-Blake, Assistant General Counsel, Department of Business and Professional Regulation, 1940 North Monroe Street, Tallahassee, Florida 32399-2202.

No. 11-28 amends Chapter 6, Buildings and Building Regulations, Article III Floodplain Managements Standards of the Code of Ordinances to provide for updates and changes consistent with Federal Emergency Management Agency Requirements and Standards. The purpose of ordinance No. 11-28 is to insure consistency between the Code and the Biological Opinion prepared by the U.S. Fish and Wildlife Service for the Federal Emergency Management Agency with respect to the National Flood Insurance Program.

CONCLUSIONS OF LAW

4. The Department is required to approve or reject land development regulations or portions thereof that are enacted, amended, or rescinded by any local government in the Florida Keys Area of Critical State Concern. §§ 380.05(6), Fla. Stat., and § 380.0552(9), Fla. Stat. (2010).

5. Islamorada, Village of Islands is a local government within the Florida Keys Area of Critical State Concern. § 380.0552, Fla. Stat. (2010), and Rule 28-29.002 (superseding Chapter 27F-8), Fla. Admin. Code.

6. “Land development regulations” include local zoning, subdivision, building, and other regulations controlling the development of land. § 380.031(8), Fla. Stat. (2010). The regulations adopted by Ord. 11-28 are land development regulations.

7. All land development regulations enacted, amended or rescinded within an area of critical state concern must be consistent with the Principles for Guiding Development (the “Principles”) as set forth in § 380.0552(7), Fla. Stat. (2010). See *Rathkamp v. Department of Economic Development*, 21 F.A.L.R. 1902 (Dec. 4, 1998), *aff’d*, 740 So. 2d 1209 (Fla. 3d DCA 1999). The Principles are construed as a whole and no specific provision is construed or applied in isolation from the other provisions.

8. Ord. 11-28 promotes and furthers the following Principles:

(a) To strengthen local government capabilities for managing land use and development so that local government is able to achieve these objectives without continuing the area of critical state concern designation.

(c) To protect upland resources, tropical biological communities, freshwater wetlands, native tropical vegetation, dune ridges and beaches, wildlife and their habitat.

9. Ord. 11-28 is not inconsistent with the remaining Principles. Ord. 11-28 is consistent with the Principles for Guiding Development as a whole.

10. Ord. 11-28 is consistent with the Village Comprehensive Plan Policy 4-3.2.6 Manage Land Use in the Floodplain and Coastal Areas, and Policy 6-1.3.1 Enforce Policies to Maintain the Floodplain.

WHEREFORE, IT IS ORDERED that Ord. 11-28 is found to be consistent with the Principles for Guiding Development of the Florida Keys Area of Critical State Concern, and is hereby APPROVED.

This Order becomes effective 21 days after publication in the Florida Administrative Weekly unless a petition is filed as described below.
