Board of Opticianry

RULE NO.: RULE TITLE:

64B12-16.003 Apprenticeship Requirements and Training
Program

The Board of Opticianry hereby gives notice of the issuance of an Order regarding the Petition for Variance or Waiver for Yamila Diez, filed on July 23, 2012. The Petitioner was seeking a permanent variance or waiver of Rule 64B12-16.008, F.A.C., with regards to the submission of the Apprenticeship Sponsor Attestation to the Department of Health for verifying completion of required apprenticeship hours. The Notice of Petition for Variance or Waiver was published in Vol. 38, No. 72, of the November 15, 2012, Florida Administrative Register. The Board considered the Petition at a duly-noticed public meeting held on November 2, 2012.

The Board's Order, filed on December 5, 2012, grants the Petition for Variance or Waiver. The Board determined that the Petitioner has demonstrated that but for the untimely submission of the Apprenticeship Sponsor Attestation forms she has met all other requirements necessary for eligibility to sit for the Opticianry examination. The Petitioner has demonstrated that application of the above-cited rules to her circumstances would impose a substantial hardship and that Petitioner has demonstrated that she meets the requirements of Section 120.542, F.S.

A copy of the Order or additional information may be obtained by contacting: Sue Foster, Executive Director, Board of Opticianry, 4052 Bald Cypress Way, Bin #C08, Tallahassee, Florida 32399-3258.

DEPARTMENT OF HEALTH

Board of Opticianry

RULE NO.: RULE TITLE:

64B12-16.003 Apprenticeship Requirements and Training
Program

The Board of Opticianry hereby gives notice of the issuance of an Order regarding the Petition for Variance or Waiver for Wilfred Joseph Laroche, filed on October 11, 2012. The Petitioner was seeking a permanent variance or waiver of Rule 64B12-16.003, F.A.C., with regards to an apprentice completing 6,240 hours of training within a five year limit after first registering with the Department. The Notice of Petition for Variance or Waiver was published in Vol. 38, No. 61, of the October 30, 2012, Florida Administrative Register. The Board considered the Petition at a duly-noticed public meeting held on November 2, 2012.

The Board's Order, filed on December 5, 2012, denies the Petition for Variance or Waiver. The Board determined that the Petitioner has not completed the requisite number of hours under the supervision of an optician licensed in Florida for at least one year or of a physician or optometrist licensed under the laws of this state. The Board does not possess the authority to vary or waive the requirements of the statute.

A copy of the Order or additional information may be obtained by contacting Sue Foster, Executive Director, Board of Opticianry, 4052 Bald Cypress Way, Bin #C08, Tallahassee, Florida 32399-3258.

Board of Optometry

RULE NO.: RULE TITLE:

64B13-4.001 Examination Requirements

NOTICE IS HEREBY GIVEN THAT the Board of Optometry has issued a Notice of Intent to Deny the Petition for Waiver or Variance filed on March 15, 2013, by Micahel J. Giese, O.D. The Notice of Petition for Variance or Waiver was published in Vol. 39, No. 58, of the March 25, 2013, Florida

Administrative Register. The Petitioner, an out of state optometrist who holds a teaching certificate in Florida, has applied for an optometrist license, and for the reasons stated in the petition seeks a variance or waiver of Rule 64B13-4.001, Florida Administrative Code, with regards to the requirement that applicants submit scores on the national licensing exam taken no longer than 7 years prior to application.

The Board's Order, filed on May 20, 2013, denied issuing a variance or waiver in response to this petition because petitioner has not demonstrated a unique hardship or extenuating circumstances, and the petition fails to demonstrate how the underlying purpose of the statute would be met or how application of the rule would violate principles of fairness.

A copy of the Order may be obtained by contacting: William Miller, Executive Director, Board of Optometry, 4052 Bald Cypress Way, Bin #C07, Tallahassee, Florida 32399-3257.

DEPARTMENT OF HEALTH

Board of Optometry

RULE NO.: RULE TITLE:

64B13-5.002 Criteria for Approval

NOTICE IS HEREBY GIVEN THAT the Board of Optometry has issued a Notice of Intent to Approve the Petition for Waiver or Variance filed on March 1, 2012, by Helen Viksnins, O.D., American Academy of Optometry. The Notice of Petition for Variance or Waiver was published in Vol. 38, No. 11, of the March 16, 2012, Florida Administrative Register. The Petitioner sought a variance or waiver of paragraph 64B13-5.002(3)(c), Florida Administrative Code, with regards to the requirement that providers of transcript quality continuing education obtain Board approval prior to the administration of the course.

The Board's Order, filed on April 19, 2012, grants the Petition for Variance or Waiver by the American Academy of Optometry, and the course "Anterior Segment Grand Rounds" presented on October 13, 2011 is approved for transcript quality continuing education.

A copy of the Order may be obtained by contacting: William Miller, Executive Director, Board of Optometry, 4052 Bald Cypress Way, Bin #C07, Tallahassee, Florida 32399-3257.

DEPARTMENT OF HEALTH

Board of Optometry

RULE NO.: RULE TITLE:

64B13-5.003 Exemption of Spouse of Member of Armed Forces from License Renewal Requirements

NOTICE IS HEREBY GIVEN THAT the Board of Optometry has issued an Order Granting the Petition for Variance or Waiver filed on October 12, 2012, by Tammy Than, MS, OD, FAAO, University of Alabama, School of Optometry. The Notice of Petition for Variance or Waiver was published in

Vol. 38, No. 51, of the October 16, 2012, Florida Administrative Register. The Petitioner sought a one-time Variance or Waiver of paragraph 64B13-5.002(3)(c), Florida Administrative Code in regards to the requirement that a transcript-quality continuing education program be approved by the Board of Optometry as transcript-quality coursework prior to the time the course was taken. This one time waiver/variance is requested for the three courses "Expert consensus in the Management of Ocular Surface Disease: What the New Guidelines Mean to Your Practice," "New Advances in the Management of Viral Eye Disease," and "Corneal Conundrums", taught by Paul Karpecki which were offered by Petitioner on August 3-5, 2012. The Board considered the Petition at a duly-noticed public meeting held on November 6, 2012.

The Board's Order, filed on November 20, 2012, grants the Variance or Waiver. The Board determined that the Petition for Variance or Waiver should be approved because Petitioner meets the purpose of the underlying statute, has otherwise shown a financial hardship to those who have already taken the courses, and that application of the rule at issue would violate principles of fairness as defined by Section 120.542, Florida Statutes and Chapter 28-104, Florida Administrative Code.

A copy of the Order may be obtained by contacting: William Miller, Executive Director, Board of Optometry, 4052 Bald Cypress Way, Bin #C07, Tallahassee, Florida 32399-3257.

Board of Optometry

RULE NO.: RULE TITLE:

64B13-4.001 Examination Requirements

NOTICE IS HEREBY GIVEN THAT the Board of Optometry has issued a Notice of Intent to Deny the Petition for Variance filed on June 19, 2012, by Michael J. Giese, O.D. The Notice of Petition for Variance or Waiver was published in Vol. 38, No. 26, of the June 29, 2012, Florida Administrative Register. The Petitioner, an out of state optometrist who holds a teaching certificate in Florida, has applied for an optometrist license, and for the reasons stated in the petition seeks a variance or waiver of Rule 64B13-4.001, Florida Administrative Code, with regards to the requirement that applicants submit scores on the national licensing exam taken no longer than 7 years prior to application. The Board considered the Petition at a duly-noticed public meeting held on July 11, 2012.

The Board's Order, filed on July 31, 2012, denies issuing a variance or waiver in response to this petition because no provision exists within Rule 64B13-4.001, F.A.C., allowing conversion from a teaching certificate to a certified optometrist license from which a variance can be granted. In

addition, Rule 64B13-14.001, F.A.C. further defines Section 463.006, Florida Statutes, which requires an applicant for licensure to take and pass an examination prior to issuance of a license. The Board does not have authority to waive provisions of statute.

A copy of the Order may be obtained by contacting: William Miller, Executive Director, Board of Optometry, 4052 Bald Cypress Way, Bin #C07, Tallahassee, Florida 32399-3257.
