RULE NO.: 20ER17-1  
 RULE TITLE: Grapefruit Maturity Standards - Processed  
 SPECIFIC REASONS FOR FINDING AN IMMEDIATE  
 DANGER TO THE PUBLIC HEALTH, SAFETY OR  
 WELFARE: Section 120.54(4)(b), Florida Statutes, states that  
 those rules pertaining to perishable agricultural commodities  
 shall be included in the definition of rules relating to the  
 public health, safety, or welfare.

Due to the continuing effects of Huanglongbing (“HLB” or  
 “Greening”) disease a significant amount of the Florida  
 grapefruit crop will have a minimum ratio of solids to citric  
 acid below the eight to one minimum established in rule  
 during the early 2016-2017 season. The current rule will harm  
 growers financially due to the inability to sell the fruit as  
 ‘grove to facility’ fruit, which sells at a higher price. In  
 addition, citrus growers with young trees will be unable to  
 pick the fruit during the next 28 days, resulting in the inability  
 to begin HLB therapies on the trees earlier in the season.

After taking testimony and discussing the matter at a  
 telephonic meeting and hearing in Bartow, Florida on January  
 4, 2017, the Florida Citrus Commission found that there exists  
 an unusual circumstance causing a substantial portion of the  
 grapefruit crop to fail maturity requirements, resulting in  
 detrimental harm to an industry already in financial crisis.  
 They voted unanimously to adopt Emergency Rule 20ER17-1,  
 lowering the minimum ratio of total soluble solids to  
 anhydrous citric acid requirement for grapefruit for processing  
 from January 5, 2017 through January 31, 2017.

REASON FOR CONCLUDING THAT THE PROCEDURE  
 IS FAIR UNDER THE CIRCUMSTANCES: Adequate notice  
 procedures were used by the Department of Citrus to inform  
 the public and the Florida citrus industry of the pending  
 adoption of Emergency Rule 20ER17-1 adjusting the  
 minimum ratio of total soluble solids to anhydrous citric acid  
 requirement for grapefruit for processing, in that notice was  
 made via email on January 3, 2017 of the emergency  
 rulemaking to take place at the January 4, 2017 meeting to  
 members of the Florida Citrus Commission, all industry  
 organizations, the Florida Press Corps and other interested  
 persons.

SUMMARY: Emergency rule 20ER17-1 lowers the minimum  
 ratio of total soluble solids to anhydrous citric acid  
 requirement for grapefruit for processing for the period  
 beginning January 4, 2017 through January 31, 2017, assuring  
 good and safe food does not go to waste and the industry is not  
 harmed financially.

THE PERSON TO BE CONTACTED REGARDING THE  
 EMERGENCY RULE IS: Alice P. Wiggins, Legal Assistant,  
 Florida Department of Citrus, P O Box 9010, Bartow, Florida

THE FULL TEXT OF THE EMERGENCY RULE IS:

20ER17-1 Grapefruit Maturity Standards - Processed  
 For the period beginning at 12:00 a.m. on January 5, 2017 and  
shall remain in effect until 11:59 p.m. January 31, 2017, the  
minimum ratio of total soluble solids to anhydrous citric acid  
shall be not less than seven to one on both seedy and seedless  
grapefruit.

DEPARTMENT OF LAW ENFORCEMENT  
 Criminal Justice Standards and Training Commission

RULE NO.: 11B-35.006

RULE TITLE: Advanced Training Program.

NOTICE IS HEREBY GIVEN that on December 21, 2016,  
 the Criminal Justice Standards and Training Commission  
 received a petition for a permanent waiver of paragraph 11B-  
 35.006(1)(b), F.A.C., from Director Jay Romine, Chairman of  
 the Training Center Directors Association, on behalf of the

named officers who completed specified retired or reclassified Advanced courses with starting dates between September 4 and October 28, 2016. Petitioner wishes to permanently waive that portion of the Rule that states: (1) Commission-approved Advanced Training Program Courses were created to enhance an officer’s knowledge, skills, and abilities for the job the officer performs and are used by an officer to satisfy mandatory retraining requirements or eligibility for salary incentive monies pursuant to Rule Chapter 11B-14, F.A.C. (b) The following is a complete list of active Advanced Training Program Courses: [list omitted]. Petitioner states that in May of 2014, the Criminal Justice Standards and Training Commission (“CJSTC”) approved changes recommended by its staff as a result of a Post- Basic Training Needs Assessment begun in April of 2013. On November 5, 2015, the CJSTC approved a plan to implement the changes, including a revision to the Florida Administrative Code that would retire eleven Advanced courses and reclassify three courses, effective September 4, 2016. CJSTC staff received notice of the Rule change on September 12, 2016, but did not immediately remove the retired and reclassified courses from the Automated Training Management System. As a result of the delay, training centers began offering, and officers successfully completed, the retired and reclassified courses, unaware that they were no longer active. Petitioner asserts that the officers who completed forty hours of Advanced training, which included the retired and reclassified courses with starting dates between September 4 and October 28, 2016, would suffer a severe hardship should the waiver not be granted, as these officers would, through no fault of their own, be ineligible for Salary Incentive Program credit and would be unable to submit these courses for consideration for future job assignments and career advancement opportunities. A copy of the Petition for Variance or Waiver may be obtained by contacting: Tina Culbertson at Florida Department of Law Enforcement, Criminal Justice Professionalism Division, P.O. Box 1489, Tallahassee, FL 32302 or by Telephone at (850)410-8647.

**DEPARTMENT OF BUSINESS AND PROFESSIONAL REGULATION**

Division of Hotels and Restaurants

RULE NO.: RULE TITLE:

61C-1.004 General Sanitation and Safety Requirements

The Florida Department of Business and Professional Regulation, Division of Hotels and Restaurants hereby gives notice:

On December 14, 2016 the Division of Hotels and Restaurants received a Petition for a Routine Variance for paragraph 61C-1.004(1)(a), Florida Administrative Code, and Paragraph 5-202.11(A), 2009 FDA Food Code from Eastpointe Country

Club, Inc. located in Palm Beach Gardens. The above referenced F.A.C. addresses the requirement that each establishment have an approved plumbing system installed to transport potable water and wastewater. They are requesting to utilize holding tanks to provide potable water and to collect wastewater at the three compartment sink and at the handwash sink.

The Petition for this variance was published in Vol. 42, No. 243, F.A.R., on December 16, 2016. The Order for this Petition was signed and approved on January 5, 2017. After a complete review of the variance request, the Division finds that the application of this Rule will create a financial hardship to the food service establishment. Furthermore, the Division finds that the Petitioner meets the burden of demonstrating that the underlying statute has been achieved by the Petitioner ensuring the wastewater holding tank for the handwash and three-compartment sinks is emptied at a frequency as to not create a sanitary nuisance; and potable water provided must come from an approved source and be protected from contamination during handling. The Petitioner shall also ensure that the handwash and three-compartment sinks are provided with hot and cold running water under pressure; the handwash sink is provided with soap, an approved hand drying device and a handwashing sign.

A copy of the Order or additional information may be obtained by contacting: Daisy.Aleman@myfloridalicense.com, Division of Hotels and Restaurants, 2601 Blair Stone Road, Tallahassee, Florida 32399-1011.

Regarding Declaratory Statements**

**DEPARTMENT OF BUSINESS AND PROFESSIONAL REGULATION**

Construction Industry Licensing Board

NOTICE IS HEREBY GIVEN that Construction Industry Licensing Board has received the petition for declaratory statement from Roger D. Casey on behalf of Casey Electric Inc., on November 14, 2016. The petition seeks the agency’s opinion as to the applicability of Section 489.105(3)(i), F.S., as it applies to the petitioner.

Petitioner seeks to know if a CMC licensee is authorized to perform gas piping to equipment or appliances to the exterior of a building as well as inside. Except for good cause shown, motions for leave to intervene must be filed within 21 days after publication of this notice.

A copy of the Petition for Declaratory Statement may be obtained by contacting: Daniel Biggins, Executive Director, Construction Industry Licensing Board, 2601 Blair Stone Road, Tallahassee, FL 32399-1039, (850)487-1395, Donald.Shaw@myfloridalicense.com.

**DEPARTMENT OF FINANCIAL SERVICES**

Finance

NOTICE IS HEREBY GIVEN that the Office of Financial Regulation has received the petition for declaratory statement from Global Fidelity LLC. The petition seeks the agency’s opinion as to the applicability of Chapter 560, Florida Statutes, as it applies to the petitioner.

Global Fidelity LLC is considering providing services under contract to two foreign companies. These two foreign companies (the “Foreign Entities”) market services to military and government personnel based overseas; such services facilitate payments from the personnel’s US bank accounts to foreign vendors/merchants. For example, if a military officer rents an apartment or purchases a car overseas, the service

provided by the Foreign Entities would facilitate their overseas car payments, rent payments, cable, etc. While the Foreign Entities market payment services to personnel in Europe and Asia. Petitioner's only customers would be the two Foreign Entities. Petitioner would serve an administrative function in the U.S. for such Foreign Entities and would not offer, market or sell services to any other persons, nor would it interact directly with any consumer. The petitioner is seeking a declaratory statement on whether Petitioner's proposed activities as an administrative service provider for the Foreign Entities would require licensing.

A copy of the Petition for Declaratory Statement may be obtained by contacting: Agency Clerk, Office of Financial Regulation, P.O. Box 8050, Tallahassee, Florida 32314-8050, (850)410-9889, Agency.Clerk@flofr.com.

Please refer all comments to: Agency Clerk, Office of Financial Regulation, P.O. Box 8050, Tallahassee, Florida 32314-8050, (850)410-9889, Agency.Clerk@flofr.com.
