WATER MANAGEMENT DISTRICTS

South Florida Water Management District

RULE NOS.:	RULE TITLES:
40E-10.041	Water Reservation Areas: Lower West Coast Planning Area
40E-10.051	Water Reservation Areas: Upper East Coast Planning Area
40E-10.061	Water Reservation Areas: Lower East Coast Planning Area

PURPOSE AND EFFECT: During the rulemaking effort to reserve water for the Caloosahatchee River (C-43) West Basin Storage Reservoir Project (C-43 Reservoir), the District included language stating: “all presently existing legal uses of water shall be protected so long as such use is not contrary to the public interest.” The inclusion of this language was challenged in DOAH Case No. 14-1329RP. The administrative law judge determined the language was invalid, stating that “[e]xisting legal uses are presumed not contrary to the public interest unless and until the District determines otherwise.” Language similar to that found invalid in C-43 Reservoir reservation case exists in the water reservations for Picayune Strand, Fakahatchee Estuary, North Fork of the St.

Lucie River, and Nearshore Central Biscayne Bay, in subsections 40E-10.041(1) and (2), 40E-10.051, and 40E-10.061(2), F.A.C., respectively.

SUMMARY: The language "all presently existing legal uses of water shall be protected so long as such use is not contrary to the public interest" will be deleted in the text for the following water reservations: 1) Picayune Strand; 2) Fakahatchee Estuary; 3) North Fork of the St. Lucie River; and 4) Nearshore Central Biscayne Bay.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: The District has completed for the Governor’s Office of Fiscal Accountability and Regulatory Reform (OFARR) the “Is a SERC Required?” form, which is available upon request. Based on the completed “Is a SERC Required?” form, the proposed rule amendments are not expected to require legislative ratification pursuant to subsection 120.541(3), F.S. Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

Division of Community Development

Final Order No. DEO-17-001

In re: A LAND DEVELOPMENT REGULATION

ADOPTED BY MONROE COUNTY, FLORIDA,
ORDINANCE NO. 030-2016

FINAL ORDER

APPROVING MONROE COUNTY ORDINANCE NO. 030-2016

The Department of Economic Opportunity (“Department”) hereby issues its Final Order, pursuant to sections 380.05(6) and 380.0552(9), Florida Statutes, approving land development regulations adopted by Monroe County, Florida, Ordinance No. 030-2016 (the “Ordinance”).

FINDINGS OF FACT

1. The Florida Keys Area is designated by section 380.0552, Florida Statutes, as an area of critical state concern. Monroe County is a local government within the Florida Keys Area.

2. The Ordinance was adopted by Monroe County on November 22, 2016, and rendered to the Department on December 16, 2016.

3. The Ordinance amends the Monroe County Land Development Code (“Code”) by returning the definition of aggregation at section 130-165 to the language adopted by Monroe County prior to Ordinance 006-2016 being adopted.

CONCLUSIONS OF LAW

4. The Department is required to approve or reject land development regulations that are adopted by any local government in an area of critical state concern. Sections 380.05(6), and 380.0552(9), Florida Statutes.

5. “Land development regulations” include local zoning, subdivision, building, and other regulations controlling the development of land. Section 380.031(8), Florida Statutes. The regulations adopted by the Ordinance are land development regulations.

6. The Ordinance is consistent with the Monroe County Comprehensive Plan generally, and specifically, General Policy 2, as required by section 163.3177(1), Florida Statutes.

7. All land development regulations enacted, amended, or rescinded within an area of critical state concern must be consistent with the principles for guiding development for that area. Sections 380.05(6) and 380.0552(9), Florida Statutes. The Principles for Guiding Development for the Florida Keys Area of Critical State Concern are set forth in section 380.0552(7), Florida Statutes.

8. The Ordinance is consistent with the Principles for Guiding Development as a whole, and specifically furthers section 380.0552(7)(a), Florida Statutes, which requires “strengthening local government capabilities for managing land use and development so that local government is able to achieve these objectives without continuing the area of critical state concern designation.”

WHEREFORE, IT IS ORDERED that the Department finds that Monroe County Ordinance No. 030-2016 is consistent with the Monroe County Comprehensive Plan and Principles for Guiding Development for the Florida Keys Area of Critical State Concern and is hereby APPROVED.

This Order becomes effective 21 days after publication in the Florida Administrative Register unless a petition is timely filed as described in the Notice of Administrative Rights below.

DONE AND ORDERED in Tallahassee, Florida.
