73C-42.011	Filing the Application for Development Designation
73C-42.023	Florida Quality Development Orders
73C-42.024	Substantial Change

PURPOSE AND EFFECT: Chapter 380, Florida Statutes, provides for land and water management policies to guide responsible planning, growth, and development within the State of Florida that will be protective of natural resources and the environment and creates the Florida Quality Developments program. The Department seeks to combine Rules 73C-42.010 and .011, Fla. Admin. Code (F.A.C.), as both set forth procedures and practices for developers related to filing applications for development designation. The form for making application which is set forth in Rule 73C-42.006, F.A.C., is proposed to be moved into the text of the amended rule and this rule repealed.

To streamline and clarify for developers, the Department seeks to combine Rules 73C-42.023 and .024, F.A.C., as both rules address development orders issued by the Department.

SUMMARY: The proposed changes to Rules 73C-42.010 and .011, F.A.C., address applications for development designation. The proposed changes to Rules 73C-42.023 and .024, F.A.C., address development orders issued by the Department.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: The agency has previously performed a review of the statutory requirements and determined that Rules 73C-42.006, .010, .011, .023, and .024, F.A.C., have no adverse impact or regulatory costs which exceed any of the criteria established in Section 120.541(2)(a), Florida Statutes. Specifically, the amended rules will contain the text of the repealed rules such that there is no change impacting regulatory costs. These rules are therefore expected be able to take effect without the need of being ratified by the Legislature.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

An FQD development order shall:

(a) through (d) No change.

(2) Without an effective Chapter 380, F.S., FQD development order, the developer shall not have authorization to commence development on any portion of the development covered by the application for development designation unless the developer has entered into a preliminary development agreement with the Department of Economic Opportunity pursuant to Section 380.06(8), F.S., ~~and Rule 73C 42.007, F.A.C.~~

(3) No change.

(4) Requirements for an FQD development order:

4. Contain the signature of the Executive Director Secretary of the Department or his or her designee and shall be certified by the agency clerk as being a complete and accurate copy of the development order.

(b) No change.

(5) Complete copies of any development orders issued pursuant to Section 380.061, F.S., including any amendments to a previously issued development order, shall be transmitted by the ~~Secretary of the~~ Department to the local government with jurisdiction, to the appropriate regional planning council, and to the owner or developer of the property subject to such order within 30 days of ~~the Secretary's~~ issuance. A development order shall take effect upon transmittal to the above parties unless a later effective date is specified in the order. The effectiveness of a development order shall be stayed by the filing of a notice of appeal pursuant to Section 380.07(5) 380.061(7)(b), F.S.

(6) The development order shall specify the requirements for an annual report. The annual report shall be submitted by the developer to the Department, the regional planning agency, the local government, and any other entity so identified in the development order, on Department of Economic Opportunity form Number DEO-BCP-BIENNIAL REPORT-1, Biennial Status Report, effective 6-1-03 (revised 10-1-11), which is incorporated herein by reference and available without cost from the Department by making a written request to: Division of Community Development, 107 East Madison Street, MSC 160, Caldwell Building, Tallahassee, FL 32399, the form specified by the Department of Economic Opportunity. Every development order shall require the annual report to include the following:

(f) No change.

(7) No change.

(8) Any proposed change to a previously designated FQD which creates a reasonable likelihood of any additional regional impacts not previously reviewed by the Department, the local government and the regional planning council or a change involving any of the FQD designation criteria pursuant to the provisions of Section 380.061(3), F.S., shall constitute a substantial change and shall cause the development to be subject to further FQD review.

(9)(a) Whenever the developer of a designated FQD proposes a change in its plan of development or to conditions of the FQD development order, it shall submit its proposed change to the Department, the local government, and the regional planning council. Within 30 days of receipt of the proposed change, the Department shall notify the developer whether or not the change is a substantial change and, if the change is determined to be nonsubstantial, whether a modification of the FQD development order is needed.

(b) If the Department and the local government, in consultation with the regional planning council, determine that the proposed change is not a substantial change and does not require a modification of the development order, the developer may proceed with the change, subject to applicable regulatory requirements.

(c) If the Department and the local government, in consultation with the regional planning council, determine that the proposed change is not a substantial change, but may require a modification of the development order, the Department shall, subject to the approval of the local government modify the development order within 60 days of

the receipt of the proposed change to the Department or shall notify the developer in writing that it will not modify the development order.

(d) If the Department or the local government, in consultation with the regional planning council, determines that the proposed change is a substantial change, the change shall require the review and approval of the reviewing entities prior to commencing such development activity. This review and approval shall follow the procedures and timetables used for the designation of a development as an FQD as set forth in Section 380.061, F.S., and Rule 73C-42.011, F.A.C., with such review commencing on the date the decision is made that a proposed change needs to undergo further FQD review. Following approval of a substantial change by the reviewing entities, the Department shall modify the development order to incorporate that approved substantial change.

(e) If the Department or the local government, in consultation with the regional planning council, determines that the developer has made or is making an alteration to the plan of development which they believe may be a change, they shall require the developer to submit information on that alteration for review under this rule section.

(f) Prior to the determination by the Department and the local government, in consultation with the regional planning council, of whether a proposed change is a substantial change, whether the proposed change requires an amendment of the FQD development order, or whether the agencies approve of the change under provisions of subsection (9) within this rule section, the developer may not proceed with such development.

(10) A "substantial change" shall mean either:

(a) Any deviation in the carrying out of a condition, commitment, or agreement set forth and recited in the FQD development order which so alters the condition, commitment, or agreement that it can be fairly said to change the intent or result of the condition, commitment, or agreement.

(b) Other similar deviations in the construction of the Development or the alignment of roads which alter significantly the commitments or agreements of the developer or which represent a significant departure from the plan of development or the conditions of the FQD development order.

(c) Any proposed change that meets or exceeds 150 percent of the criteria specified in Section 380.06(19)(b), F.S., shall be presumed to be a substantial change. However, the developer may rebut this presumption by demonstrating that the proposed change is not substantial under the criteria pursuant to paragraphs (10)(a) and (10)(b) of this rule.

(d) Any proposed change that meets or is less than 200 percent of the criteria in Section 380.06(19)(b)9., F.S., shall be presumed not to be a substantial change; provided that the change involves the addition of residential units and that the

developer guarantees that 25 percent of the units will be affordable to very low- or low-income households.

(11) A “substantial change” shall not include proposed alterations that do not affect the plan of development or the conditions or commitments expressed in the FQD development order. “Substantial change” shall not include such modifications as the following:

(a) Architectural or landscape architectural changes necessitated by the soil, topography, or other onsite conditions;

(b) Reduction of the amount of impervious surface area; and,

(c) Reduction in open space due to governmental requirements for transportation improvements.

(12) The amended development order will be submitted to the local government and the regional planning council pursuant to subsection (5) of this rule.

(13) Development within a previously approved FQD may continue, as approved, during the review of a substantial change as decided under paragraph (9)(d) of this rule. Also, those portions of the FQD which are not affected by the proposed substantial change may continue to be developed.

DEPARTMENT OF BUSINESS AND PROFESSIONAL REGULATION

Florida Real Estate Commission

The Florida Real Estate Commission hereby gives notice of the issuance of an Order regarding the Petition for Declaratory Statement, filed on November 8, 2016, by Robert Borr. The Notice of Petition for Declaratory Statement was published in Vol. 42, No. 221, of the November 14, 2016 Florida Administrative Register. The Commission considered the Petition at a duly-noticed public meeting on December 13, 2016. The Petitioner sought the Commission’s interpretation of Section 475.01(1)(a), F.S., and further sought an opinion on whether a “wholesale buyer”, as described in his petition, falls under the definition of a “broker” provided in said Section.

The Commission denies the petition because: Rule 28-105.001, F.A.C., provides that a declaratory statement is not the appropriate means for determining the conduct of another person.

A copy of the Commission’s Order may be obtained by contacting: Lori Crawford, Executive Director, Division of Real Estate, 400 West Robinson Street, Suite N801, Orlando, Florida 32801.

The Petitioner sought the Commission’s interpretation of Section 475.01(a), F.S., and further sought an opinion on whether the activities outlined in the petition require one to have an active Florida broker or sales associate license. The Commission declines to answer the petition for declaratory statement.

A copy of the Order Declining of the Petition for Declaratory Statement may be obtained by contacting: Lori Crawford, Executive Director, Division of Real Estate, 400 West Robinson Street, Suite N801, Orlando, Florida 32801.

NOTICE IS HEREBY GIVEN that The Florida Real Estate Commission has issued an order disposing of the petition for declaratory statement filed by the St. Petersburg Housing

Authority on November 7, 2016. The following is a summary of the agency’s disposition of the petition:

The Notice of Petition for Declaratory Statement was published in Vol. 42, No. 221, of the November 14, 2016 Florida Administrative Register. The Petitioner sought the Commission’s interpretation of Section 475.011(2), F.S., and further sought an opinion on whether they qualify for an exemption under said Section, for the leasing and management of Jordan Park Apartments, a public housing and low income Tax Credit property. The Commission grants the petition for declaratory statement, finding that under the facts and circumstances outlined by the Petitioner in its request for a declaratory statement, the Petitioner qualifies for the exemption set forth in Section 475.011(2), F.S.

A copy of the Order Disposing of the Petition for Declaratory Statement may be obtained by contacting: Lori Crawford, Executive Director, Division of Real Estate, 400 West Robinson Street, Suite N801, Orlando, Florida 32801.

DEPARTMENT OF FINANCIAL SERVICES

Finance

NOTICE IS HEREBY GIVEN that The Florida Office of Financial Regulation has received the petition for declaratory statement from Opencambio.com LLC. The petition seeks the agency’s opinion as to the applicability of Chapter 560, Florida Statutes as it applies to the petitioner.

Opencambio.com LLC is a software and technology provider that would offer Florida residents and foreigners located in other countries a check “converting” service and foreign currency exchange. The Petitioner’s technology eliminates the use of physical currency, i.e., bills or coins. The services involve exchanging checks or foreign currency for Debit Cards with a unique PIN containing the balance of the transaction minus the commission agreed. The Debit Cards do not have ATM privileges, as per the issuer bank. So physical money would never be obtained or delivered out of the services provided by the Petitioner. The petition seeks a declaratory statement from the Office on whether a money services business license pursuant to Chapter 560, Florida Statutes would be required.

A copy of the Petition for Declaratory Statement may be obtained by contacting: Agency Clerk, Office of Financial Regulation, P.O. Box 8050, Tallahassee, Florida 32314-8050, (850)410-9784, Agency.Clerk@flofr.com.
