RULE NO.: 64B9-3.002 **RULE TITLE:** Qualifications for Examination

PURPOSE AND EFFECT: The amendment will bring the rule into compliance with the nurse licensure compact, 464.0095 F.S.

SUMMARY: Bring rule into compliance

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: During discussion of the economic impact of this rule at its Board meeting, the Board, based upon the expertise and experience of its members and the substance of the rule amendment, determined that a Statement of Estimated Regulatory Costs (SERC) was not necessary because the rule does not impose additional rights, obligations, or duties on any persons or businesses, and that the rule will not require ratification by the Legislature. No person or interested party submitted additional information regarding the economic impact at that time.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

RULE NO.: RULE TITLE:
11B-30.008 State Officer Certification Examination Site Administration

NOTICE IS HEREBY GIVEN that on November 3, 2017, the Florida Department of Law Enforcement received a petition for a permanent waiver of Rule 11B-30.008(1), F.A.C., from Kevin W. Nash.

Petitioner wishes to waive that portion of the Rule that states, in pertinent part: Administration of the Computer-Based State Officer Certification Examination (CB-SOCE) shall be limited to test sites authorized by the Commission and located within the State of Florida. In justification of his petition for waiver, Petitioner asserts that on June 21, 2017 he completed and passed Basic Law Enforcement Training at the North East Criminal Justice Training Center Region 5. Petitioner further asserts that he then logged onto the Pearson Vue Testing Facility website and registered for the State Officer Certification Exam. He was provided the option for a SOCE testing site in Savannah Georgia which he selected and

subsequently passed the SOCE at that location on June 27, 2017. During this time the Petitioner applied for a position with the Jacksonville Sheriff’s Office. On July 21, 2017 the JSO researched the Petitioner’s ATMS global profile which showed that petitioner had taken and passed the SOCE. On September 18, 1027, Petitioner obtained employment with the Jacksonville Sheriff’s Office as a certified police officer. On October 6, 2017 Petitioner received notice that he was ineligible for a position as a certified police officer because he had taken the SOCE out of state. Petitioner alleges that, should the waiver not be granted, Petitioner will suffer a substantial hardship as he would be unable to continue to work in the law enforcement officer position for which he was trained and hired until he sits for and passes a Florida SOCE administered within the State of Florida. A copy of the Petition for Variance or Waiver may be obtained by contacting: Dana Kelly, Agency Clerk, Florida Department of Law Enforcement, P.O. Box 1489, Tallahassee, FL 32302 or by Telephone at (850)410-7676.

DEPARTMENT OF ECONOMIC OPPORTUNITY

Division of Workforce Services

Final Order No. DEO-17-152

IN RE:

EMERGENCY FINAL ORDER

RELATING TO ONE WEEK WAITING

PERIOD FOR UNEMPLOYED

INDIVIDUALS ELIGIBLE TO RECEIVE

BENEFITS UNDER CHAPTER 443,

FLORIDA STATUTES, IN RESPONSE

TO HURRICANE IRMA
EMERGENCY FINAL ORDER

Pursuant to sections 120.569(2)(n), 252.36, and 252.46, Florida Statutes, and upon consideration of the State of Florida Executive Order No. 17-235 and the following findings of fact, the State of Florida Department of Economic Opportunity (Department) enters this Emergency Final Order (Order), including Findings of Fact and Conclusions of Law, in response to the imminent or immediate danger to the public health, safety, and welfare of the citizens of the State of Florida posed by Hurricane Irma (hereinafter “the Hurricane”).

FINDINGS OF FACT

1. On September 4, 2017, by State of Florida Executive Order No. 17-235 (“Executive Order 17-235”), the Governor declared that a state of emergency exists throughout the State of Florida based upon the serious threat to the public health, safety, and welfare posed by the Hurricane. On November 2, 2017, the Governor issued Executive Order No. 17-287 (“Executive Order 17-287”), which extends Executive Order 17-235 for 60 days following the issuance of Executive Order No. 17-287.

2. The Department has the ultimate authority over the administration of Florida’s Reemployment Assistance (RA) Program pursuant to sections 20.60(5)(c)(3) and 443.1317(1)(a), Florida Statutes, and Chapters 73B-10 and 73B-11, Florida Administrative Code.

3. On September 14, 2017, the Department publicly announced that Disaster Unemployment Assistance (DUA) was available to Florida businesses and residents whose employment or self-employment was lost or interrupted as a direct result of the Hurricane.

4. DUA Straight is available to individuals whose employment or self-employment was lost or interrupted as a direct result of the Hurricane. This benefit covers individuals who would not typically be eligible for regular RA benefits.

5. DUA Related is for individuals who are eligible for regular RA benefits, pursuant to Chapter 443, Florida Statutes, but whose employment was lost or interrupted as a direct result of the Hurricane. The one week waiting period requirement pursuant to section 443.091(1)(f), Florida Statutes, applies to DUA Related claims.

6. Executive Order 17-235, recognizes that special duties and responsibilities rest upon some State, regional, and local agencies and other governmental bodies in responding to the emergency may require waiver or deviation from the statutes, rules, ordinances, and orders those agencies and governmental bodies administer. Pursuant to Executive Order 17-235, the Department, as a State agency, may suspend the provisions of any regulatory statute prescribing the procedures for conduct of state business or the orders or rules of the Department, if strict compliance with the provisions of any such

statute, order, or rule would in any way prevent, hinder, or delay necessary action in coping with the effects of the Hurricane.

7. The Department finds that the Hurricane creates a state of emergency threatening the public health, safety, and welfare throughout the State. As a result of the emergency and for the administration of DUA, it is necessary to immediately waive the one week waiting period requirement pursuant to section 443.091(1)(f), Florida Statutes, for DUA Related claims.

8. The Department finds that immediate, strict compliance with section 443.091(1)(f), Florida Statutes, for DUA Related claims would prevent, hinder, or delay necessary action in coping with the emergency, and the actions authorized under this Order are narrowly tailored to address the immediate need for action and are procedurally appropriate under the circumstances.

DUA Straight is eligible to individuals who would not typically be eligible for regular RA benefits (i.e., individuals who are self-employed or someone who was getting ready to start a job but was unable to because of the Hurricane). The one week waiting period requirement pursuant to section 443.091(1)(f), Florida Statutes, does not apply to DUA Straight.

To be eligible for DUA Related, an individual must meet the eligibility requirements listed in section 443.091, Florida Statutes, which requires an individual to have been unemployed for a waiting period of one week. See section 443.091(1)(f), Florida Statutes.

CONCLUSIONS OF LAW

1. Based on the findings recited above, it is hereby concluded that the emergency caused by the Hurricane poses an immediate danger to the public health, safety, or welfare and requires an immediate order of the Department.

2. Pursuant to Executive Order 17-235, as amended by Executive Order 17-287, and sections 120.569(2)(n), 252.36, and 252.46, Florida Statutes, the Executive Director, or designee, of the Department is authorized to issue this Emergency Final Order.

3. The waiver of section 443.091(1)(f), Florida Statutes, for DUA Related claims is required so as not to prevent, hinder, or delay necessary action in coping with the emergency.

THEREFORE, IT IS ORDERED that the one week waiting period requirement pursuant to section 443.091(1)(f), Florida Statutes, is hereby waived for DUA Related claims. This Emergency Final Order shall take effect immediately upon execution by the Executive Director, or designee, and shall expire on November 14, 2017, unless modified or extended by further order.

DONE AND ORDERED on this 3rd day of November, 2017, in Tallahassee, Florida.
