DEPARTMENT OF LAW ENFORCEMENT

Division of Local Law Enforcement Assistance

RULE NO.: RULE TITLE:

11D-8.014 Blood Alcohol Permit - Analyst: Renewal

NOTICE IS HEREBY GIVEN that on February 10, 2017, the Florida Department of Law Enforcement, received a petition for a temporary waiver of Rule 11D-8.014 F.A.C., from Shibaughan Ramsey. Petitioner wishes to temporarily waive that portion of the Rule that states: "(1) Permits to conduct blood alcohol analyses shall remain valid until otherwise suspended or revoked by the Department. In order to remain qualified for such permit, an analyst must satisfactorily determine the blood alcohol level of at least 2 proficiency samples provided by the Department semiannually..." Blood Alcohol Proficiency Cycles are currently scheduled by the Florida Department of Law Enforcement in April and September of 2017. Petitioner states that Petitioner is a blood alcohol analyst holding a current permit issued by the Florida Department of Law Enforcement; however, Petitioner is presently on leave under the Family Medical Leave Act until April of 2017. As a result of her leave of absence, Petitioner is not performing any blood alcohol analyses and therefore will be unable to participate in FDLE Blood Alcohol Proficiency Cycle 17C1, samples for which are mailed on April 3, 2017, and are due to the FDLE Alcohol Testing Program on April 28, 2017. Petitioner asserts that she would suffer a substantial hardship should the waiver not be granted, as she would be

unable to work until she satisfactorily participated in the next Blood Alcohol Permit Proficiency Cycle, samples for which are mailed on September 18, 2017, and are due to the FDLE Alcohol Testing Program on October 13, 2017. Petitioner further asserts that the purpose of the underlying statute would be achieved by the granting of the waiver as her certification is current for the present proficiency cycle, she will participate in all subsequent FDLE Blood Alcohol Proficiency Cycles following her return to work, and she will undergo routine, frequent proficiency testing by the College of American Pathologists throughout the year.

A copy of the Petition for Variance or Waiver may be obtained by contacting: Caitlin R. Mawn, Assistant General Counsel, at Florida Department of Law Enforcement, Office of the General Counsel, P.O. Box 1489, Tallahassee, FL 32302 or at (850)410-7676.

Notice of Petitions and Dispositions  
Regarding Declaratory Statements**

**DEPARTMENT OF AGRICULTURE AND CONSUMER SERVICES**

Division of Licensing

NOTICE IS HEREBY GIVEN that the Department of Agriculture and Consumer Services, Division of Licensing, has declined to rule on the petition for declaratory statement filed by Eduardo Wolmers on December 6, 2016. The following is a summary of the agency's declination of the petition:

Notice of the Petition for Declaratory Statement was published on December 12, 2016, in the Florida Administrative Register in Vol. 42, No. 239. The petition seeks a declaration from the Department regarding a company he intends to register with the Department of State. Petitioner asked three questions. The Department declined to respond because the petition lacked sufficient particularity to allow the Department to render a decision.

A copy of the Order Declining of the Petition for Declaratory Statement may be obtained by contacting: John Roberts, Government Analyst I, Department of Agriculture and Consumer Services, Division of Licensing, P.O. Box 5708, Tallahassee, Florida 32314, (850)245-5459, John.Roberts@FreshFromFlorida.com.

**DEPARTMENT OF FINANCIAL SERVICES**

Finance

NOTICE IS HEREBY GIVEN that The Office of Financial Regulation has issued an order disposing of the petition for declaratory statement filed by Grupo Regalii, Inc. on

December 1, 2016. The following is a summary of the agency’s disposition of the petition:

The petition sought the Office’s interpretation on the following: whether Petitioner's proposed business model (of offering an application program interface that connects service providers who provide periodic bills to consumers, such as utility and telecom businesses (“Billers”), to licensed money transmitters who accept payments from consumers. Grupo Regalii’s software provides the path by which licensed money transmitters can offer real-time bill payment to consumers, even when the consumer’s bills are with providers in another country) falls within the Florida Money Transmitter Statute, Chapter 560, Florida Statutes. On February 23, 2017, the Office issued a Final Order. Petitioner is a substantially affected person. The answer to Petitioner’s request is that by engaging in Petitioner’s proposed activity as described, Petitioner would be considered a Money Transmitter as defined by Section 560.103(23), Florida Statutes. Petitioner is not exempt from licensure as a mere software conduit or because money transmission is merely ancillary to Petitioner’s main business. Florida law (which defines “money transmitter” more narrowly than does federal law) provides no similar exemptions. The Office has insufficient information to determine whether Petitioner may be an authorized vendor of a licensed money transmitter, therefore, the Office is unable to make that determination based upon the facts contained in the Petition.

A copy of the Order Disposing of the Petition for Declaratory Statement may be obtained by contacting: Agency Clerk, Office of Financial Regulation, P.O. Box 8050, Tallahassee, Florida 32314-8050, (850)410-9889, Agency.Clerk@flofr.com or online at <https://real.flofr.com/ConsumerServices/SearchLegalDocuments/LDSearch.aspx#/searchLegalDocuments>.
