Southwest Florida Water Management District

RULE NO.: 40D-8.041
 RULE TITLE: Minimum Flows

PURPOSE AND EFFECT: The purpose of this rulemaking is to establish minimum flows pursuant to Section 373.042, F.S., for the Rainbow River System located in Marion County. The effect of the rule is to support the District’s water supply planning, water use permitting, and environmental resource permitting programs.

 RULE TITLE: Staffing Requirements
 NOTICE OF CHANGE

Notice is hereby given that the following changes have been made to the proposed rule in accordance with subparagraph

120.54(3)(d)1., F.S., published in Vol. 43 No. 43, March 3, 2017 issue of the Florida Administrative Register.

65G-2.008 Staffing Requirements.

(1) The licensee shall employ adequate staff to maintain the facility in a manner that promotes and ensures the health, safety, and welfare of residents, and protects those who are not residents of the facility from any known dangerous behaviors that the residents exhibit. A violation of this subsection shall constitute a Class I violation.

Successfully completed college, vocational or technical training equal to 30 semester hours, 45 quarter hours, or 720 classroom hours in special education, mental health, counseling, guidance, social work or health and rehabilitative services can substitute for the required experience. Direct service providers hired by the licensee prior to the adoption date of this rule shall be exempt from this requirement. Licensees may allow direct service providers to begin their employment without the experience requirements described within this section if such direct service providers spend their first 90 days of employment working directly under the supervision or oversight of another direct service provider who does possess the required experience requirements. For purposes of this section, working directly under the supervision or oversight requires the physical presence of the experienced direct service provider who at all times shall be within 50 feet of the direct service provider who is subject to supervision to readily assist and direct. If such arrangements will be made for a direct service provider, the licensee shall provide written notification to the Regional Office, to include the name of the direct service provider and the facility in which he or she will be working, within five business days of the direct service provider's employment. RULE NO.: RULE TITLE:

11B-30.006 State Officer Certification Examination General Eligibility Requirements

NOTICE IS HEREBY GIVEN that on April 11, 2017, the Criminal Justice Standards and Training Commission of the Florida Department of Law Enforcement, received a petition for a permanent waiver of paragraph 11B-30.006(2)(a), F.A.C., from Robert Wheeler. Petitioner wishes to permanently waive that portion of the Rule that states: The following individuals are eligible to take the State Officer Certification Examination (SOCE) for the requested criminal justice discipline: (a) Individuals who, within four years of beginning basic recruit training, have successfully completed a Commission-approved Basic Recruit Training Program pursuant to paragraphs 11B-35.002(1)(a), (b) and (c), F.A.C. In justification of his petition for waiver, Petitioner asserts that between April 15th and May 23, 2014, he participated in a commission-approved basic recruit corrections crossover training program at Suncoast Technical College and passed the end-of-course exam; however, due to an administrative oversight, he did not actually complete the night driving portion of the program. Petitioner further asserts that on April 24, 2015, Petitioner achieved a passing score on the SOCE, after which he left the country to serve nearly two years of active duty military service. Petitioner claims that, upon his return, he was hired by the Manatee County Sheriff's Office to fill a law enforcement officer position; however, Petitioner was ultimately unable to fill the position after learning he was not eligible for certification as a law enforcement officer. Petitioner asserts that on March 20, 2017, Petitioner successfully completed the night driving portion of the basic recruit training program. Petitioner alleges that, should the waiver not be granted, Petitioner will suffer a substantial hardship as he would be unable to serve as a law enforcement officer until he completes a second basic recruit corrections crossover training program and passes another SOCE. Additionally, Petitioner asserts that his employment with the Manatee County Sheriff's Office may be in jeopardy if

the waiver is not granted, as the agency might not be able to hold his position open.

A copy of the Petition for Variance or Waiver may be obtained by contacting: Tina Culbertson, Florida Department of Law Enforcement, Criminal Justice Professionalism Division, P.O. Box 1489, Tallahassee, FL 32302 or by Telephone at (850)410-8647.
