PURPOSE AND EFFECT: The proposed rule repeal is intended to remove language no longer in use.

SUMMARY: The current rules are obsolete and are being repealed

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly

regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: During discussion of the economic impact of this rule at its Board meeting, the Board, based upon the expertise and experience of its members, and the substance of the rule amendment, determined that a Statement of Estimated Regulatory Costs (SERC) was not necessary because the rule does not impose additional rights, obligations, or duties on any persons or any businesses, and that the rule will not require ratification by the Legislature. No person or interested party submitted additional information regarding the economic impact at that time.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

REGULATION

Division of Hotels and Restaurants

RULE NO.: RULE TITLE:

61C-1.004 General Sanitation and Safety Requirements

The Florida Department of Business and Professional
Regulation, Division of Hotels and Restaurants hereby gives
notice:

On May 11, 2018, the Division of Hotels and Restaurants
received a Petition for an Emergency Variance for paragraph
61C-1.004(1)(a), Florida Administrative Code and Paragraph
5-202.11(A), 2009 FDA Food Code from SVRK Enterprises
LLC located in Panama City Beach. The above referenced
F.A.C. addresses the requirement that each establishment have
an approved plumbing system installed to transport potable
water and wastewater. They are requesting to utilize holding
tanks to provide potable water and to collect wastewater at the
handwash sink and the three compartment sink.

The Petition for this variance was published in Vol. 44/94 on
May 14, 2018. The Order for this Petition was signed and
approved on May 21, 2018. After a complete review of the
variance request, the Division finds that the application of this
Rule will create a financial hardship to the food service
establishment. Furthermore, the Division finds that the
Petitioner meets the burden of demonstrating that the
underlying statute has been achieved by the Petitioner ensuring
the wastewater holding tank for the handwash sink and the three
compartment sink is emptied at a frequency as to not create a
sanitary nuisance; and potable water provided must come from
an approved source and be protected from contamination during
handling. The Petitioner shall also ensure that the handwash

sink and the three compartment sink is provided with hot and cold running water under pressure, and that the handwash sink is provided with soap, an approved hand drying device and a handwashing sign.

A copy of the Order or additional information may be obtained by contacting: Daisy.Aleman@myfloridalicense.com, Division of Hotels and Restaurants, 2601 Blair Stone Road, Tallahassee, Florida 32399-1011.

RULE NO.: RULE TITLE:

61C-1.004 General Sanitation and Safety Requirements

The Florida Department of Business and Professional Regulation, Division of Hotels and Restaurants hereby gives notice:

On May 14, 2018, the Division of Hotels and Restaurants received a Petition for an Emergency Variance for paragraph 61C-1.004(1)(a), Florida Administrative Code and Paragraph 5-202.11(A), 2009 FDA Food Code from SVRK Enterprises LLC located in Pier Park, Panama City Beach. The above referenced F.A.C. addresses the requirement that each establishment have an approved plumbing system installed to transport potable water and wastewater. They are requesting to utilize holding tanks to provide potable water and to collect wastewater at the handwash sink and the three compartment sink.

The Petition for this variance was published in Vol. 44/95 on May 15, 2018. The Order for this Petition was signed and approved on May 21, 2018. After a complete review of the variance request, the Division finds that the application of this Rule will create a financial hardship to the food service establishment. Furthermore, the Division finds that the Petitioner meets the burden of demonstrating that the underlying statute has been achieved by the Petitioner ensuring the wastewater holding tank for the handwash sink and the three compartment sink is emptied at a frequency as to not create a sanitary nuisance; and potable water provided must come from an approved source and be protected from contamination during handling. The Petitioner shall also ensure that the handwash sink and the three compartment sink is provided with hot and cold running water under pressure, and that the handwash sink is provided with soap, an approved hand drying device and a handwashing sign.

DEPARTMENT OF EDUCATION
 University of Central Florida
 Building Systems Commissioning
 NOTICE TO PROFESSIONALS

The University of Central Florida has a need for several firms to provide building systems commissioning professional services for utility operations, maintenance, improvement, renovation, and construction project interconnection of \$2,000,000, or studies for which the fee for professional services is less than \$200,000.

The University of Central Florida wishes to enter into an open-ended contract with multiple companies for a period of one year, with an option to renew for three additional one-year periods. The University has the right to amend the terms of the contract at each annual renewal. All firms applying must be

licensed in the State of Florida by the Florida Department of Business and Professional Regulation at the time of application and, if a Corporation, registered to operate in the State of Florida by the Department of State, Division of Corporations. Blanket professional liability insurance will be required in the amount of \$2,000,000 and will be provided as a part of Basic Services.

New construction, expansion and renovation projects will take place in research, academic, office, public assembly, stadium, and industrial utility generation environments, often requiring commissioning activities to take place during weekends, after hours, or through multiple shifts to minimize impact to the campus operations.

Carefully review the Professional Services Contract posted on our website with this advertisement at www.fp.ucf.edu. Submitting a proposal for this project constitutes complete agreement with, and acceptance of, the terms and conditions contained within these documents.

Instructions for submitting a proposal can be found on the Project Fact Sheet. The Project Fact Sheet and PQS Form may be obtained on our website www.fp.ucf.edu or by contacting: Gina Seabrook, Email: gina.seabrook@ucf.edu, Phone: (407)823-5894.

We are accepting only electronic submissions, to be uploaded at:

<https://ucf.bonfirehub.com/opportunities/8431>

Submittals must be received by 5:00 p.m. local time June 22, 2018. Late submissions or additional documentation will not be accepted.
