(f) If the inmate is claiming visual impairment, they shall clearly state that in the first line of their grievance in order to receive the five additional days to file their grievance as outlined in Rule 33-103.011(1), F.A.C.

(a) Emergency grievances and grievances of reprisals, protective management, admissible reading material, grievances concerning sentence structure (release date calculations), inmate banking issues or sexual abuse grievances when the abuse is alleged to have been committed by the Warden of the institution where the inmate is currently housed may be filed directly with the Office of the Secretary using the Request for Administrative Remedy or Appeal, Form DC1-303. Grievances alleging a violation of the Health Insurance Portability and Accountability Act (HIPAA) must be filed directly with the Office of the Secretary using the Request for Administrative Remedy or Appeal, Form DC1-303. The following shall apply:

1. The inmate shall state at the beginning of Part A of Form DC1-303 that the grievance concerns either an emergency or is a grievance of a reprisal. When alleging HIPAA violations, the inmate shall state that the grievance concerns HIPAA at the beginning of Part A of Form DC1-303. The inmate or the third party filer of a sexual abuse grievance shall state at the beginning of Part A of Form DC1-303 that the grievance is a sexual abuse related grievance. On Form DC1-303 the third party filer shall check the box next to Third Party Grievance Alleging Sexual Abuse.

In the case of a sexual abuse grievance, the inmate or the third party filer must clearly state that the formal grievance step of the institution or facility was by-passed because the abuse is alleged to have been committed by the Warden of the institution where the inmate is currently housed.

3. The inmate may forward grievances of these types to the Office of the Secretary in a sealed envelope by following the procedure set out in paragraph (5)(e), below. When a direct grievance alleging violation of HIPAA is received at the Office of the Secretary, the Bureau of Policy Management and Inmate Appeals shall forward the grievance to the Office of the Assistant Secretary for Health Services for investigation and response. The disclosure of medical information in a grievance authorizes staff to review the information and to use and disclose the medical information necessary to investigate in order to respond. Following preparation of a response and signature of the responding employee, the grievance shall be

returned to the Bureau of Policy Management and Inmate Appeals to ensure appropriate filing and routing.

(b) Emergency Grievances. An emergency grievance may be filed directly with the Secretary. Upon receipt, staff of the Bureau of Policy Management and Inmate Appeals shall take the following actions as soon as possible, but no later than two calendar days following receipt:

1. Review complaint and contact staff for additional information if necessary;

2. If an emergency is found to exist, initiate action to alleviate the condition giving rise to the emergency;

3. Provide a formal response to the inmate within 15 calendar days; and

4. If an emergency is not found to exist, it will be clearly marked on the grievance "not an emergency," signed and dated by the responding employee, and returned to the inmate within three working days of receipt as his reasons for by-passing the previous level of review will not be valid.

5. An inmate may file an emergency grievance if they believe they are subject to a substantial risk of imminent sexual abuse. When receiving an emergency grievance from an inmate expressing belief they are subject to a substantial risk of imminent sexual abuse the institution must take immediate corrective action. Staff handling this grievance shall provide an immediate response within 48 hours and shall issue a final decision within 5 calendar days from the receipt of the grievance. The final decision will document the agency's determination whether the inmate is in substantial risk of imminent sexual abuse and the action taken in response to the emergency grievance.

(c) Grievances filed directly with the Office of the Secretary that are grievances of reprisal, protective management, admissible reading material, sentence structure (release date calculations), inmate banking issues, or a grievance alleging a violation of HIPAA shall be responded to according to established time frames.

(d) Upon receipt of the direct grievance and following review of the same, if it is determined that the grievance is not an emergency grievance, a grievance of reprisal, protective management, admissible reading material, sentence structure (release date calculations), inmate banking issues, or a grievance alleging a violation of HIPAA, the grievance shall be returned to the inmate with the reasons for return specified advising the inmate to resubmit his or her grievance at the appropriate level. The other applicable procedures in Rule 33-103.007, F.A.C., governing the processing of appeals to the Office of the Secretary shall apply to these types of grievances.

(4) Procedural Requirements.

(a) The inmate shall fill out the identifying data at the top of the form by printing his committed name, Department of

Corrections number, and institution or facility name and shall check the appropriate box.

(b) The inmate shall state his grievance in Part A. If additional space is needed, the inmate shall use attachments rather than multiple copies of Form DC1-303. Only 2 additional pages of narrative will be allowed. If the inmate writes his complaint anywhere other than within the boundaries of Part A Box or on the 2 allowable attachment pages, his grievance or appeal shall be returned for non-compliance.

(c) The inmate shall sign and date the form, indicating his Department of Corrections number. If the inmate fails to sign the grievance or appeal, it shall result in a delay in addressing the grievance until it can be verified that it is that inmate's grievance or appeal.

(d) The form shall be legible and the grievance or appeal shall be clearly stated.

(e) Included facts shall be accurately stated.

(f) Each grievance or appeal shall address only one issue or complaint.

(g) When filing a grievance appeal, the inmate shall attach a copy of the formal grievance and the response to the formal grievance to Form DC1-303. Any other pertinent documentation shall also be attached.

(h) If the inmate is filing an amendment to a previously filed grievance or appeal, the inmate shall clearly state this at the beginning of PART A of Form DC1-303, Request for Administrative Remedy or Appeal. Amendments are to be filed only regarding issues unknown or unavailable to the inmate at the time of filing the original grievance and must be submitted within a reasonable time frame of knowledge of the new information.

(i) If the inmate or third party is filing a grievance involving sexual abuse, it shall be clearly stated in the first line of the grievance that it is a grievance related to sexual abuse. Also on Form DC1-303 the third party filer shall check the box next to Third Party Grievance Alleging Sexual Abuse. If this statement is not included in the grievance and if the third party box is not checked, the grievance shall be responded to. This will not be a reason to return the grievance without action to the filer.

(j) The inmate shall submit the grievance or appeal to designated staff by placing it in a locked grievance box. Locked boxes shall be available to absolutely all inmates. A staff person from classification, the grievance coordinator's office, or the assistant warden's office shall be responsible for the key. HDR ENGINEERING, INC. - PENSACOLA

Florida Department of Transportation (FDOT)

Public Notice

State Road 4 Blackwater River / Cotton Bridge Replacement Okaloosa County

FDOT Project Number: 432828-1-22-01

The Florida Department of Transportation (FDOT) is proposing to replace Cotton Bridge (Bridge No. 570033) on State Road 4 over Blackwater River in the Blackwater River State Forest, Okaloosa County, Florida. The project is currently funded for construction in Fiscal Year 2019.

Additional right-of-way (0.595 acres) will be acquired from Blackwater River State Forest to shift the current alignment, eliminating the need for a road closure or an onsite diversion during construction. This decreases the total construction time and improves overall safety for the traveling public and construction personnel.

FDOT has determined there will be no adverse recreational effect to the Blackwater River Paddling Trail or the Cotton Bridge Park. FDOT is seeking additional public input regarding the potential impact to recreation in the Blackwater River State Forest at the project location due to the additional right-of-way acquisition.

Persons wishing to provide input regarding the potential impact to recreation in the Blackwater River State Forest due to the additional right-of-way acquisition at the project location may submit comments to Joy Swanson Pleas, FDOT Environmental

Manager, 1074 Highway 90, Chipley, FL 32428; (850)330-1505; or via email at joy.swansonpleas@dot.state.fl.us.

All exhibits or statements must be postmarked on or before Friday, August 3, 2018.

Public participation is solicited without regard to race, color, national origin, age, sex, religion, disability, or family status. For questions or concerns contact Alicia Brininger, District Three Title VI Coordinator, 1074 Highway 90, Chipley, FL 32428, toll-free at 1(888)638-0250, extension 1502 or via email at alicia.brininger@dot.state.fl.us.

Federal regulations require public notice and opportunity to comment on the potential recreational impacts of the project for resources protected under Section 4(f) of the U.S. Department of Transportation Act. After reviewing all public comment, and in coordination with the Official with Jurisdiction at the Florida Forest Service, FDOT anticipates issuance of a de minimis impact finding consistent with 23 CFR 774.3(b), and 774.5 (b)(2)(ii), regarding the recreation impact to the Blackwater River State Forest.
