| 6N-1.004 | Annual Renewal of Approval of In-State Institutions to Participate in Florida's Reciprocity Agreement |
| 6N-1.005 | Annual Fees for In-State Institutions to Participate in Florida's Reciprocity Agreement |

PURPOSE AND EFFECT: To update the rules for consistency and to address subjects identified during the first year of implementation.

SUMMARY: The changes reflect updates to the National Council for State Authorization Reciprocity Agreements (NC-SARA) Manual. The amendments will clarify the process for renewal applications, allow the Council authority to address institutions that do not meet SARA requirements in between

renewal periods, and clarifies fees for institutions that do not report to the Integrated Postsecondary Education Data System. SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: The limited number of institutions to which these rules will apply combined with the fact that the information sought by application of the rule is readily available to a majority of those institutions. Therefore, the adverse impact of regulatory cost, if any, would not be expected to exceed any one of the economic analysis criteria set forth in section 120.541(2)(a), F.S., and is not expected to require legislative ratification.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.
