CENTRAL FLORIDA EXPRESSWAY AUTHORITY

The Central Florida Expressway Authority announces a public meeting to which all persons are invited.

DATE AND TIME: August 15, 2018, 9:00 a.m.

PLACE: Central Florida Expressway Authority's Boardroom

GENERAL SUBJECT MATTER TO BE CONSIDERED:
CFX Project No.: 599-224

Project Description: CFX Poinciana Parkway Extension Project Development and Environment (PD&E) Study

CFX recently completed a Concept, Feasibility, and Mobility Study for the Poinciana Parkway Extension that concluded the project may be viable under CFX criteria. The CFX Board approved the findings and moved the project to the next study phase. This PD&E study will refine and evaluate the alternative from the concept study in greater detail.

The project is being broken into phases for further evaluation, with the CFX PD&E Study focusing on the extension to County Road (CR) 532. If the project is subsequently approved, it would move into design for eventual construction. A later phase will provide a connection to I-4, either at State Road 429 or at CR 532.

The overall goals of the Poinciana Parkway Extension are to enhance mobility from CR 532 to Poinciana Parkway; reduce congestion and delays on local roads; expand regional connectivity; provide transportation infrastructure to support

planned growth; provide consistency with local plans and policies; and enhance safety.

As a special advisory resource to the Central Florida Expressway Authority (CFX) and the consultant team, the EAG will provide input regarding local needs, concerns and potential physical, natural, social and cultural impacts that will be crucial in the evaluation of corridor and alternative alignments.

A study information sheet will be distributed at the meeting. Persons with disabilities who require accommodations under the Americans with Disabilities Act or persons who require translation services, free of charge, should contact Ms. Mary Brooks, Public Involvement Coordinator at (407)802-3210 or via email at ProjectStudies@CFXway.com at least seven (7) days prior to the meeting. If you are hearing or speech impaired, please contact us by using the Florida Relay Service, 1(800)955-8771 (TDD) or 1(800)955-8770 (Voice).

Public participation is solicited without regard to race, color, national origin, age, sex, religion, disability or family status. For additional information concerning these studies, please contact Mary Brooks at the contact information above. You also my log onto the study webpage at <https://www.cfxway.com/agency-information/plans-studies/project-studies/poINCIANA-parkway-extension-pde/>.

Notice of Petitions and Dispositions Regarding Declaratory Statements

DEPARTMENT OF BUSINESS AND PROFESSIONAL REGULATION

Division of Pari-Mutuel Wagering

NOTICE IS HEREBY GIVEN that on July 31, 2018, the Division of Pari-Mutuel Wagering, Department of Business and Professional Regulation, has received the petition for declaratory statement from Calder Race Course, Inc. The petition seeks the agency's opinion as to the applicability of subsection 551.102(4), Florida Statutes as it applies to the petitioner.

The Petition seeks the agency's opinion as to: (1) whether it can discontinue the operation of thoroughbred races and instead operate a full schedule of jai alai performances while maintaining its status as an “eligible facility” under subsection 551.102(4), Florida Statutes, and (2) whether it must conduct jai alai performances at its “eligible facility” in the fiscal year immediately prior to operating slot machines pursuant to its summer jai alai permit. Any party who will be substantially affected by the disposition of this Declaratory Statement must file a motion for leave to intervene in this matter within 21 days after publication of this Notice.

A copy of the Petition for Declaratory Statement may be obtained by contacting: Deborah Matthews, Administrative Assistant II, Department of Business and Professional Regulation, Office of the General Counsel, 2601 Blair Stone Road, Tallahassee, Florida 32399-2202, (850)717-1585.

DEPARTMENT OF BUSINESS AND PROFESSIONAL REGULATION

Florida Building Commission

RULE NO.: RULE TITLE:

61G20-1.001 Florida Building Code Adopted

NOTICE IS HEREBY GIVEN that the Florida Building Commission has issued an order disposing of the petition for declaratory statement filed by G.B. Collins Engineering, P.A. on April 03, 2018. The following is a summary of the agency's disposition of the petition:

Petitioner requested an answer to the following question, based upon the project described within its petition: Would the exception to the requirement for poolside sanitary facilities in section 454.1.6.1 of the Florida Building Code apply to the hotel described within the petition? On July 27, 2018, the Commission provided the following answer: Yes. Pursuant to section 454.1, Florida Building Code, Building, 6th Edition (2017), the definition of “Public swimming pools” (which clarifies that the term “living units” includes projects such as hotels), and section 454.1.3.1.9, Florida Building Code, Building, 6th Edition (2017) (which clarifies that the term “dwelling units” includes units such as motel rooms and hotel rooms), the exception to the requirement of poolside sanitary facilities of section 454.1.6.1 would apply to the project in question.

NOTICE IS HEREBY GIVEN that the Florida Building Commission has issued an order disposing of the petition for declaratory statement filed by Liebl & Barrow Engineering, Inc. on April 11, 2018. The following is a summary of the agency's disposition of the petition:

Petitioner sought clarification about the application of section 110.8.6, Florida Building Code, Building, 6th Edition (2017), as it pertains to who may perform threshold inspections. Petitioner requested an answer to the following question, based upon the project described within its petition: Can a building department or building official require the Special Inspector's duly Authorized Representative to be licensed or certified under Part XII of Chapter 468 for items to be inspected as part of a structural inspection plan issued in accordance with subsection 553.79(5), Florida Statutes? On July 27, 2018, the Commission provided the following answer: the provisions of section 110.8.6, Florida Building Code, Building, 6th Edition (2017), apply only to the inspection of minimum structural requirements of the Florida Building Code. Accordingly, they do not apply to the inspections required by subsection 553.79(5), Florida Statutes (2017).

RULE NO.: RULE TITLE:

61G20-1.001 Florida Building Code Adopted

NOTICE IS HEREBY GIVEN that the Florida Building Commission has issued an order disposing of the petition for declaratory statement filed by the City of Winter Park on April 30, 2018. The following is a summary of the agency's disposition of the petition:

Petitioner requested an answer to the following questions based upon the project described within its petition: 1. Is "indicating that the building passes the performance matrix" (referenced in R405.4.2.2 Item 3) the same task as confirming the as-proposed design from R405.3 (referenced in R405.4.2.2 Item 2)? 2. Can the paperwork (as printed out from Florida Building Commission approved software) submitted for R405.4.2.1 also be used to meet R405.4.2.2? 3. If there is no change to the proposed design during the course of the construction and all

required inspections to verify compliance are performed, is there a need for the building department to request the as-built compliance report per Section 405.4.2.2 prior to the issuance of the certificate of occupancy? 4. If there are changes to the proposed design during the course of construction and the compliance report is amended, and submitted for review and approval prior to conducting the required inspections, is there a need for the building department to request the as-built compliance report per Section 405.4.2.2 prior to the issuance of the certificate of occupancy?

On July 27, 2018, the Commission provided the following answers: In response to Petitioner's question 1, the answer is yes. This is with the understanding that no change was made during the course of construction to the proposed design energy measures as submitted under section 405.4.2.1, Florida Building Code, Energy Conservation, 6th Edition (2017). In response to Petitioner's question 2, the answer is yes. This is with the understanding that no change was made during the course of construction to the proposed design energy measures as submitted under section 405.4.2.1, Florida Building Code, Energy Conservation, 6th Edition (2017). In response to Petitioner's question 3, the answer is no, provided that the building department confirms compliance with the code through its inspection duties as required by section 104, Florida Building Code, Energy Conservation, 6th Edition (2017). In response to Petitioner's question 4, the answer is no, provided that the building department confirms compliance with the code through the provisions of section 103.4, Florida Building Code, Energy Conservation, 6th Edition (2017), and its inspection duties as required by section 104, Florida Building Code, Energy Conservation, 6th Edition (2017).

61G20-1.001 Florida Building Code Adopted

NOTICE IS HEREBY GIVEN that the Florida Building Commission has issued an order disposing of the petition for declaratory statement filed by Diversified Window Solutions, Inc. on February 22, 2018. The following is a summary of the agency's disposition of the petition:

Petitioner requested an answer to the following questions, based upon the project described within its petition: 1. Does the hazardous location designation apply to exterior doors only adjacent to exterior windows? 2. Does the hazardous location

designation apply to interior doors adjacent to exterior windows? On July 27, 2018, the Commission provided the following answers: In response to Petitioner’s question 1, the answer is no, the general hazardous location requirements of section 2406.4.2, Florida Building Code, Building, 6th Edition (2017), apply to glass adjacent to both exterior and interior doors. In response to Petitioner’s question 2, the answer is yes, the general hazardous location requirements of section 2406.4.2, Florida Building Code, Building, 6th Edition (2017), apply to glass adjacent to interior doors. However, within dwelling units and pursuant to Exception 4 of section 2406.4.2, the hazardous location requirements of section 2406.4.2 do not apply to glazing adjacent to interior doors where the glazing is in walls on the latch side of, and perpendicular to, the plane of the door in a closed position.

NOTICE IS HEREBY GIVEN that the Florida Office of Financial Regulation has received the petition for declaratory statement from Robin EB, Inc. on May 7, 2018. The petition seeks the agency’s opinion as to the applicability of Chapter 560, Florida Statutes, as it applies to the petitioner.

The original petition sought a declaratory statement from the Office on whether the Petitioner's proposed business model (of providing online and real-time claim preauthorization and processing, assess and report health-plan utilization, and manage Participants’ out-of-pocket payments. To the extent that Robin does receive money for transmission, it is merely an incidental, but integral, component of the business in which Robin is primarily engaged—managing the back-office functions for healthcare insurance providers) falls within the Florida Money Transmitter Statute, Chapter 560, Florida Statutes. On May 11, 2018, the Office filed the Notice of receipt of Petition for Declaratory Statement in the Florida Administrative Register, Vol. 44, No. 93. On July 31, 2018, the Petition was withdrawn.

A copy of the Petition for Declaratory Statement may be obtained by contacting: Agency Clerk, Office of Financial Regulation, P.O. Box 8050, Tallahassee, Florida 32314-8050, (850)410-9889, Agency.Clerk@flofr.com.

NOTICE IS HEREBY GIVEN that the Florida Office of Financial Regulation has received the petition for declaratory statement from Philippe Symonovicz. The petition seeks the agency’s opinion as to the applicability of Chapter 560, Florida Statutes, as it applies to the petitioner.

On 7/30/2018, the Florida Office of Financial Regulation (Consumer Finance) received a Petition for Declaratory Statement from Philippe Symonovicz. The petition seeks a declaratory statement from the Office on whether his proposed business model (of collecting checks in other countries that are made payable to American citizens who are retired abroad. These checks are drawn on American banks and are typically retirement pension checks or social security checks. My business consists of having American retirees endorse the checks to my client in which a small commission is paid to the client. The checks are then mailed to the United States where they are deposited in an American bank in the state of Florida for immediate clearance.) falls under the Florida Money Transmitter Statute, Chapter 560, Florida Statutes.

FIU-BT-923 Public Safety and Emergency Management
Facilities Expansion-CM

The Florida International University Board of Trustees
announces that construction management services are required
for the project identified below:

Project Name and Number: Public Safety and Emergency
Management Facilities Expansion, BT-923

Project Location: Modesto A. Maidique Campus (MMC),
Miami, Florida

Project Description:

The proposed expansion will infill existing parking space on the
second floor of PG-5 just east of the existing space utilized by
Public Safety and Emergency Management to provide a large
emergency operations center, food storage and service
operations, equipment storage, offices, conference rooms, and
meeting breakout rooms.

Additionally, adjacent existing space will be reconfigured to
provide for a locker room, showers, sleeping space, laundry
service space, and offices that are needed during emergency
events when occupied on a continuous basis, not only by Public
Safety and Emergency Management personnel but also FIU
essential personnel from Facilities, Information Technology,
External Relations, FIU Health, Environmental Health &
Safety, Parking and Transportation, Finance and
Administration, and Business Services when activated.

Utilizing appropriated Public Education Capital Outlay (PECO)
funding, FIU was able to incorporate Public Safety and
Emergency Management Operations into the construction of
Parking Garage 5. Funding at the time was insufficient to fully
accommodate the space needs for these essential operations
dedicated to the safety and security of FIU students, faculty,
staff and visitors, and the need for space is even greater today
with the expanded importance of public safety and emergency
management in today's environment and the additional
investments in officers and safety personnel made by FIU since
2010. FIU's Police Department must be prepared to respond to

spontaneous critical incidents such as bomb threats and active
shooters as well as drawn out critical incidents such as
hurricanes and special events. These incidents require
appropriate space for planning and operations as well as for
storage of the highly sensitive specialized equipment necessary
to carry out these assignments. The sensitive nature of the
required planning and equipment necessitates a secured facility
to address this. Additionally, as reported in the Public Safety
Officers Implementation Plan that was approved by the FIU
Board of Trustees in September 7, 2017, FIU has increased
police staffing from 47 in 2009-10 to 63 in 2017-18 and the goal
is to add two additional officers per year over the next few
years. The inadequacy of the current space became very evident
during Hurricane Irma where we found it very difficult to
efficiently deal with all of the issues impacting FIU students,
faculty and staff while also addressing the sheltering and safety
needs of the general population and special needs evacuees
from Monroe County as well as the personnel from the Miami-
Dade County Health Department, United States Public Health
Services, and first responders from many counties and
municipalities.

The University is committed to producing buildings that
comply with sustainable energy conservation strategies and
standards (minimum LEED Silver Certification).

Applicants are hereby notified that in the event the University
is unable to secure full funding, the University intends to
proceed only with design and construction of fully funded
project components, if any.

INSTRUCTIONS: Firms desiring to provide construction
management services for the project shall submit a letter of
application and a completed Construction Manager
Qualifications Supplement (CMQS) form. Proposals must not
exceed 80 pages, including the CMQS and letter of application.
Pages must be numbered consecutively. Submittals, which do
not comply with these requirements or do not include the
requested data, will not be considered. No submittal material
will be returned.

Submit seven (7) bound copies of the required proposal data
and one CD/Electronic copy of the complete proposal in Adobe
Acrobat PDF format of the above requested data bound in the
order listed. Applications that do not comply with the above
instructions will not be considered. Application material will
not be returned. The University reserves the right to suspend or
discontinue the selection process at any time and to return or
reject any or all submissions of qualifications without
obligation to the respondent. The award of this contract is
subject to availability of funds.

The Construction Manager Qualifications Supplement (CMQS)
form and the Project Fact Sheet, which describes the selection
process schedule for this Project and additional information
regarding the Project scope, may be obtained from the web-site

<http://facilities.fiu.edu/projects/BT-923.htm>. Requests for meetings by individual firms will not be granted. Once the firm acquires the required forms, questions may be directed to Facilities Planning at (305)348-4090 or via email to griffith@fiu.edu cc: angpaz@fiu.edu

GENERAL REQUIREMENTS: All applicants must be licensed to practice as general contractors in the State of Florida at the time of application. Corporations must be registered to operate in the State of Florida by the Department of State, Division of Corporations, at the time of application. As required by Section 287.133, Florida Statutes, a person or affiliate may not submit a proposal for this project if it is on the convicted vendor list for a public entity crime committed within the past 36 months. The selected construction manager must warrant that it will neither utilize the services of, nor contract with, any supplier, subcontractor, or consultant in excess of the threshold amount provided in Section 287.017 for CATEGORY TWO in connection with this project for a period of 36 months following the date of their being placed on the convicted vendor list.

FIU HAS CREATED STANDARD CONTRACT FORMS, GENERAL TERMS AND CONDITIONS OF THE CONTRACT FOR CONSTRUCTION AND STANDARD INSURANCE REQUIREMENTS APPLICABLE TO CM SERVICES TO PROVIDE FOR AN EFFICIENT AND EFFECTIVE PROCESS. THESE FORMS ARE AVAILABLE FOR REVIEW, AND CAN BE FOUND AT <http://facilities.fiu.edu/formsandstandards.htm>

ALL APPLICANTS SHOULD REVIEW THE APPLICABLE FIU CONTRACT FORM AND STANDARD INSURANCE REQUIREMENTS CAREFULLY PRIOR TO MAKING A DECISION AS TO WHETHER OR NOT TO RESPOND TO THIS ADVERTISEMENT.

SUBMIT QUALIFICATIONS TO: Selection Committee, Florida International University, Facilities Planning, Campus Support Complex, 11555 S.W. 17th St., Room #142, Modesto A. Maidique Campus, Miami, Florida 33199. Submittals must be received between 8:30 a.m. and 12:30 p.m. or 1:30 p.m. and 4:00 p.m. local time, Tuesday September 4, 2018.

Submittals will not be accepted before or after the times and date stated above. Facsimile (FAX) submittals are not acceptable and will not be considered.
