Board of Opticianry**

RULE NO.: 64B12-8.020 RULE TITLE: Disciplinary Guidelines
PURPOSE AND EFFECT: The Board proposes the development of a rule amendment to update and clarify language regarding disciplinary guidelines.
SUMMARY: The proposed changes clarify the disciplinary guidelines relative to first violations of certain sections and update rule language as necessary.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: During discussion of the economic impact of this rule at its Board meeting, the Board concluded that this rule change will not have any impact on licensees and their businesses or the businesses that employ them. The rule will not increase any fees, business costs, personnel costs, will not decrease profit opportunities, and will not require any specialized knowledge to comply. This change will not increase any direct or indirect regulatory costs. Hence, the Board determined that a Statement of Estimated Regulatory Costs (SERC) was not necessary and that the rule will not require ratification by the Legislature. No person or interested party submitted additional information regarding the economic impact at that time.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

**Notice of Petitions and Dispositions
Regarding Declaratory Statements**

DEPARTMENT OF HEALTH

Division of Emergency Preparedness and Community Support
NOTICE IS HEREBY GIVEN that Division of Emergency Preparedness and Community Support has issued an order disposing of the petition for declaratory statement filed by Pasco-Pinellas Hillsborough Community Health System on September 28, 2017. The following is a summary of the agency's disposition of the petition:

The Notice of Declaratory Statement was published on October 5, 2017, in Vol. 43, No. 193, of the Florida Administrative Register [this notice corrects the publication information referenced in the Notice of Disposition published on January 24, 2018, in Vol. 44, No. 16]. Petitioner sought the agency's interpretation of Pasco County Ordinance Article 2, §38-28(2), and Article 2, §38-41(b), as those apply to the Petitioner's circumstances. Specifically, based on the language of the two Ordinance excerpts, Petitioner requested a statement that the Hospital was not required to obtain a Certificate of Public Convenience and Necessity (COPCN) to provide its advanced life support "ambulatory" services. An Order (filed December 22, 2017) answered the issues stated in the petition in the negative finding that: Section 150.565, Florida Statutes, does not authorize a statement regarding the applicability of one or more provisions of a County ordinance to Petitioner's circumstances. The Petition does not show Petitioner is substantially affected by the relief requested in the Petition; until Petitioner becomes licensed or applies for such a license, there is no real and sufficiently immediate injury in fact.

A copy of the Order Disposing of the Petition for Declaratory Statement may be obtained by contacting: Agency Clerk, Florida Department of Health, (via mail) 4052 Bald Cypress Way, Bin A-02, Tallahassee, FL 32399-1703; (via hand delivery) 2585 Merchants Row Blvd., Prather Building, Suite 110, Tallahassee, FL, (850)245-4005, Shannon.Revels@flhealth.gov.

FLORIDA HOUSING FINANCE CORPORATION

PUBLIC NOTICE

PUBLIC NOTICE TO QUALIFIED HOMEBUYERS AND LENDERS

Florida Housing Finance Corporation

2018 MORTGAGE CREDIT CERTIFICATE PROGRAM

The Florida Housing Finance Corporation (“FHFC”) proposes to implement a program (the “Program”) to provide Mortgage Credit Certificates (“MCCs”) to residents of the State of Florida who purchase new or existing residences within the State. An MCC reduces the amount of income tax a qualified homeowner pays by providing a non-refundable, federal tax credit during the life of a mortgage loan. After all other credits and deductions are taken into account the value of the MCC is applied directly to a homeowner’s remaining tax liability.

No sooner than 90 days following publication of this Notice, FHFC intends to issue MCCs according to the guidelines summarized below. The total credit authority available under the Program is \$77,159,333 which is expected to provide assistance with respect to \$308,637,332 in aggregate principal amount of mortgage loans.

The credit rate on an MCC will be in a range from 10%-30% based upon loan size. The annual amount of the tax credit will be equal to the lesser of credit rate (%) of the yearly interest paid or accrued on the homeowner’s mortgage loan or \$2,000. If credit rate is 20% or less, there is no \$2000 cap. The amount of the credit may not exceed the homeowner’s total tax liability for a specified year, but excess credit may be carried forward for up to three subsequent tax years. Use of an MCC will reduce the deduction for home mortgage interest on the homeowner’s tax return. An MCC expires on the date the mortgage loan relating thereto is paid in full or refinanced and is revoked on the date the residence to which it relates ceases to be the taxpayer’s primary residence. FHFC reserves the right to adjust the MCC credit rate or make allocations to specific sectors of the housing industry or to conform to market demand or future tax legislation.

To be eligible for an MCC, an applicant must (1) purchase a new or existing single-family home within the state; (2) acquire a new mortgage loan (refinancing of an existing mortgage or land contract is not permissible, except for certain construction loans); (3) continuously occupy the home as a primary

residence within 60 days of its purchase; (4) purchase a home with a purchase price that does not exceed the applicable county limits; these limits range between \$253,809 and \$595,293; please refer to FHFC's website at www.floridahousing.org for the specific purchase price limits for the county you are purchasing in; (5) have a household income, including all household members age 18 and older, that does not exceed the limits for the applicable county; these limits will range between \$59,000 and \$128,660 depending upon household size and the county of purchase; (6) have not had an ownership interest in a principal residence within the preceding three years, except for qualified homebuyers purchasing homes in federally designated targeted areas or certain qualifying veterans; and (7) pay a nonrefundable \$500 program administration fee at the time of loan closing. The applicant must sign all documents and affidavits which are needed to demonstrate eligibility for an MCC, and the regulations, rulings and interpretations issued by the Internal Revenue Service shall control in the event of a conflict with other requirements. FHFC reserves the right to adjust and/or waive the application fee and adjust the purchase price and income limits for the Program to reflect housing costs and market conditions within federal guidelines.

Until the total credit authority is exhausted, a qualifying taxpayer may obtain an MCC in connection obtaining financing relating to the purchase of an eligible residence from any participating lender, including, but not limited to, banks, savings and loan associations, mortgage banking firms and credit unions. The applicant must meet the credit and underwriting criteria established by the participating lender which provides the mortgage loan. MCC applications will be accepted on a first-come, first-served basis. There is no allocation of MCCs by lender; however, for the first year of the Program, 20% will be targeted to persons purchasing single-family homes in Targeted Areas.

Banks, savings and loan associations, credit unions, mortgage companies and other financing institutions and individuals are invited to participate as lenders. Each participating lender will be required to sign a Participation Agreement, which outlines the lender's loan review and reporting responsibilities, and pay to FHFC a one-time fee of \$1000. FHFC will make a list of participating lenders available to the public upon request. An applicant may also obtain a loan from a lender not on such list if the lender agrees to participate in the Program.

MCCs cannot be used with FHFC-financed mortgage revenue bond loans or with any mortgage loans subsidized by other tax-exempt obligations. Current federal tax law may require a payment to the federal government of a "recapture" tax if the homeowner sells or otherwise transfers his or her home to someone else within nine years after the MCC is issued.

For more information on the Program, to participate in the Program as a lender or to receive a copy of the current list of

participating lenders or a list of the eligible Targeted Areas, contact Charles Jones at the Florida Housing Finance Corporation, 227 North Bronough ST., Ste. 5000, Tallahassee, FL 32301 or email: Charles.jones@floridahousing.org.
