SUMMARY: The rule sets forth the provisions for the February Scratch-Off Games Retailer Book Activation Promotion. THE PERSON TO BE CONTACTED REGARDING THE EMERGENCY RULE IS: Diane D. Schmidt, Department of the Lottery, 250 Marriott, Tallahassee, Florida 32301.

THE FULL TEXT OF THE EMERGENCY RULE IS:

53ER18-9 February Scratch-Off Games Retailer Book Activation Promotion.

(1) Beginning Monday, February 26, 2018, through Tuesday, February 27, 2018, the Florida Lottery will conduct the February Scratch-Off Games Retailer Book Activation Promotion (“Promotion”) in which Florida Lottery retailers will have a chance to win \$2,000.

(2) Florida Lottery retailers who activate at least one book of tickets of each of the four February Scratch-Off games (also known as instant games) set forth below by midnight ET on Tuesday, February 27, 2018, will receive one entry into one of eighteen drawings to be held on Friday, March 16, 2018. A retailer’s entry will be entered into the applicable drawing in their district as further described in subsection (3) below. A retailer may only earn one entry per retailer location. The four February Scratch-Off games are:

- (a) TRIPLE PAYOUT Game Number 1376;
- (b) \$30,000 LUCKY WIN Game Number 1377;
- (c) MONEY MACHINE Game Number 1378; and
- (d) FLORIDA 100X THE CASH Game Number 1379.

(3) Drawings and Prizes. The eighteen retailer drawings consist of two drawings per district (one corporate drawing and one independent drawing) in each of nine districts. Drawings

will be conducted by the Florida Lottery using a certified random number generation process. The number of entries drawn and prizes awarded will be in accordance with the following table:

District	Corporate Retailer Winners	Independent Retailer Winners	Total District Winners	Prize	District Total
Tallahassee	2	2	4	\$2,000	\$8,000
Pensacola	2	2	4	\$2,000	\$8,000
Jacksonville	2	2	4	\$2,000	\$8,000

A retailer may only win one prize. Alternate entries will be drawn in each drawing. The number of alternate entries drawn will be twice the number of prizes to be awarded in that drawing. Alternate entries will be used as needed in the order in which they are drawn to award a prize in the event a retailer’s entry is disqualified. Retailers will be subject to disqualification if the Florida Lottery determines that:

- (a) the retailer has requested that one or more of the qualifying books of tickets be deactivated;
- (b) the retailer is not in good financial standing with the Florida Lottery at the time of prize payment; or
- (c) the retailer is not in an “active” retailer status at the time of prize payment.

(4) Winning retailers will receive their promotional prize check within approximately thirty days of the drawing.

(5) If a retailer is unable to timely activate the required book(s) due to untimely delivery of inventory, the Florida Lottery, in its sole discretion, may allow a retailer to be entered into the applicable retailer drawing provided:

- (a) the retailer submits a written request for inclusion in the drawing for receipt by the Florida Lottery by 5:00 p.m. ET on March 7, 2018; and
- (b) the retailer’s request demonstrates to the Florida Lottery’s satisfaction that failure of the retailer to timely activate the required book(s) was due to untimely delivery of inventory, through no fault of the retailer.

The Florida Lottery’s determination regarding the retailer’s request shall be final.

(6) A retailer whose Florida Lottery contract is terminated or inactivated prior to prize payment will not be paid the prize if the termination or inactivation was due to non-compliance with Florida Lottery laws, rules or terms of the retailer contract.

(7) A promotional prize is considered compensation to a retailer and will be reported to the Internal Revenue Service by the Florida Lottery.

On February 5, 2018 the Division of Hotels and Restaurants received a Petition for an Emergency Variance for paragraph 61C-1.004(1)(a), Florida Administrative Code and Paragraph 5-202.11(A), 2009 FDA Food Code from Good Times West located in Port St. Lucie. The above referenced F.A.C. addresses the requirement that each establishment have an approved plumbing system installed to transport potable water and wastewater. They are requesting to utilize holding tanks to provide potable water and to collect wastewater at the handwash sink.

The Petition for this variance was published in Vol. 44, No. 25, F.A.R., on February 6, 2018. The Order for this Petition was signed and approved on February 13, 2018. DEPARTMENT OF ECONOMIC OPPORTUNITY

Division of Community Development

Final Order No. DEO-18-023

In re: A LAND DEVELOPMENT REGULATION
ADOPTED BY CITY OF MARATHON
ORDINANCE NO. 2017-07

FINAL ORDER

APPROVING CITY OF MARATHON ORDINANCE NO. 2017-07

The Department of Economic Opportunity (“Department”) hereby issues its Final Order, pursuant to sections 380.05(6) and 380.0552(9), Florida Statutes, approving land development regulations adopted by the City of Marathon, Florida, Ordinance No. 2017-07 (the “Ordinance”).

FINDINGS OF FACT

1. The Florida Keys Area is designated by section 380.0552, Florida Statutes, as an area of critical state concern. The City of Marathon is a local government within the Florida Keys Area.
2. The Ordinance was adopted by the City of Marathon on November 14, 2017, and rendered to the Department on January 10, 2018.

3. The Ordinance amends the City of Marathon Code of Ordinances to add Medical Marijuana Dispensing Facilities as a conditional use under Mixed-Use and Mixed-Use Maritime on Table 103.15.1 – Uses by Zoning District. The Ordinance creates Section 104.33.1, which creates conditions under which the conditional use shall not be permitted. Specifically, Section 104.33.1 sets forth that medical marijuana dispensing facilities may not be located within five hundred (500) feet of school facilities.

CONCLUSIONS OF LAW

4. The Department is required to approve or reject land development regulations that are adopted by any local government in an area of critical state concern. Sections 380.05(6), and 380.0552(9), Florida Statutes.

5. “Land development regulations” include local zoning, subdivision, building, and other regulations controlling the development of land. Section 380.031(8), Florida Statutes. The regulations adopted by the Ordinance are land development regulations.

6. The Ordinance is consistent with the City of Marathon Comprehensive Plan generally, as required by section 163.3177(1), Florida Statutes, and specifically Objective 1-3.1, Policy 1-3.1.4, and the City’s Mixed Use land use designation.

7. All land development regulations enacted, amended, or rescinded within an area of critical state concern must be consistent with the principles for guiding development for that area. Sections 380.05(6) and 380.0552(9), Florida Statutes. The Principles for Guiding Development for the Florida Keys Area of Critical State Concern are set forth in section 380.0552(7), Florida Statutes.

8. The Ordinance is consistent with the Principles for Guiding Development in section 380.0552(7), Florida Statutes, as a whole, and is specifically consistent with the following principles:

- (a) Strengthening local government capabilities for managing land use and development so that local government is able to achieve these objectives without continuing the area of critical state concern designation.
- (n) Protecting the public health, safety, and welfare of the citizens of the Florida Keys and maintaining the Florida Keys as a unique Florida resource.

WHEREFORE, IT IS ORDERED that the Department finds that the City of Marathon Ordinance No. 2017-07 is consistent with the City of Marathon Comprehensive Plan and the Principles for Guiding Development for the Florida Keys Area of Critical State Concern and is hereby APPROVED.

This Order becomes effective 21 days after publication in the Florida Administrative Register unless a petition is timely filed as described in the Notice of Administrative Rights below.

DONE AND ORDERED in Tallahassee, Florida.
