DEPARTMENT OF AGRICULTURE AND CONSUMER SERVICES

Division of Licensing

RULE NOS.: **RULE TITLES:**
 5N-1.120 Filing of Application; Temporary Authority for Out-of-State Licensees During Declared Emergencies

5N-1.142 Agency Reporting Requirements

PURPOSE AND EFFECT: This rulemaking creates new rule 5N-1.142, which establishes reporting requirements for agencies upon: (1) the employment or termination of a chapter 493 licensee; (2) the withdrawal, removal, replacement or addition of an agency partner or officer; and (3) the discharge of a firearm by an employee. Applicable language in rule 5N-1.120, will be moved into this new reporting rule. The effect of this rule will be to enhance agency regulatory compliance by providing clear and detailed instructions regarding statutory reporting obligations.

SUMMARY: Currently, licensed agencies are required to notify the Division of the hiring and termination of employees through either facsimile or postal mail submission of an Employee Action Report. 2017 Legislation modified this procedure by requiring this notification to now be through electronic submission only. Upon the proposal of new rule 5N-1.142, the Division has chosen to include all agency reporting requirements within the same rule.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

Big Island Community Development District

RULE NOS.: RULE TITLES:

42RRR-1.001 District

42RRR-1.002 Boundary

42RRR-1.003 Supervisors

PURPOSE AND EFFECT: The Petitioner seeks to establish the Big Island Community Development District consisting of 5,701 acres.

SUMMARY: The Petition filed with the Commission proposes the establishment of the Big Island Community Development District consisting of 5,701 acres within St. Johns County, Florida.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has been prepared by the Agency.

A statement of estimated regulatory costs (SERC) was prepared at the request of the Petitioner. The complete text of the SERC is contained as Exhibit 7 to the petition. Generally, the SERC indicates the rule:

- Is not expected to have any direct or indirect impact on economic growth, private sector job creation or employment, or private sector investment in excess of \$1 million in the aggregate within 5 years after the implementation of the rule;
- Is not likely to have any adverse impact on business competitiveness;

- Is not likely to increase regulatory costs of the State or the County. The proposed District will pay a one-time filing fee to the County to offset any County expenses; and will pay the annually required Special District Filing Fee, which is meant to offset any State costs related to oversight of all special districts in the State. The District will incur overall operational costs related to services for infrastructure maintenance, landscaping and similar items. In the initial stages of development, the costs will likely be minimized. These operating costs will be funded by landowners through direct funding agreements or special assessments levied by the District;

- Will require compliance by the State of Florida, St. Johns County, and current and future property owners;

- Will not directly or indirectly result in any additional costs to the agency or any other state and local government entities other than those noted above and will have no anticipated effect on state or local revenues;

- Will result in transactional costs to future landowners in the development to pay for facilities and services the District may provide. Financing for these facilities and services is projected to be provided by the District; and,

- Will have no adverse impact on small businesses, counties or cities.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

Tolomato Community Development District

RULE NO.: 42SS-1.002
RULE TITLE: Boundary

PURPOSE AND EFFECT: The District seeks to expand its boundaries by adding 79.34 acres.

SUMMARY: The Petition filed with the Commission proposes amendment of the District by adding approximately 79.34 acres to the existing boundaries. The District currently consists of 13,388.45 acres of land located within St. Johns and Duval Counties, Florida.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

A statement of estimated regulatory costs (SERC) was prepared at the request of the District. The complete text of the SERC is contained as Exhibit 9 to the petition. Generally, the SERC indicates that the expansion of the District by rule amendment:

- Is not likely to have an adverse impact on business competitiveness;
- Will involve the State, St. Johns County and the City of Jacksonville, Duval County, as well as property owners within the existing District and those to be added through District expansion;
- The District may incur additional annual expenses associated with the operation and maintenance of its public infrastructure. However, these increased operation and maintenance expenses will likely be offset by the collection of operations and maintenance assessments from the property owners within the expansion parcel;
- Will result in limited review costs to the agency and other state and local government entities;
- Will have no negative impact on state or local revenues;
- Will result in limited increased transactional costs; and,
- Will have no adverse impact on small businesses, counties or cities.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein:

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

Division of Hotels and Restaurants

RULE NO.: RULE TITLE:

61C-1.004 General Sanitation and Safety Requirements

The Florida Department of Business and Professional Regulation, Division of Hotels and Restaurants hereby gives notice:

On March 19, 2018 the Division of Hotels and Restaurants received a Petition for an Emergency Variance for paragraph 61C-1.004(1)(a), Florida Administrative Code and Paragraph 5-202.11(A), 2009 FDA Food Code from Pishi LLC located in Doral. The above referenced F.A.C. addresses the requirement that each establishment have an approved plumbing system installed to transport potable water and wastewater. They are requesting to utilize holding tanks to provide potable water and to collect wastewater at the handwash sink and the three compartment sink.

The Petition for this variance was published in Vol. 44/55 on March 20, 2018. The Order for this Petition was signed and approved on March 28, 2018. After a complete review of the variance request, the Division finds that the application of this Rule will create a financial hardship to the food service establishment. Furthermore, the Division finds that the Petitioner meets the burden of demonstrating that the underlying statute has been achieved by the Petitioner ensuring the wastewater holding tank for the handwash sink and the three compartment sink is emptied at a frequency as to not create a sanitary nuisance; and potable water provided must come from an approved source and be protected from contamination during handling. The Petitioner shall also ensure that the handwash sink and the three compartment sink is provided with hot and cold running water under pressure, and that the handwash sink is provided with soap, an approved hand drying device and a handwashing sign.

A copy of the Order or additional information may be obtained by contacting: Daisy.Aleman@myfloridalicense.com, Division of Hotels and Restaurants, 2601 Blair Stone Road, Tallahassee, Florida 32399-1011.

Notice of Correction to Annual Regulatory Plan

In accordance with Section 120.74(5), Florida Statutes, the Department of State corrected its 2016-2017 and 2017-2018 Annual Regulatory Plan on March 28, 2018, to delete the annotation that Chapter 2016-23, Laws of Florida, is a law requiring the Department of State to undergo rulemaking. Rule development workshops were held on February 14, 2017, and October 20, 2017, for Rule 1S-2.039, FVRS Voter Registration Procedures, and notices of the workshops were published in the Florida Administrative Register on October 27, 2016, and September 26, 2017, respectively. The workshops revealed that nothing more specific than what is contained in Chapter 2016-23, Laws of Florida, is necessary for implementation of the amended law.

LAND AND WATER ADJUDICATORY COMMISSION

Wiregrass Community Development District

Notice of Receipt of Petition

Petition to Amend the Boundaries of the Wiregrass Community Development District

On January 29, 2018, the Florida Land and Water Adjudicatory Commission ("Commission") received a petition to amend the boundaries of the Wiregrass Community Development District. The Commission will follow the requirements of Chapter 42-1, F.A.C., and Chapter 190, F.S., as amended, in considering the petition.

SUMMARY OF CONTENTS OF PETITION: The petition proposes to amend the boundaries of the Wiregrass Community Development District. The Wiregrass Community Development District is located within Pasco County, Florida. The district currently covers approximately 3,974.294 acres of land. The District proposes to remove approximately 2,196.846 acres in total size located generally in the northern and eastern portions within the District. After contraction, the district will encompass a total of approximately 1,777.448 acres.

SUMMARY OF ESTIMATED REGULATORY COSTS: A statement of estimated regulatory costs (SERC) has been prepared as a component of the petition filed with the Florida Land and Water Adjudicatory Commission to contract the boundaries of the Wiregrass Community Development District. The complete text of the SERC is contained as Exhibit 12 to the petition. The SERC generally finds:

It is expected that any economic impact would be positive or neutral in nature, particularly in the short term. There likely would be no significant impact on economic growth, private sector job creation, or employment as a direct result of the contraction of the District.

Any impact on overall business competitive and/or innovation resulting from the District boundary contraction is likely to be minimal, but such impact will presumably be positive in nature. A dramatic increase in overall regulatory or transactional costs is highly unlikely.

Once the District boundaries are contracted, the State of Florida will continue to incur only nominal administrative costs to review the periodic reports required pursuant to Chapters 190 and 198, F.S.

These costs have a maximum fee established by the Legislature of \$175 per year.

Will not directly or indirectly result in increased transactional costs to any individual or entity; and

Will have no adverse impact on small businesses, counties or cities.

A LOCAL HEARING WILL BE HELD AT THE TIME, DATE, AND PLACE SHOWN BELOW:

DATE AND TIME: April 24, 2018, 1:00 p.m.

PLACE: Offices of Rizzetta & Company, Inc., 5844 Old Pasco Road, Suite 100, Wesley Chapel, Florida

Any person requiring a special accommodation to participate in the hearing because of a disability should contact Lindsey Whelan, Hopping, Green, & Sams, P.A., 119 S. Monroe Street, Suite 300, Tallahassee, FL 32301, (850)222-7500, at least two business days in advance in order to provide sufficient opportunity to make appropriate arrangements.

Copies of the petition may be obtained by contacting: Lindsey Whelan, Hopping, Green, & Sams, P.A., 119 S. Monroe Street, Suite 300, Tallahassee, FL 32301, (850)222-7500, or Molly Weller, Office of the Governor, The Capitol, Room 1802, Tallahassee, Florida 32399-0001, (850)717-9513.
