Rule 64B20-4.004, F.A.C.-The Board proposes the development of a rule amendment to update the rule language regarding Supervision of Speech-Language Pathology Assistants and Audiology Assistants.

SUMMARY: Rule 64B20-4.003, F.A.C.-Update rule language regarding On-the-Job Training, Role and Observation of Speech-Language Pathology and Audiology Assistants. Rule 64B20-4.004, F.A.C.-Update rule language regarding Supervision of Speech-Language Pathology Assistants and Audiology Assistants.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: During discussion of the economic impact of this rule at its Board meeting, the Board concluded that this rule change will not have any impact on licensees and their businesses or the businesses that employ them. The rule will not increase any fees, business costs, personnel costs, will not decrease profit opportunities, and will not require any specialized knowledge to comply. This change will not increase any direct or indirect

regulatory costs. Hence, the Board determined that a Statement of Estimated Regulatory Costs (SERC) was not necessary and that the rule will not require ratification by the Legislature. No person or interested party submitted additional information regarding the economic impact at that time.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

RULE NO.: RULE TITLE:

68B-14.004 Recreational Amberjack Season

PURPOSE, EFFECT AND SUMMARY: A recent federal stock assessment completed in 2017 showed that greater amberjack continue to be overfished in the Gulf of Mexico. The new rule would modify recreational harvest regulations in Gulf of Mexico state waters by adding a November 1 through April 30 closed season to the current June 1 – July 31 closure. The purpose of this rule is to achieve consistency between the Commission’s Gulf greater amberjack regulations and federal regulations in the Gulf of Mexico. The Secretary of Commerce has approved a similar rule for Gulf of Mexico federal waters and the regulation takes effect on April 30, 2018.

The effect of this rule amendment is that federal and state regulations can be applied more consistently to recreational harvest of greater amberjack in the Gulf of Mexico. A consistent closed season in state waters would contribute to the federal rebuilding plan and reduce the likelihood of catch exceeding federal annual catch limits. This should help ensure a sustainable harvest for the future.

Rule 68B-14.004, F.A.C., would be modified to add a recreational harvest closure from November 1 through April 30

each year. These changes were approved by the Commission at their December 5-7, 2017, meeting in Gainesville, Florida.

DATE AND TIME: Tuesday, April 17, 5:00 p.m.

PLACE: Bayside Community Church, 15800 SR 64, Bradenton, FL 34212

GENERAL SUBJECT MATTER TO BE CONSIDERED: A public hearing is being held regarding plans to provide a long-term interim safety improvement at the intersection of SR 64 and Greyhawk Boulevard/Pope Road. FDOT is proposing to leave in place the recently installed bi-directional median opening which will prevent left turns and through movements out of Greyhawk Boulevard and Pope Road. Left turns from SR 64 onto Greyhawk Boulevard and Pope Road are still permitted, and sight lines are improved due to the lack of vehicles stacking in the median. Traffic entering SR 64 from both of the side streets is converted to Right Turn Only. These modifications reduce the number of conflict points at the intersection, which improves safety. The ultimate improvement proposed at this location is a modern roundabout, which is anticipated to begin construction in late 2023.

The hearing will be held on Tuesday, April 17, 2018 at the Bayside Community Church located at 15800 SR 64, Bradenton, FL 34212. There will be an open house at 5:00 p.m. during which staff will be available to discuss the project and answer questions, followed by a formal hearing presentation at

6:00 p.m., after which participants may provide their verbal comments to all present. People attending the hearing can review project displays and speak one-on-one with project team members about the proposed safety improvements.

Participants may also provide verbal comments directly to a court reporter before and after the formal presentation. Written comments can be submitted at the hearing, sent by mail to David Wheeler, PE, FDOT District One, 801 North Broadway Avenue, Bartow, FL 33830 or emailed to David.Wheeler@dot.state.fl.us, no later than April 27, 2018. All comments written and oral will become part of the project's public record.

Draft design plans will be available for review at the public hearing, and will also be available from March 27, 2018 through April 27, 2018 at the FDOT Manatee Operation Center, 14000 SR 64, Bradenton, FL 34212, Monday through Friday, 9:00 a.m. – 5:00 p.m.
