Proposed Rules**

DEPARTMENT OF EDUCATION

State Board of Education

RULE NOS.:	RULE TITLES:
6A-1.09422	Statewide, Standardized Assessment Program Requirements
6A-1.094223	Comparative and Concordant Scores for the Statewide Assessment Program

PURPOSE AND EFFECT: The purpose of the amendment to Rule 6A-1.09422, F.A.C., is to establish new concordant scores that align with the Grade 10 Florida Standards Assessment (FSA) English Language Arts (ELA) Assessment and comparative scores that align with the FSA Algebra 1 End-of-Course (EOC) Assessment. This amendment will incorporate significant portions of Rule 6A-1.094223, F.A.C., which will be repealed. Sections 1008.22(9) and (10), F.S., provide authority to the State Board of Education to adopt in rule passing scores that are concordant with the grade 10 ELA assessment and passing scores that are comparable to the FSA Algebra 1 EOC Assessment. The effect of this change will allow the Department of Education to codify concordant and comparative passing scores in rule.

SUMMARY: The proposed rule amendment will establish concordant scores for the SAT and ACT assessments to satisfy the graduation requirement associated with the Grade 10 FSA ELA Assessment and comparative scores for the SAT and ACT assessments to satisfy the graduation requirement associated with the FSA Algebra 1 EOC Assessment. Rule language has been clarified to indicate who will be eligible for the current concordant/comparative scores and who will be eligible for the proposed concordant/comparative scores.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: The rule revisions relate only to establishing concordant scores for the grade FSA Grade 10 ELA assessment and comparative scores for the FSA Algebra 1 EOC Assessment; therefore, there is no direct or immediate impact on economic growth, private sector job creation, employment, or private

sector investment. If there is any impact on such economic growth and private sector job creation, the impact would be positive because the establishment of rigorous yet attainable concordant/comparative scores helps ensure that students are prepared for college and careers, which, in turn, positively impacts economic growth, private sector job creation, and employment. For the same reasons, though no impact on business competitiveness is anticipated, any impact would be positive. Because the proposed rule relates only to the establishment of concordant scores for the Grade 10 FSA ELA Assessment and comparative scores for the FSA Algebra 1 EOC Assessment, it is not likely to increase regulatory costs or require legislative ratification.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

RULEMAKING AUTHORITY: 1001.02, 1008.22, 1008.25, F.S.

LAW IMPLEMENTED: 1001.02, 1008.22, 1008.25, F.S.

A HEARING WILL BE HELD AT THE DATE, TIME AND PLACE SHOWN BELOW:

DATE AND TIME: May 16, 2018, 9:00 a.m.

PLACE: Pinellas County School Board Office: 301 4th Street SW; Largo, FL 33770.

THE PERSON TO BE CONTACTED REGARDING THE PROPOSED RULE IS: Vince Verges, Assistant Deputy Commissioner, Division of Accountability, Research, and Measurement, 325 W. Gaines Street, Suite 414, Tallahassee, Florida 32399-0400, (850)245-0513.

RULE NO.: RULE TITLE:

6A-6.0573 Industry Certification Process.

PURPOSE AND EFFECT: To amend the rule to adopt updated funding weights for industry certifications on the 2017-2018 CAPE Industry Certification Funding List. The effect of the rule development is to ensure that appropriate weights, in accordance with the provisions of s. 1011.62(1)(o), F.S., are included on the CAPE Industry Certification Funding List.

SUMMARY: The amendment includes revisions to the rule and to a document incorporated by reference, 2017-2018 CAPE Industry Certification Funding List, Updated. The State Board of Education is adopting new articulation agreements in Rule 6A-10.0401, F.A.C. The addition of these agreements impacts the funding weight that should be assigned to the industry certification, as specified in s. 1011.62(1)(o), F.S. This statute specifies that a value of 0.2 full-time equivalent membership shall be calculated for each student who is issued an industry certification that has a statewide articulation agreement for college credit approved by the State Board of Education. The 2017-2018 CAPE Industry Certification Funding List is updated to change the funding weight from 0.1 to 0.2 for five (5) certifications for which the State Board of Education is adopting articulation agreements for college credit.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: The proposed rule is not expected to have any impact on the factors found in 120.541(2)(a), F.S. This is because the amendment authorizes additional industry certifications which school districts are provided incentives to offer. These certifications have been evaluated to be rigorous and tied to the

statewide occupational demand in Florida and does not require legislative ratification.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

RULE NO.: 6A-10.0401
RULE TITLE: Gold Standard Career Pathways Articulation Agreements

PURPOSE AND EFFECT: To approve all active Gold Standard Career Pathways Articulation Agreements incorporated by reference in the document entitled: Gold Standard Career Pathways Articulation Agreements of Industry Certification to AAS and AS Degree Programs for the 2017-2018 Academic Year. The agreements guarantee the award of a specified number of college credits to students who have earned the specified industry certification towards the award of a specific Associate of Applied Science degree or Associate of Science degree program at a Florida College System institution.

SUMMARY: Gold Standard Career Pathways Articulation Agreements are developed periodically through a consensus process with the Florida College System institutions and are based on industry certifications on the Department of Education’s “CAPE Industry Certification Funding List.” Six (6) articulation agreements have recently been developed and approved by the Articulation Coordinating Committee on February 28, 2018. The agreements provide a saving of tuition costs for the students and eliminates the need to repeat coursework mastered as evidenced by passage of a third party examination leading to the award of an industry certification.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse

impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: The proposed rule will have no regulatory cost and no negative economic impact and will not require legislative ratification. By incorporating articulation agreements, the proposed rule will require state colleges to recognize uniform credits earned by students having obtained industry certification in specified fields. The proposed rule will therefore facilitate students obtaining degrees from Florida state colleges economically and without duplication of course material. Thus, the adverse impact or regulatory cost, if any, does not exceed nor would be expected to exceed any one of the economic analysis criteria set forth in s. 120.51(2)(a), Florida Statutes.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

Commission on Human Relations

RULE NO.: RULE TITLE:
60Y-5.0011 Answer

PURPOSE AND EFFECT: The proposed rule amendment seeks to eliminate the section allowing respondents to amend an answer at any time prior to the issuance of a determination because of the delays it causes for the Florida Commission on Human Relations to conduct its investigations within 180 days, as required by Florida Statute.

SUMMARY: Pursuant to Rule 60Y-5.003(3)-(4), F.A.C., the Florida Commission on Human Relations' Office of Employment Investigations may request of a respondent any information concerning the facts and circumstances of the complaint. The Commission is to provide the respondent with reasonable notice and an opportunity to provide requested information already, so the additional allotment of time to amend the answer in Rule 60Y-5.0011(b) is unnecessary.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: The proposed rule amendment is to a procedural rule and will have no economic impact and, therefore, will not require ratification. There are no applicable federal standards that relate to Rule 60Y-5.0011.

69K-30.001 Disciplinary Guidelines and Penalties for Funeral Directors and Establishments, Embalmers, Removal Services, Refrigeration Services, Direct Disposers and Establishments, and Cinerator Facilities.

PURPOSE AND EFFECT: The Division proposes the rule amendment to clarify disciplinary guidelines.

SUMMARY: Substantial rewrite of the disciplinary guidelines.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within

one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: During discussion of the economic impact of this rule at its Division meeting, the Division, based upon the expertise and experience of its members, and the substance of the rule amendment, determined that a Statement of Estimated Regulatory Costs (SERC) was not necessary because the rule does not impose additional rights, obligations, or duties on any persons or any businesses, and that the rule will not require ratification by the Legislature. No person or interested party submitted additional information regarding the economic impact at that time.

THE FULL TEXT OF THE PROPOSED RULE IS:

Substantial rewording of Rule 69K-30.001 follows. See Florida Administrative Code for present text.

69K-30.001 Disciplinary Guidelines and Penalties

(1) The purpose of the disciplinary guidelines is to give notice to licensees and others of the range of penalties which may be imposed for violations of particular provisions of chapter 497, F.S., and rules promulgated thereto. The disciplinary guidelines are based upon a single count violation of each provision listed. Multiple counts of violations of the same provision of chapter 497, F.S., or the rules promulgated thereto, or other unrelated violations contained in the same administrative complaint will be grounds for enhancement of penalties. All penalties at the upper range of the sanctions set forth in the guidelines, i.e., suspension, revocation, etc., may include lesser penalties, i.e., fines, costs, or probation which may be included in the final penalty at the board's discretion. If

the board finds that a person is subject to disciplinary action, the board shall issue a final order imposing appropriate penalties within the ranges recommended in these disciplinary guidelines, in the absence of aggravating or mitigating factors.

(2) As an alternative to the provisions of section 497.153, F.S., and pursuant to section 497.155, F.S., the department may provide a licensee with a notice of noncompliance for a minor violation. Minor violations are deemed to be those violations for which there is no substantial threat to the public health, safety, and welfare.

(3) The department shall also have the authority to issue citations for the violations set forth herein if issued within six months after the completion of the inspection or examination or the filing of the complaint which is the basis of the citation. The licensee must confirm that the violation has been corrected or is in the process of being corrected, upon acceptance of the citation. For each violation, there is a range of penalties to be imposed depending upon whether the violation is the first or second violation of the particular provision within the previous six (6) year period. (Multiple occurrences of a specific violation within an examination report will be cited as one violation.)

(4) Definitions. As used in this rule:

(a) "Notice of noncompliance" means an instrument which meets the requirements set forth in section 497.155, F.S., and which is served upon a person for the purpose of notifying the subject of the violation(s)

(b) "Citation" means an instrument which meets the requirements set forth in section 497.155, F.S., and which is served upon a person for the purpose of assessing a penalty in an amount established by this rule;

(c) "Costs" includes costs of investigation and prosecution as set forth in 497.153(5)(B), F.S.

(d) "Reprimand" is a discipline that the board may impose in addition to or in lieu of any other disciplinary penalty. A reprimand is represented by a written document.

(5) Unless otherwise set out herein, a violation of any provision under Chapter 497, F.S., or violation of any lawful order of the board or department will be considered a violation of section 497.152(1)(a), F.S., and may result in disciplinary action as follows:

(a) Penalty Range 1st Offense: Reprimand, fine of \$250 to \$2500 plus costs. In addition, probation for 6 months to 1 year, suspension up to 2 years, permanent revocation of license and/or restitution may be imposed.

(b) Penalty Range Subsequent Offenses: Reprimand, fine of \$1000 to \$5000 plus costs. In addition, probation for up to 2 years, suspension up to 5 years, permanent revocation of license and/or restitution may be imposed.

(6) Based upon consideration of the following aggravating and mitigating factors, the board may impose disciplinary action other than the penalties recommended herein:(a) The

danger to the public;(b) The length of time since date of violation;(c) The number of complaints filed against the licensee;(d) The length of time licensee has practiced;(e) The actual damage, physical or otherwise, caused by the violation;(f) The deterrent effect of the penalty imposed;(g) The effect of the penalty upon the licensee’s livelihood;(h) Any efforts for rehabilitation;(i) The actual knowledge of the licensee pertaining to the violation;(j) Attempts by licensee to correct or stop violations or refusal by licensee to correct or stop violations;(k) Related violations against a license in another state including findings of guilt or innocence, penalties imposed and penalties served;(l) Penalties imposed for related offenses under these guidelines; and (m) Any other aggravating and mitigating circumstances.

(7) The board may also impose the following conditions in a disciplinary Order: (a) Fines and costs are to be paid by cashier’s check or money order payable to the Board of Funeral, Cemetery, and Consumer Services and delivered to the board office at the Department of Financial Services, Board of Funeral, Cemetery, and Consumer Services, 200 East Gaines Street, Tallahassee, Florida 32399, within 30 days of the effective date of the Order; (b) Continuing Education, when imposed as a condition of probation, will be a minimum of two (2) hours and a maximum of six (6) hours per violation and shall be in addition to those hours required for license renewal. Unless otherwise indicated in the Order, all Continuing Education must be completed prior to the lifting of probation or suspension; (c) Licensee may be required to take and pass the Florida Laws and Rules Examination at his/her own expense, prior to the lifting of probation or suspension; and/or (d) Prior to the lifting of probation or suspension, the board may compel the licensee to attend an in-person meeting of the board and demonstrate compliance with the Order and demonstrate by testimony, presentation of letters of recommendation from friends and supervisors within the industry, and other indicia of rehabilitation, that he or she is able to resume practicing with reasonable care and safety and in compliance with the laws of the State of Florida and rules of this board.

(8) Upon motion and for good cause shown, the usual conditions may be altered by the board at the time discipline is imposed to reflect licensee’s ability to comply. Changes include, but are not limited to, extension of time for payment of fines and costs, reduction of the interest rate imposed, altering the time for taking Continuing Education or the Florida Laws and Rules Examination, waiving appearance before the board altogether, or permitting appearance pursuant to paragraph (7)(d), by telephone due to incapacity.

(9) TRUST FUND RESTORATION: IN ADDITION TO ANY DISCIPLINE IMPOSED UNDER THESE GUIDELINES, THE BOARD MAY ORDER A LICENSEE TO REMIT THE FULL AMOUNTS REQUIRED BY CHAPTER 497 TO THE APPROPRIATE TRUST FUND AS PER 497.153(6), FLORIDA STATUTES.

(10) The provisions of these guidelines shall not be construed so as to prohibit civil action or criminal prosecution as provided for in section 497.153, 497.158 or 497.159, F.S., and shall not be construed so as to limit the ability of the board to enter into binding stipulations as per section 120.57(4), F.S.

(11) Violations and penalties are listed below. Descriptions of the violations are general in nature and may not identically match the language provided in statute.

DATE PROPOSED RULE APPROVED BY AGENCY HEAD: April 5, 2018

DATE NOTICE OF PROPOSED RULE DEVELOPMENT PUBLISHED IN FAR: April 14, 2017

DEPARTMENT OF FINANCIAL SERVICES

Division of Workers' Compensation

RULE NO.: 69L-6.025
RULE TITLE: Conditional Release of Stop-Work Order and Periodic Payment Agreement

PURPOSE AND EFFECT: Section 440.107, F.S., requires the Department to enforce workers' compensation coverage requirements and to issue stop-work orders, penalty assessment orders, and any other orders necessary for the administration of this section.

SUMMARY: The proposed amendment to paragraph 69L-6.025(4)(b), F.A.C., will allow employers an additional opportunity to remain compliant with their payment agreement schedules by increasing the number of times the Department will rescind an Order Reinstating Stop-Work Order from two to three in any one case. The proposed amendment to paragraph 69L-6.025(7)(c), F.A.C., will allow employers whose Reinstatement of Stop-Work Orders have been rescinded, the opportunity to enter into new payment agreements after making three monthly payments of the original agreed amount. Currently, the employer is required to make six monthly payments of the original agreed amount after the rescission of the Reinstatement of the Stop-Work Order prior to entering into a new payment agreement. Reducing the number of payments required from six to three will shorten the timeframe for entering into a new payment agreement.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein:

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.
