RULE NO.: RULE TITLE:
41-2.006 Insurance, Safety Requirements and
 Standards

PURPOSE AND EFFECT: The Commission proposes the development of a rule amendment to update the liability insurance coverage requirements for transportation providers.

SUMMARY: Update rule language regarding insurance, safety requirements and standards.

**SUMMARY OF STATEMENT OF ESTIMATED
REGULATORY COSTS AND LEGISLATIVE
RATIFICATION:**

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: During discussion of the economic impact of this rule at its Commission meeting, the Commission concluded that this rule change will not have any impact on licensees and their businesses or the businesses that employ them. The rule will not increase any fees, business costs, personnel costs, will not decrease profit opportunities, and will not require any specialized knowledge to comply. This change will not increase any direct or indirect regulatory costs. Hence, the Commission determined that a Statement of Estimated Regulatory Costs (SERC) was not necessary and that the rule will not require ratification by the Legislature. No person or interested party submitted additional information regarding the economic impact at that time.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

DEPARTMENT OF FINANCIAL SERVICES

Division of Workers' Compensation

RULE NO.: RULE TITLE:

69L-6.025 Conditional Release of Stop-Work Order and Periodic Payment Agreement

PURPOSE AND EFFECT: Section 440.107, F.S., requires the Department to enforce workers' compensation coverage requirements and to issue stop-work orders, penalty assessment orders, and any other orders necessary for the administration of this section.

SUMMARY: The proposed amendment to paragraph 69L-6.025(4)(b), F.A.C., will allow employers an additional opportunity to remain compliant with their payment agreement schedules by increasing the number of times the Department will rescind an Order Reinstating Stop-Work Order from two to three in any one case. The proposed amendment to subsection 69L-6.025(7), F.A.C., will allow employers who have made at least three monthly payments of the agreed amount to enter into a new payment agreement in lieu of making six monthly payments. Reducing the number of payments required from six to three will shorten the timeframe for entering into a new payment agreement. The proposed amendment also clarifies that these payments must be based on the employer's current

payment agreement schedule. The proposed amendment to subsection 69L-6.025(8), F.A.C., further clarifies that the Department will only enter into one payment agreement for the recently served penalty. This verifies that the employer can only have one payment agreement and it must be based on the last served penalty. The proposed amendment to subsection 69L-6.025(10), F.A.C., will require employers who have been issued a Stop-Work Order or Order of Penalty Assessment to provide address changes to the Department.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: The Department conducted an economic analysis of the potential impact of the proposed rule and determined that there will be no adverse economic impact or regulatory increases that would require legislative ratification.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

(4)(a) If an employer fails to adhere to the terms and conditions of the Agreed Order of Conditional Release from Stop-Work Order, the stop-work order shall be immediately reinstated and the entire unpaid balance of the remaining penalty shall immediately become due and payable. Subsequent to the issuance of an Order Reinstating Stop-Work Order by the Department, the Department will rescind the Order Reinstating Stop-Work Order only if the employer pays the penalty in full or enters into a Payment Agreement Schedule for Periodic Payment of Penalty with the Department prior to the expiration of the twenty-one calendar day period.

(b) If an employer defaults under any of its obligations under the Payment Agreement Schedule for Periodic Payment of Penalty, the Stop-Work Order to which the penalty applies shall be immediately reinstated and the entire unpaid balance of the remaining penalty shall immediately become due and payable. Subsequent to the issuance of an Order Reinstating Stop-Work Order by the Department, the Department will rescind the Order Reinstating Stop-Work Order requiring the employer to adhere to the terms and conditions of its Payment Agreement Schedule for Periodic Payment of Penalty only if the Department receives from the employer all past due monthly payments prior to the expiration of the twenty-one day period. All past due monthly payments must be made electronically via the Department's online penalty payment service, or by cashier check(s) or money order(s) made payable to DFS-Workers' Compensation Administration Trust Fund and be remitted to Department of Financial Services, Revenue Processing Section, Division of Workers' Compensation, P. O. Box 7900, Tallahassee, FL 32314-7900. The Department will not enter into another Payment Agreement Schedule for Periodic Payment of Penalty with an employer in a case where the employer has had its stop-work order immediately reinstated through an Order Reinstating Stop-Work Order, and in order to be released from a stop-work order that has been immediately reinstated the employer must pay the remainder of

(a) The employer must not be in default of its current ~~original~~ Payment Agreement Schedule for Periodic Payment of Penalty;

(b) The employer must have submitted at least three (3) ~~six (6)~~ monthly payments under its original Payment Agreement Schedule for Periodic Payment of Penalty;

(c) If the employer was issued an Order Reinstating Stop-Work Order that was later rescinded, the employer must have submitted at least three (3) ~~six (6)~~ monthly payments under its current ~~original~~ Payment Agreement Schedule for Periodic Payment of Penalty after the issue date of the Order Rescinding Order Reinstating Stop-Work Order; and,

(d) If a payment made by the employer was returned to the Department by the employer's financial institution for non-sufficient funds, the employer must have submitted at least three (3) ~~six (6)~~ monthly payments under its current ~~original~~ Payment Agreement Schedule for Periodic Payment of Penalty after the returned payment has been cured.

(8) The Department will enter into only one new Payment Agreement Schedule for Periodic Payment of Penalty of its most recently served penalty with an employer. The Department shall not enter into a new Payment Agreement Schedule for Periodic Payment of Penalty with any employer that has had its Stop-Work Order reinstated, nor to any employer that has had its case forwarded to a collection agency for collection of the remaining penalty.

(9) No change.

(10) If an employer conducts business operations in violation of an Order Reinstating Stop-Work Order, a penalty shall be assessed against the employer pursuant to paragraph 440.107(7)(c), F.S. The employer to whom the Stop-Work Order or Order of Penalty Assessment is issued is responsible for notifying the Division of any change in address.

The Petitioner was seeking a waiver or variance of paragraph 64B3-5.002(3)(a), Florida Administrative Code, entitled "Supervisor," which sets forth the education, training/experience and examination requirements for licensure as a supervisor.

The Board considered the instant Petition at a duly-noticed public meeting, held March 23, 2018, in Orlando, Florida. The Board's Order, filed on April 12, 2018, denied the petition finding that Petitioner had failed to establish that the purpose of the underlying statute would be met by granting a variance or waiver from paragraph 64B3-5.002(3)(a), F.A.C. The Board further finds that Petitioner failed to establish that applying the requirements of the aforementioned rule to her circumstances would violate principles of fairness and impose substantial hardship.

A copy of the Order or additional information may be obtained by contacting: Anthony B. Spivey, Executive Director, Board of Clinical Laboratory Personnel, 4052 Bald Cypress Way, Bin #C07, Tallahassee, Florida 32399-3257.

Board of Clinical Laboratory Personnel

RULE NO.: RULE TITLE:

64B3-10.005 Scope of Practice Relative to Specialty of Licensure

NOTICE IS HEREBY GIVEN that the Board of Clinical Laboratory Personnel has issued an order disposing of the petition for declaratory statement filed by St. Joseph's Hospital, Inc. on February 28, 2018. The following is a summary of the agency's disposition of the petition:

The Notice of Petition for Declaratory Statement published on March 2, 2018, in Vol. 44, No. 43, of the Florida Administrative Register. The petition seeks the Board's interpretation of Rule

64B3-10.005(10), Florida Administrative Code, entitled, "Scope of Practice Relative to Specialty of Licensure," seeking clarification regarding the definition of blood gas analysis, as it relates to the performance of certain testing by respiratory therapists during ambulance transport. The Board of Clinical Laboratory Personnel considered the Petition at a duly noticed public meeting held on March 23, 2018, in Orlando, Florida. The Board's Order filed on April 12, 2018, stated that the Petitioner previously filed a Petition for Declaratory Statement before the Board of Respiratory Care asking whether the testing described in the petition falls within the scope of respiratory therapists. Because respiratory therapists are exempt from Chapter 483, Part III, Florida Statutes, and the Board of Respiratory Care found that the testing falls within the scope of respiratory care practice, the Board declined to answer the petition.
