DATE PROPOSED RULE APPROVED BY AGENCY HEAD: August 9, 2018

DATE NOTICE OF PROPOSED RULE DEVELOPMENT PUBLISHED IN FAR: November 1, 2018

**WATER MANAGEMENT DISTRICTS**

**Southwest Florida Water Management District**

RULE NO.: RULE TITLE:

40D-8.624 Guidance and Minimum Levels for Lakes

PURPOSE AND EFFECT: The purpose of this rulemaking is to correct drafting errors in Rule 40D-8.624, F.A.C. The effect of the rule is to support the District’s water supply planning, water use permitting, and environmental resource permitting programs.

SUMMARY: Section 373.042, F.S., requires the District to establish minimum flows and levels for lakes, wetlands, rivers and aquifers within the District’s boundaries. Over time, errors have occurred in Tables 8-2 and 8-3 of the rule. This rulemaking is necessary to correct those errors, as follows:

1. Revise Table 8-2 to add the lake category (CAT) associated with the High Minimum and Minimum Lake Levels for Lake Aurora and Lake Easy;
2. Delete Lake Raleigh and associated Guidance Levels from Table 8-3. The Guidance Levels for Lake Raleigh in Table 8-3 were previously replaced by more recent Minimum and Guidance Levels in Table 8-2;
3. Delete Lake Rogers and “No Levels Recommended” from Table 8-3. Minimum and Guidance Levels that were developed in more recent assessments for Lake Rogers exist in Table 8-2;
4. Delete lakes Bonable, Little Bonable, and Tiger from Table 8-3. Minimum and Guidance Levels for these three lakes developed in more recent assessments have been included in Table 8-2;
5. Re-list Lake Ellen, located in Section 10, Township 28S, Range 18E, in Hillsborough County, and the associated Guidance Levels, in Table 8-3. Lake Ellen was incorrectly deleted from Table 8-3 when Minimum and Guidance Levels

were approved and added to Table 8-2 for a different Lake Ellen located in Section 19, Township 27S, Range 18E;

6. Revise Table 8-3 to add the Section, Township, and Range for 73 lakes; and

7. Revise Table 8-3 to correct spelling of Lake Whistler.

**SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:**

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: The District conducted an economic review of the revisions to the rule and determined that the impact or regulatory cost, if any, of the revisions will not exceed any one of the economic analysis criteria in a SERC as set forth in Section 120.541(2)(a), F.S. The revised minimum levels for this lake is unlikely to constitute an additional significant regulatory constraint on groundwater or surface water withdrawals in the area due to existing resource conditions and regulatory constraints in the basin.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

RULEMAKING AUTHORITY: 373.044, 373.113, 373.171, FS.

LAW IMPLEMENTED: 373.036, 373.042, 373.0421, 373.086, 373.709, FS

IF REQUESTED WITHIN 21 DAYS OF THE DATE OF THIS NOTICE, A HEARING WILL BE SCHEDULED AND ANNOUNCED IN THE FAR.

DEPARTMENT OF BUSINESS AND PROFESSIONAL REGULATION

Division of Hotels and Restaurants

RULE NO.: RULE TITLE:

61C-4.010 Sanitation and Safety Requirements

The Florida Department of Business and Professional Regulation, Division of Hotels and Restaurants hereby gives notice:

On January 9, 2019 the Division of Hotels and Restaurants received a Petition for an Emergency Variance for subsection 61C-4.010(7) Florida Administrative Code and subsection 61C-4.010(6), Florida Administrative Code from Vice and Virtue Hospitality Group LLC located in St Petersburg. The above referenced F.A.C. addresses the requirement that at least one accessible bathroom be provided for use by customers. They are requesting to share the bathrooms located within a nearby establishment under a different ownership for use by customers only.

The Petition for this variance was published in Vol. 45/07 on January 10, 2019. The Order for this Petition was signed and approved on January 17, 2019. After a complete review of the variance request, the Division finds that the application of this Rule will create a financial hardship to the food service establishment. Furthermore, the Division finds that the Petitioner meets the burden of demonstrating that the underlying statute has been achieved by the Petitioner ensuring the bathrooms located within Victory Automotive (3001 Dr Martin Luther King Jr St N St Petersburg, FL 33704), are maintained in a clean and sanitary manner and are provided with cold running water under pressure, soap, approved hand drying devices, and are available during all hours of operation. The Petitioner shall also ensure that directional signage is installed within or outside the establishment clearly stating the location of the bathrooms. If the ownership of Pineapple Espresso (Vice and Virtue Hospitality Group LLC) and/or Victory Automotive (Victory Automotive Service) changes, an updated signed agreement for use of the bathroom facilities will be required immediately.
