Section II Proposed Rules

STATE BOARD OF ADMINISTRATION

RULE NO.: RULE TITLE:

19-8.028 Reimbursement Premium Formula

PURPOSE AND EFFECT: This rule is promulgated to implement Section 215.555, Florida Statutes, regarding the Florida Hurricane Catastrophe Fund, for the 2019-2020 contract year.

SUMMARY: In accordance with Section 215.555(5), Florida Statutes, proposed amended Rule 19-8.028, F.A.C., Reimbursement Premium Formula, adopts the 2019-2020 reimbursement premium formula for the Florida Hurricane Catastrophe Fund (“Florida Hurricane Catastrophe Fund 2019 Ratemaking Formula Report Presented to the State Board of Administration of Florida March 19, 2019”). In addition, the proposed amended Rule deletes a “special circumstances” exemption for certain policies solely covering jewelry, which has been superseded by the 2019 Reimbursement Contract adopted as part of Rule 19-8.010.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein:

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

RULEMAKING AUTHORITY: 215.555(3), FS.

THE FULL TEXT OF THE PROPOSED RULE IS:

19-8.028 Reimbursement Premium Formula.

(1) Purpose. This rule adopts the Premium Formula to determine the Actuarially Indicated Reimbursement Premium to be paid to the Florida Hurricane Catastrophe Fund, as required by section 215.555(5)(b), F.S.

(2) Definitions. The definitions in the Reimbursement Contract for the applicable Contract Year also apply to this rule and the forms referenced in this rule. In addition, as used in this rule:

(a) "SBA" means the State Board of Administration of Florida.

(b) "Contract Year" is defined in section 215.555(2), F.S.

(c) "Independent Consultant" means the independent individual, firm, or organization with which the SBA contracts to prepare the Premium Formula and any other actuarial services for the FHCF, as determined under the contract with the Consultant.

(3) The Premium Formula.

(a) The Formula for determining the Actuarially Indicated Reimbursement Premium to be paid to the Fund, as required by section 215.555(5)(b), F.S., is the rate times the exposure per \$1,000 of insured value and this equals the Premium to be paid in dollars. The premium rates are determined by taking into account geographic location by zip code; construction type; policy deductible; type of insurance and other such factors deemed by the SBA to be appropriate. The Formula is developed by an Independent Consultant selected by the SBA, as required by section 215.555(5)(b), F.S.

(b) For the 2019/2020 Contract Year, the Formula developed by the SBA's Independent Consultant, "Florida Hurricane Catastrophe Fund 2019 Ratemaking Formula Report Presented to the State Board of Administration of Florida March 19, 2019, <http://www.flrules.org/Gateway/reference.asp?No=Ref-XXXXX>, and approved by the SBA on XXXX XX, 2019, is hereby adopted and incorporated by reference into this rule. The premium rates are developed in accordance with the Premium Formula methodology approved by the SBA.

~~(b) For the 2018/2019 Contract Year, the Formula developed by the SBA's Independent Consultant, "Florida Hurricane Catastrophe Fund 2018 Ratemaking Formula Report Presented to the State Board of Administration of Florida March 21, 2018, Updated June 13, 2018," <http://www.flrules.org/Gateway/reference.asp?No=Ref-09601>, and approved by the SBA on June 13, 2018, is hereby adopted and incorporated by reference into this rule. The premium rates are developed in accordance with the Premium Formula methodology approved by the SBA.~~

(4) Special Circumstances.

(a) Allocation of Premium. Premiums paid to the FHCF with reference to property covered by Quota Share Primary Insurance Arrangements, as that phrase is defined in section 627.351(6)(c)2.a.(I), F.S., will be allocated by the FHCF between the Company and Citizens in accordance with the percentages specified in the Quota Share Primary Insurance Arrangement for the purposes of premium billing, calculating retentions and determining reimbursement payments.

(b) Special Rating Circumstances. The Premium Formula for policies that, based upon sound actuarial principles, require individual ratemaking and which are not excluded by rule will

be based on the use of computer modeling for each individual Company for which it is applicable, i.e., portfolio modeling. The Independent Consultant will recommend guidelines for individual Company portfolio reporting and modeling to estimate individual Company FHCF expected losses. Individual Company FHCF expected losses for portfolio modeling exposures will be loaded for investments and expenses on the same basis as the FHCF premium rates used for non-portfolio modeling exposures, but will also include a loading for the additional cost of individual Company modeling. The minimum exposure threshold for FHCF portfolio modeling rating will be sufficient to generate estimated FHCF premium greater than the cost of modeling and other considerations and will be calculated by the Independent Consultant for the separate coverage levels of 45%, 75%, and 90% using the premium rates established pursuant to subsection (3). The methodology used by the Independent Consultant will be based on sound actuarial principles to establish greater actuarial equity in the premium structure.

Special recognition is not given to Companies that do not have exposure for Covered Policies for an entire Contract Year, except for New Participants as required by Article X(1) and X(2) of the Reimbursement Contract.

(c) Specialized Jewelry Policies.

~~1. A policy solely covering jewelry which is not associated with a policy covering a Residential Structure located in Florida and is not issued by an insurer that provides coverage of Residential Structures in Florida is deemed to be a situation of an unusual nature or where undue hardship may result, and providing an exemption from the Fund for such policies would be consistent with sound insurance practices.~~

~~2. Pursuant to the authority provided in section 215.555(3), Florida Statutes, beginning with the 2018-2019 Contract Year, any policy solely covering jewelry which is not associated with a policy covering a Residential Structure located in Florida and is not issued by an insurer that provides coverage of Residential Structures in Florida is exempt from participation in the Fund.~~

(5) All the forms adopted and incorporated by reference in this rule may be obtained from the FHCF website at www.sbafla.com/fhcf, or from the Florida Hurricane Catastrophe Fund Administrator, Paragon Strategic Solutions Inc., at 8200 Tower, 5600 West 83rd Street, Suite 1100, Minneapolis, MN 55437.
