DATE AND TIME: Tuesday, September 1, 2020, 5:30 p.m. – 7:30 p.m.

PLACE: Monticello Opera House, 185 West Washington Street, Monticello, FL 32344

GENERAL SUBJECT MATTER TO BE CONSIDERED: The Florida Department of Transportation (FDOT) will host a Community Open House to share information about the Florida Multi-Use Corridors of Regional Economic Significance (M-CORES) Suncoast Connector extending from Citrus County to Jefferson County.

The purpose of the Community Open House is to provide an opportunity for the public to view information presented at the Task Force meetings for the Suncoast Connector.

There will be two different ways for the public to participate in this open house: in-person and online.

The in-person Community Open House will take place at the Monticello Opera House on Tuesday, September 1, from 5:30 p.m. – 7:30 p.m. Attendees will be able to view displays, speak to project staff, and submit handwritten comments.

Those wishing to view the same materials online without visiting the Community Open House can visit www.FloridaMCORES.com anytime beginning Monday, September 1. Comments can be submitted through the website, by email to FDOT.Listens@dot.state.fl.us, or by mail to 605 Suwannee St, MS 54, Tallahassee, FL 32399-0450. All comments will be part of the public record.

Public engagement is a critical element of the M-CORES program. Both in-person and online (virtual) options are now offered for all M-CORES events and meetings. As safety remains FDOT's top priority, enhanced safety measures will continue to be taken at all in-person M-CORES events, including:

- Using CDC-recommended products to sanitize high-touch areas before, during and after the event
- Requiring all FDOT and consultant staff to wear masks
- Requesting that all attendees wear masks
- Providing hand sanitizer and masks for attendees
- Limiting the number of people in a room at one time to 50
- Utilizing signage and other tools to facilitate social distancing
- Implementing the use of single use sign-in materials and speaker cards

The Florida Department of Transportation may adopt the result of this planning effort into the environmental review process, pursuant to Title 23 U.S.C. § 168(4)(d) or the state project development process.

Public participation is solicited without regard to race, color, national origin, age, sex, religion, disability, or family status. People who require special accommodations under the

 Torreya Lindsey, Government Operations Consultant III,
 Torreya.Lindsey@FDACS.gov, (850)617-7409

2. Region: Southeast
3. Eligible service providers participating in waiver and affirmation that they are in good standing:
 All SFAs, in good standing, approved by FDACS to participate in the Fresh Fruit and Vegetable Program for School Year (SY) 2020-2021
4. Description of the challenge the State agency is seeking to solve, the goal of the waiver to improve services under the Program, and the expected outcomes if the waiver is granted. [Section 12(1)(2)(A)(iii) and 12(1)(2)(A)(iv) of the NSLA]:
 Under current requirements, program operators may offer Fresh Fruit and Vegetable Program (FFVP) foods only in elementary schools. Due to continuing COVID-19, conditions, many program schools are not offering in-person instruction in their school facilities, but instead providing instruction remotely or in a hybrid in-person and remote manner. As a result, many program operators are not able to conduct the FFVP as specified in program regulations. Therefore, FDACS requests the program requirements under Section 19 of the National School Lunch Act (NSLA) [42 U.S.C. 1769a] be waived to allow approved SFAs to offer FFVP foods at alternate sites (without the nutrition education component) if the nutrition programs for the approved FFVP school are being offered in a non-congregate setting to accommodate hybrid, remote or other non-traditional learning methods. FDACS also requests that the regulations be waived to allow approved FFVP schools that are closed due to COVID-19 conditions to also offer FFVP foods at alternate sites, such as curbside or grab-n-go distributions (without the nutrition education component).
5. Specific Program requirements to be waived (include statutory and regulatory citations). [Section 12(1)(2)(A)(i) of the NSLA]:
 Section 19 of the National School Lunch Act (NSLA) [42 U.S.C. 1769a]
6. Detailed description of alternative procedures and anticipated impact on Program operations, including technology, State systems, and monitoring:
 SFAs will only provide FFVP foods to students enrolled in approved FFVP elementary schools using their roster, mobile POS, or other student information system.
7. Description of any steps the State has taken to address regulatory barriers at the State level. [Section 12(1)(2)(A)(ii) of the NSLA]:
 There are no known regulatory barriers at the State level.
8. Anticipated challenges State or eligible service providers may face with the waiver implementation:
 If SFAs are using regionalized or hub distribution points for the nutrition programs in concert with FFVP foods distribution, they will have to implement protocols and outreach methods that ensure students, parents and guardians understand why some students may receive FFVP foods and others may not.

FDACS will provide FFVP schools with technical assistance and outreach materials to help SFAs overcome this challenge.

9. Description of how the waiver will not increase the overall cost of the Program to the Federal Government. If there are anticipated increases, confirm that the costs will be paid from non-Federal funds. [Section 12(l)(1)(A)(iii) of the NSLA]: Because the FFVP allocation is fixed, the waiver will not result in an increase to the overall cost of the Program to the Federal Government.

10. Anticipated waiver implementation date and time period: Upon approval through June 30, 2021

11. Proposed monitoring and review procedures: FDACS will continue to review FFVP claims for reimbursement submitted by participating schools to ensure that expenditures are appropriate prior to providing reimbursement, ensure that FFVP schools are reviewed as part of the School Meals Administrative Review (SMAR) process, or other oversight or monitoring activity related to the National School Lunch or School Breakfast Programs, and make every effort to contact schools not scheduled for oversight activity to ensure that the FFVP is being implemented according to the statute and guidance issued by FNS.

12. Proposed reporting requirements (include type of data and due date(s) to FNS): FDACS will report the following data points once after the school year or once the health emergency has passed whichever occurs first.

§ A description of the impact the waiver had on FFVP operations.

§ The number of sponsors and sites that used the waiver

§ A summary of findings associated with the waiver

13. Link to or a copy of the public notice informing the public about the proposed waiver [Section 12(l)(1)(A)(ii) of the NSLA]:

14. Signature and title of requesting official:

 Requesting official's email address for transmission of response: Lakeisha.Hood@FDACS.gov

Under current requirements, program operators must offer Fresh Fruit and Vegetable Program (FFVP) foods directly to elementary school students – not to parents or guardians. Due to continuing COVID-19, conditions, many program schools are not offering in-person instruction in their school facilities, but instead providing instruction remotely or in a hybrid in-person and remote manner.
