59G-1.058 Eligibility.

(1) Purpose. This rule specifies recipient eligibility requirements for Florida Medicaid covered services and applies to all providers rendering Florida Medicaid covered services to recipients.

(2) Eligibility Determination. The Department of Children and Families (DCF) and the Social Security Administration (SSA) determine recipient eligibility for Florida Medicaid in accordance with Section 409.902, F.S., and Rule Chapter 65A-1, Florida Administrative Code (F.A.C.).

(a) Eligibility Determined by Qualified Designated Providers. Qualified designated providers determine presumptive eligibility for pregnant women (PEPW) in accordance with Rule Chapter 65A-1, F.A.C.

(b) Eligibility Determined by Qualified Hospitals.

1. Qualified hospitals enrolled in Florida Medicaid may make presumptive eligibility determinations for the following:

- a. Pregnant women.
- b. Infants and children under the age of 19 years.
- c. Parents and other caretakers or relatives.
- d. Former foster care children.

2. The presumptive period begins on the date the determination is made and ends on the earlier of the following:

- a. The last day of the month following the month in which the determination of presumptive eligibility is made.
- b. The date DCF makes a Florida Medicaid eligibility determination.

(3) Newborn Presumptive Eligibility. A newborn is deemed eligible for full Florida Medicaid covered services when the mother is eligible for Florida Medicaid on the date of the child’s birth, unless the mother is eligible under the PEPW category.

(a) A pregnant recipient may obtain a Florida Medicaid identification (ID) number and Florida Medicaid ID card for her unborn child. The cards are issued as “baby of” plus the mother’s name, and assigned a card control number that providers use to obtain the baby’s Medicaid ID number. The baby’s Florida Medicaid ID number will not be active until after the baby is born.

(b) Providers may request a Florida Medicaid ID number assignment for a newborn via a Medical Assistance Referral Form, CF-ES 2039, April 2003, incorporated by reference in Rule 65A-1.400, F.A.C., and available on the DCF Website at <https://eds.myflfamilies.com/DCFFormsInternet/Search/DCFFormSearch.aspx>.

reference in Rule 59G-1.045, F.A.C., to the Florida Medicaid fiscal agent.

(4) Proof of Eligibility. Providers must verify recipient eligibility prior to rendering services.

(5) Recipient Does Not Have an ID Card. Providers may verify eligibility and render services if the recipient does not have an ID card.

THE FULL TEXT OF THE PROPOSED RULE IS:

59G-8.600 Disenrollment from Managed Care Plans.

(1) Purpose. A Florida Medicaid recipient (herein referred to as an enrollee) who is required to enroll in the Statewide Medicaid Managed Care (SMMC) program, may request to change managed care plans. Requests must be submitted via telephone or in writing to the Agency for Health Care Administration (AHCA) or its enrollment broker. Enrollees required to enroll in SMMC programs should not interpret this rule as an exemption from participation in Florida Medicaid’s SMMC program. This rule applies to the process and reasons that SMMC managed care plan enrollees may change plans.

(2) Requests for disenrollment must be completed in accordance with sections 409.969(2)(a), (b), and (d), Florida Statutes (F.S.), and Title 42, Code of Federal Regulations (CFR), section 438.56 (42 CFR 438.56).

(3) ~~For Good Cause~~ Cause Reasons.

(a) ~~Reasons outlined in~~ The following reasons per 42 CFR 438.56(d)(2) and section 409.969(2), F.S., constitute ~~good cause for disenrollment at any time~~ from a managed care plan:

~~1. The enrollee is receiving a medically necessary, active and continuing course of treatment from a provider that is not in the managed care plan’s network, but is in the network of the managed care plan requested by the enrollee.~~

~~1.2.~~ The managed care plan does not cover the service the enrollee seeks because of moral or religious objections.

~~2.3.~~ The enrollee would have to change his or her residential or institutional provider based on the provider’s

change in status from an in-network to an out-of-network provider with the managed care plan.

3.4. Fraudulent enrollment.

(b) ~~Reasons outlined in The following reasons, per 42 CFR 438.56(d)(2) and section 409.969(2), F.S., as confirmed by AHCA,~~ constitute good cause for disenrollment from a managed care plan when the enrollee first seeks resolution through the managed care plan's grievance process, as confirmed by AHCA, in accordance with 42 CFR ~~Section~~ 438.56(d)(5), except when there is an allegation of immediate risk of permanent damage to the enrollee's health; is alleged.

1. The enrollee needs related services to be performed concurrently, but not all related services are available within the managed care plan's network, and the enrollee's primary care provider or another provider has determined that receiving the services separately would subject the enrollee to unnecessary risk.

2. Poor quality of care.

3. Lack of access to services covered under the managed care plan's contract with AHCA, including lack of access to medically-necessary specialty services.

4. There is a lack of access to managed care plan providers experienced in dealing with the enrollee's health care needs.

5. The enrollee experienced an unreasonable delay or denial of service pursuant to section 409.969(2), F.S.

(4) The Agency for Health Care Administration, or its designee, will review any relevant documentation submitted by the enrollee or the managed care plan regarding the disenrollment request and make a final determination about whether to grant the disenrollment request. The Agency for Health Care Administration will send written correspondence to the enrollee of any disenrollment decision. Enrollees dissatisfied with AHCA's determination may request a Florida Medicaid fair hearing, pursuant to 42 CFR Part 431, Subpart E.

(5) The Agency will review this rule five years from the effective date and repromulgate, amend or repeal the rule as appropriate, in accordance with Section 120.54, F.S. and Chapter 1-1, Fla. Admin.

(21) No person other than a party in a noticed proceeding shall attempt to influence the decision of the stewards or division judge regarding any case pending before them under this rule. This rule shall not prohibit the stewards or division judge from consulting with counsel regarding a matter pending before them.

(22) A steward or judge employed by the division shall not sit in judgment of a matter pending before the permitholders' stewards or judges that is based solely upon any rule of the permitholder.

61D-3.002 Hearings Conducted by a Board of Stewards Appeal Procedures

(1) All proceedings for alleged violations indicated in subsection (2) of this rule shall be heard by a Board of Stewards unless the division indicates in its administrative complaint that it is seeking revocation of a licensee's pari-mutuel license, or the Board of Stewards relinquishes jurisdiction as required by the Florida Administrative Code and/or Florida Statutes.

(2) Allegations of the following violations shall be heard by a Board of Stewards:

(a) Horse riding and harness riding actions in violation of Chapter 550, F.S.

(b) Application and usage of drugs and medication to horses in violation of Chapter 550, F.S.

(c) Maintaining or possessing any device which could be used for the injection or other infusion of a prohibited drug to horses in violation of Chapter 550, F.S.

(d) Suspensions under reciprocity agreements between the Division of Pari-mutuel Wagering and regulatory agencies of other states involving horse racing.

(e) Assault or other crimes of violence on premises licensed for horse racing.

(f) Prearranging the outcome of any pari-mutuel horse racing event.

(3) Board of Stewards Composition. Prior to each steward hearing for an alleged violation of Florida Statutes and/or Florida Administrative Code, the division shall select three stewards to serve as the Board of Stewards. At least one steward on each Board of Stewards shall be a steward the division employs. Each horseracing permit holder shall designate at least two stewards they employ as eligible to serve on the Board of Stewards.

(4) Conflict of Interest: The permit holder shall not employ a steward in any other capacity or assign duties of other employees to a steward.

(1) The stewards and division judge shall include in their decision a notice to the licensee of the licensee's right to an appeal hearing before the division director or his/her designee. In addition, the stewards and division judge shall provide the licensee with the procedures and time limits for invoking the right to an appeal. All requests for an appeal must be submitted in writing or on Form DBPR-PMW 3100, Request for Appeal of Stewards'/Judges' Ruling, effective 3-4-07, adopted herein by _____ reference, http://www.flrules.org/Gateway/reference.asp?No=Ref_00306, and can be obtained at www.myfloridalicense.com/dbpr/pmw or by contacting the Department of Business and Professional Regulation, 2601 Blair Stone Road, Tallahassee, Florida 32399. The appeal shall state in writing the reason the licensee believes the judge's or stewards' order should be reversed.

(2) Failure of the licensee to file a request for an appeal hearing within 10 days of the decision of the stewards or division judge constitutes a waiver of the right to an appeal.

(3) Upon receipt of an appeal, the division shall review the appeal and the record to determine whether a legitimate issue of law has been presented that would require an appeal hearing to be scheduled. The division shall not substitute its judgment for the judgment of the stewards or division judge as to a finding of fact or the weight and credibility of evidence in the record. The division shall issue an order affirming the stewards or division judge if an appeal that merely disputes findings of fact based upon evidence is received by the stewards or division judge. Appeal hearings shall be conducted in person, by telephone, or by other electronic means.

(4) In the event the stewards or division judge make a determination that there is a reasonable suspicion to believe that a violation of Section 550.2415, F.S., has occurred, or in the event of a positive test for a substance prohibited under Section

550.2415, F.S., any purse money in question which has not been disbursed shall be placed on account with the permit holder's comptroller. In the event that any purse money has been distributed, all individuals to whom the purse money has been directly distributed shall place monies equal to the amount received from the purse in a segregated interest-bearing account in a recognized financial institution, and shall notify the division of the location of the account. The monies shall remain in the account until final disposition of the case, at which time control of the monies shall be returned to the original individuals; or if a violation is proved, the monies shall be transmitted to the permit holder for redistribution.

(5) If the division determines that the division judge or stewards have exceeded their jurisdiction, departed from the essential requirements of law, or incorrectly applied law to facts, it shall void their decision and either enter a decision for the licensee or shall prosecute the alleged violation itself with the respondent receiving rights to an administrative hearing pursuant to Section 120.57, F.S.

(6) No appeal shall be filed solely for the purpose of delaying imposition of a penalty through a stay pending appeal pursuant to Rule 61D-3.003, F.A.C. If it becomes apparent that an appeal was sought solely to obtain a stay and delay the imposition of a penalty, the division shall issue an order dismissing the appeal and referring the case to the stewards or division judge to determine whether additional penalties should be imposed.

(7) Upon conclusion of the appeal hearing, the division director shall affirm or reverse the decision of the stewards/division judge with directions for an appropriate disposition of the case under the pari-mutuel statutes or rules. Any request for a stay of the penalty imposed shall specify the reasons supporting the issuance of a stay. The licensee's request for a stay must be in writing or on Form DBPR PMW 3090, Request for Stay, effective 3-4-07, adopted herein by reference, http://www.flrules.org/Gateway/reference.asp?No=Ref_00307, and can be obtained at www.myfloridalicense.com/dbpr/pmw or by contacting the Department of Business and Professional Regulation, 2601 Blair Stone Road, Tallahassee, Florida 32399.

61D-3.004 Resolution of Proceedings Payment of Fines

(1) Recommended Orders:

(a) The division steward, with input from the other stewards comprising the Board of Stewards shall issue its determination in the form of a recommended order.

(b) A recommended order shall be entered within 14 days after the hearing or within 14 days of a request for a recommended order without a hearing. The order shall include: a caption; the time and place of any hearing that was held; findings of fact; a statement of any rule or statute violated; any mitigating or aggravating factors considered; and the details of the penalty recommended, including the length of any suspension, the amount of any fine imposed for each violation, and any other penalty recommended.

(c) The penalty recommended shall be determined by the members of the board of stewards selected to hear the alleged violation. Although a division steward may receive input from the permitholder's stewards, a division steward holds final decision making authority as it relates to determining violations of the division's rules and the penalty recommended.

(d) Imposition of a Final Order: The division shall enter a final order within 90 days of a recommended order. When rejecting or modifying a conclusion of law or interpretation of administrative rule, the division must state with particularity its reasons for rejecting or modifying such conclusion of law or interpretation of administrative rule and must make a finding that its substituted conclusion of law or interpretation of administrative rule is as or more reasonable than that which was rejected or modified. Rejection or modification of conclusions of law may not form the basis for rejection or modification of findings of fact. The division may not reject or modify the findings of fact unless the division first determines from a review of the entire record, and states with particularity in the order, that the findings of fact were not based upon competent substantial evidence or that the proceedings on which the findings were based did not comply with essential requirements of law. The division may accept the recommended penalty in a recommended order, but may not reduce or increase it without a review of the complete record and without stating with particularity its reasons therefore in the order.

(2) Consent Order: If all named parties agree, the division steward may attempt to resolve the case by facilitating a settlement agreement between the parties in the form of a consent order signed by the parties. Such a consent order does not become a final order of the division unless signed by the director of the division. If the division director rejects a proposed consent order, the proceeding shall continue with the process identified in Rule 61D-3.003, F.A.C.

All civil penalties imposed by the stewards/division judge must be paid within 15 days of the ruling unless the ruling is appealed and a stay has been entered pursuant to Rule 61D-

3.003, F.A.C. The fine must be paid within 15 days of the resolution of the appeal.

61D-3.005 Disputes of Material Fact

The board of stewards does not have jurisdiction to hear cases involving genuine issues of material fact. Once a disputed issue of material fact is presented, the board of stewards must relinquish jurisdiction over the proceeding back to the division to be governed by Section 120.57(1), F.S., and referred to the Division of Administrative Hearings.

All civil penalties pursuant to this rule must be paid within 15 days of the resolution of the appeal.

(2) Appellate Rights: A named party has the right to judicial review as specified in Section 120.68, F.S., following the imposition of a final order by the division.

61D-3.007 Return of Purse

(1) In order for the return of a purse to be ordered by the division upon the finding of a violation of Section 550.2415, F.S., the division shall state in the Administrative Complaint that such a penalty may be imposed. The division shall also provide notice to interested persons as required in subsection (2) below.

(2) Rights of Interested Persons or Entities:

(a) For purposes of this rule, “interested persons” means any “person,” as defined by Sections 120.52(14) and 1.01(3), F.S., whose substantial interests will be affected by the proposed agency action.

(b) Notice of a Proceeding to Interested Persons: Notice of a violation of Section 550.2415, F.S., where return of a purse has been identified in the Administrative Complaint as a potential penalty, shall be publicly posted at <http://www.myfloridalicense.com/DBPR/pari-mutuel-wagering/notice-of-proceeding/>. Such notice shall include, at a minimum, the following:

1. The name of the horse that is the subject of the administrative complaint;

2. The date of the race that the alleged violation occurred;

3. The number of the race and performance which the alleged violation occurred;

4. The racetrack where the alleged violation occurred;

5. A link to the copy of the filed Administrative Complaint at issue; and

6. The date which the information was publicly posted on the website.

(3) In a proceeding where the division has followed the requirements in subsections (1) and (2) above, the recommended order issued shall provide a recommendation to the division regarding whether the return of a purse shall be imposed.

(4) Notice of Hearing to Owners: Prior to a stewards’ hearing for an alleged violation of Section 550.2415, F.S., where return of a purse has been identified in the Administrative Complaint as a potential penalty, the stewards shall give at least five business days notice to each owner who may be adversely affected of the date, time, and location of the hearing. Such notice shall be mailed to the owners’ last known address on record with the division and sent by electronic mail to any known electronic mail addresses on file.

(5) The return of a purse shall be imposed in accordance with the recommended penalties for licensed owners in the Classification and Penalty Guidelines incorporated by reference in Rule 61D-6.011, F.A.C. If any aggravating or mitigating factors listed in Rule 61D-6.011 (5), F.A.C. are found, the recommended penalty may be adjusted accordingly. A recommended order shall identify any facts found to provide evidence of aggravating or mitigating factors which supported an adjustment to the recommended penalty. When rejecting or modifying a conclusion of law or interpretation of administrative rule, the division must state with particularity its reasons for rejecting or modifying such conclusion of law or interpretation of administrative rule and must make a finding that its substituted conclusion of law or interpretation of administrative rule is as or more reasonable than that which was rejected or modified. Rejection or modification of conclusions of law may not form the basis for rejection or modification of findings of fact. The division may not reject or modify the findings of fact unless the division first determines from a review of the entire record, and states with particularity in the order, that the findings of fact were not based upon competent substantial evidence or that the proceedings on which the findings were based did not comply with essential requirements of law. The division may accept the recommended penalty in a recommended order, but may not reduce or increase it without a review of the complete record and without stating with particularity its reasons therefore in the order.

(6) At any time in a proceeding prior to a final hearing, an interested person may move to intervene as directed and

authorized by Chapter 120, F.S. and Rule 28-106.205, F.A.C. A motion to intervene shall be ruled on by the division steward in accordance with Chapter 120, F.S. and Rule 28-106.205, F.A.C. An interested person that successfully intervenes in a proceeding shall have all of the rights of a named party in a proceeding.

(7) In the event an administrative complaint has been filed alleging a violation of Section 550.2415, F.S., where return of the purse may be ordered, any purse money which has not been disbursed in connection with the horse identified in the administrative complaint shall be placed on account with the permitholder’s comptroller until resolution of all proceedings.

(8) In the event the division orders redistribution of a purse, the division shall order such purse be returned to the awarding permitholder for redistribution to the remaining eligible race participants pursuant to the permitholder’s internal regulations.

(9) A permitholder shall have written rules, which may be reviewed upon request by any member of the public or employee of the Division, regarding the process for redistributing purses returned to the permitholder.

Section IV Emergency Rules

DEPARTMENT OF HEALTH

Board of Chiropractic Medicine

RULE NO.: RULE TITLE:
64B2ER20-41 Satisfaction of Continuing Education and
 Meeting Attendance Requirements Through
 Online or Virtual Live Technology

SPECIFIC REASONS FOR FINDING AN IMMEDIATE DANGER TO THE PUBLIC HEALTH, SAFETY OR WELFARE: The Florida Board of Chiropractic Medicine (“Board”) is statutorily mandated to require forty (40) contact classroom hours of Continuing Education (“CE”) for Chiropractic Physicians and twenty-four (24) hours for Certified Chiropractic Physician’s Assistants as a prerequisite to biennial licensure renewal for licensees. In addition, the Board, by rule, requires all licensees to attend one in-person board meeting within their first year of licensure or practice in Florida.

On March 1, 2020, Florida Governor Ron DeSantis issued Executive Order Number 20-51 which directed the State Health Officer and Surgeon General, Dr. Scott Rivkees, to declare a public health emergency regarding the spread of the Novel Coronavirus Disease 2019 (COVID-19). On March 9, 2020, Governor DeSantis issued Executive Order Number 20-52 (Emergency Management - COVID-19 Public Health Emergency) and officially declared that a state of emergency exists in the State of Florida. COVID-19 disease is a severe acute respiratory illness that can spread among humans through respiratory transmission and presents with symptoms similar to those of influenza. As of August 9, 2020, there are over 532,800 confirmed cases of COVID-19 disease in the State of Florida. The Center for Disease Control (“CDC”) recommends mitigation measures to combat the spread of COVID-19 disease such as “social distancing,” wearing masks in public, staying home when sick, keeping away from others who are sick, staying home when a household member is sick with respiratory disease symptoms, and for those who are at higher risk, including older adults and those who have serious chronic medical conditions, to avoid non-essential travel and to avoid in-person gatherings. Even though mitigation measures have been successful in “slowing the spread,” the risk of public infection remains high.

Since the issuance of the Executive Orders and declaration of a public health emergency by the Governor and the State Health Officer, the Board has determined that online technologies, including video streaming/videoconferencing, can provide a level of quality which, due to the ongoing public health emergency, could be used as an alternative method of delivery

of CE courses and virtual meeting participation, and which would satisfy the purpose and intent of the statute and promulgated rules, without exposure to the dangers of being in large groups of people, necessity of travel itself, potential contribution to the spread of the virus, and most importantly, would ensure compliance with the State Health Officer's Orders, CDC Recommendations, and Governor DeSantis's Emergency Orders, including the Governor's "Safe. Smart. Step-by-Step." recovery plan.

Florida's Chiropractic Professionals, and those who come in contact with them, should not be unnecessarily put at risk during this healthcare emergency. Accordingly, the Board, by emergency rule, will authorize licenses to satisfy CE and meeting attendance requirements through virtual live, synchronous online, and/or asynchronous online methods, while it contemporaneously initiates rulemaking to extend these changes until the end of the current licensure renewal biennium. The Board finds that this action is a measured regulatory approach that helps to mitigate the threat of exposure to COVID-19 disease to Floridians, including Chiropractic professionals and those that come in contact with them, while still satisfying the purpose and intent of the waived requirements.

REASON FOR CONCLUDING THAT THE PROCEDURE IS FAIR UNDER THE CIRCUMSTANCES: : Given the ongoing declared emergency in the State of Florida; Emergency Order 20-91; the guidance from the CDC; that chiropractic licensees are required to attend in-person continuing education courses and/or live meeting attendance to fulfill initial licensure or renewal requirements, the Board finds that an immediate danger to the public health, safety, or welfare necessitates immediate action regarding this issue. In addition, at the same meeting where this Emergency Rule was proposed, the Board determined to initiate rulemaking to amend the Board's underlying rules in Chapter 64B2, Florida Administrative Code, to allow online and virtual live through the current renewal biennium, March 31, 2022; after this date, the existing requirements will resume unless altered by subsequent Board action. Notice of this meeting was published in the Florida Administrative Register in Volume 46, No. 201 on October 14, 2020. In addition, notice of the meeting was posted on the Board's official website.

SUMMARY: The emergency rule authorizes licensees to obtain all required continuing education hours by any means, live, virtual live, or online; and first year licensees to satisfy the required meeting attendance through either a live or online/livestreaming/webinar meeting for the ninety-day effective period of the emergency rule.

THE PERSON TO BE CONTACTED REGARDING THE EMERGENCY RULE IS: Anthony B. Spivey, Dr.BA,

DEPARTMENT OF BUSINESS AND PROFESSIONAL REGULATION

Division of Hotels and Restaurants

RULE NO.: RULE TITLE:

61C-4.010 Sanitation and Safety Requirements
 The Florida Department of Business and Professional Regulation, Division of Hotels and Restaurants hereby gives notice: On November 13, 2020 the Division of Hotels and Restaurants received a Petition for an Emergency Variance for subparagraph 3-305.11(A)(2), 2017 FDA Food Code, Section 3-305.14, 2017 FDA Food Code, Section 6-202.15, 2017 FDA Food Code, Section 6-202.16, 2017 FDA Food Code,

subsection 61C-4.010(1), Florida Administrative Code, and subsection 61C-4.010(6), Florida Administrative Code from Camila Lunch Truck located in Orlando. The above referenced F.A.C. addresses the requirement for proper handling and dispensing of food. They are requesting to dispense bulk time/temperature control for safety foods from an open air mobile food dispensing vehicle.

The Petition for this variance was published in Vol 46/223 on November 16, 2020. The Order for this Petition was signed and approved on November 20, 2020. After a complete review of the variance request, the Division finds that the application of this Rule will create a financial hardship to the food service establishment. Furthermore, the Division finds that the Petitioner meets the burden of demonstrating that the underlying statute has been achieved by the Petitioner ensuring that each pan within the steam table is properly covered with an individual lid; the steam table is enclosed within a cabinet with tight-fitting doors, and is protected by an air curtain installed and operated according to the manufacturer’s specifications that protects against flying vermin or other environmental contaminants; all steam table foods must be properly reheated for hot holding at approved commissaries and held hot at the proper minimum temperature per the parameters of the currently adopted FDA Food Code; and steam table food is to be dispensed by the operator with no customer self-service. The Petitioner shall also strictly adhere to the operating procedures and copies of the variance and operating procedures are to be present on the MFDV during all periods of operation.

A copy of the Order or additional information may be obtained by contacting: Kasimira.Kelly@myfloridalicense.com, Division of Hotels and Restaurants, 2601 Blair Stone Road, Tallahassee, Florida 32399-1011.
