PURPOSE AND EFFECT: The Board proposes the rule amendment to incorporate by reference the newest version of the rules of the Auditor General.

SUMMARY: The newest version of the rules of the Auditor General will be incorporated.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: During discussion of the economic impact of this rule at its Board meeting, the Board concluded that this rule change will not have any impact on licensees and their businesses or the businesses that employ them. The rule will not increase any fees, business costs, personnel costs, will not decrease profit opportunities, and will not require any specialized knowledge to comply. This change will not increase any direct or indirect regulatory costs. Hence, the Board determined that a Statement of Estimated Regulatory Costs (SERC) was not necessary and that the rule will not require ratification by the Legislature. No person or interested party submitted additional information regarding the economic impact at that time.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

NOTICE OF CORRECTION

Notice is hereby given that the following correction has been made to the proposed rule in Vol. 46 No. 227, November 20, 2020 issue of the Florida Administrative Register.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has been prepared by the Agency.

The rules do not have an adverse impact on small business and are not likely to increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of each rule because these amendments update the rules to implement 2020-071, Laws of Florida, and improve the wording of the rules generally so that its application is unambiguous and consistent, lest the Agency be found to be operating under an unadopted rule. Given the statutory requirements, the Agency determined each rule does not have an adverse impact on economic growth, private sector job creation or employment, private sector investment, business competitiveness, productivity, or innovation, nor do they increase regulatory costs, including transactional costs.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein:

A SERC Checklist and SERC were prepared by the Agency to determine the need for legislative ratification. Based on this information at the time of the analysis, summarized above, and pursuant to section 120.541, Fla. Stat., the rules will not require legislative ratification because costs will not be in excess of \$1 million in the aggregate within 5 years after the implementation of the rules.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

The first paragraph of the SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION is updated to read:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has been prepared by the Agency.

The following is added to the SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

Subsequent to the publication of the Notice of Proposed Rule, a lower cost regulatory alternative (LCRA) was submitted to the Agency; a Statement of Estimated Regulatory Costs was prepared in response to the LCRA.

- The rule is not likely to directly or indirectly have an adverse impact on economic growth, private-sector job creation or employment, or private-sector investment in excess of \$1 million in the aggregate within 5 years after the implementation of the rule.
- The rule is not likely to directly or indirectly have an adverse impact on business competitiveness, including the ability of persons doing business in the state to compete with persons doing business in other states or domestic markets, productivity, or innovation in excess of \$1 million in the aggregate within 5 years after the implementation of the rule.
- The rule is not likely to directly or indirectly increase regulatory costs, including any transaction costs, in excess of \$1 million in the aggregate within 5 years after the implementation of the rules.
