Proposed Rules**

DEPARTMENT OF HEALTH

Board of Osteopathic Medicine

RULE NOS.:	RULE TITLES:
64B15-12.003	Applications for Licensure
64B15-12.005	Limited Licensure
64B15-12.009	Osteopathic Faculty Certificate
64B15-12.010	Temporary Certificate to Practice in an Area of Critical Need
64B15-12.011	Temporary Certificate for Active Duty Military and Veterans Practicing in Areas of Critical Need

PURPOSE AND EFFECT: The proposed rule amendment is intended to clarify the rule language in the applications for licensure, including the revised health history questions and other questions, and general substantial reformatting the applications.

SUMMARY: Incorporation of the revised application and clarify rule language.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: During discussion of the economic impact of this rule at its Board meeting, the Board concluded that this rule change will not have any impact on licensees and their businesses or the businesses that employ them. The rule will not increase any fees, business costs, personnel costs, will not decrease profit opportunities, and will not require any specialized knowledge to comply. This change will not increase any direct or indirect regulatory costs. Hence, the Board determined that a Statement of Estimated Regulatory Costs (SERC) was not necessary and that the rule will not require ratification by the Legislature. No person or interested party submitted additional information regarding the economic impact at that time.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

APPROVING CITY OF MARATHON ORDINANCE NO.

The Department of Economic Opportunity (the “Department”) hereby issues its Final Order, pursuant to Section 380.05(6), Florida Statutes, approving land development regulations adopted by the City of Marathon (the “City”), Ordinance No. 2022-02 (the “Ordinance”).

FINDINGS OF FACT

1. The Florida Keys Area is designated by Section 380.0552, Florida Statutes, as an area of critical state concern. The City is a local government within the Florida Keys Area.

CONCLUSIONS OF LAW

5. “Land development regulations” include local zoning, subdivision, building, and other regulations controlling the development of land. Section 380.031(8), Florida Statutes. The regulations adopted by the Ordinance are land development regulations.
6. The Ordinance is consistent with the City’s Comprehensive Plan as required by Section 163.3177(1), Florida Statutes, generally, and is specifically consistent with Policy 1-1.1.2 *Adopt Compatibility for Residential and Non-Residential Review Criteria*.

All land development regulations enacted, amended, or rescinded within an area of critical state concern must be consistent with the principles for guiding development for that area. *See* Section 380.05(6), Florida Statutes. The Principles for Guiding Development for the Florida Keys Area of Critical State Concern are set forth in Section 380.0552(7), Florida Statutes.
8. The Ordinance is consistent with the Principles for Guiding Development in Section 380.0552(7), Florida Statutes and is specifically consistent with the following Principles:

WHEREFORE, IT IS ORDERED that the Department finds that the City of Marathon Ordinance No. 2022-02 is consistent with the City of Marathon’s Comprehensive Plan and the Principles for Guiding Development for the Florida Keys Area of Critical State Concern and is hereby APPROVED. In re: A LAND DEVELOPMENT REGULATION
ADOPTED BY POLK COUNTY, FLORIDA
ORDINANCE NO. 22-032

FINAL ORDER
APPROVING POLK COUNTY ORDINANCE NO. 22-032

The Department of Economic Opportunity (“Department”) hereby issues its Final Order, pursuant to section 380.05(6), Florida Statutes, approving land development regulations adopted by Polk County, Florida, (the “County”) Ordinance No. 22-032 (the “Ordinance”).

FINDINGS OF FACT

1. The Green Swamp Area is designated by section 380.0551, Florida Statutes, as an area of critical state concern. The County is a local government within the Green Swamp Area of Critical State Concern.

2. The Ordinance was adopted by the County on May 3, 2022.

3. The Ordinance amends the Use Table for Standard Land Use Districts in Chapter 4, Section 401.06 to add “Heavy Machinery Equipment Sales and Services” as a “C2” Conditional Use in the Regional Activity Center-X land use district within the North Ridge Selected Area Plan.

CONCLUSIONS OF LAW

4. The Department is required to approve or reject land development regulations that are adopted by any local government in an area of critical state concern. See section 380.05(6), Florida Statutes; See also Chapter 28-26, Florida Administrative Code.

5. “Land development regulations” include local zoning, subdivision, building, and other regulations controlling the development of land. Section 380.031(8), Florida Statutes. The regulations adopted by the Ordinance are land development regulations.

6. The Ordinance is consistent with the County’s Comprehensive Plan generally, as required by section 163.3177(1), Florida Statutes, and specifically, with Objective 2.101-A and Policy 2.131-Q3.

7. All land development regulations enacted, amended, or rescinded within an area of critical state concern must also be consistent with the principles for guiding development for that area. See section 380.05(6), Florida Statutes. The Principles for Guiding Development for the Green Swamp Area of Critical State Concern are set forth in rule 28-26.003(1), Florida Administrative Code.

8. The Ordinance is consistent with the Principles for Guiding Development as a whole, and is not inconsistent with any of the Principles for Guiding Development.

WHEREFORE, IT IS ORDERED that the Department finds that Polk County Ordinance No. 22-032 is consistent with the County’s Comprehensive Plan and the Principles for Guiding Development for the Green Swamp Area of Critical State Concern and is hereby APPROVED.

This Order becomes effective 21 days after publication in the Florida Administrative Register unless a petition is timely filed as described in the Notice of Administrative Rights below.
