### Proposed Rules

**DEPARTMENT OF HEALTH**

**Board of Athletic Training**

RULE NO.:      RULE TITLE:

64B33-5.002      Mitigating and Aggravating Circumstances

PURPOSE AND EFFECT: Vague and discretionary language is removed from the list of mitigating or aggravating factors which may be used by the board for penalties.

SUMMARY: The proposed amendment deletes language concerning the application of mitigating or aggravating factors in disciplinary cases which may be vague or vest unbridled discretion to the board in violation of section 120.52(8)(d), Florida Statutes.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within

one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: During discussion of the economic impact of this rule at its Board meeting, the Board concluded that this rule change will not have any impact on licensees and their businesses or the businesses that employ them. The rule will not increase any fees, business costs, personnel costs, will not decrease profit opportunities, and will not require any specialized knowledge to comply. This change will not increase any direct or indirect regulatory costs. Hence, the Board determined that a Statement of Estimated Regulatory Costs (SERC) was not necessary and that the rule will not require ratification by the Legislature. No person or interested party submitted additional information regarding the economic impact at that time.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

**64B33-5.002 Mitigating and Aggravating Circumstances.**

If mitigating factors are present, the administrative fine may be reduced and a less severe action, such as a reprimand or probation, taken against the licensee from the range of actions given in the disciplinary guidelines. If aggravating factors are present, the maximum administrative fine may be imposed and more severe action, such as suspension or revocation, taken against the licensee from the range of actions given in the disciplinary guidelines. The Board shall consider as aggravating or mitigating factors the following:

- (1) through (12) No Change.
