#### (1) Suspension of Inmate Visitation Privileges.

(a) Suspension of an inmate's visitation privileges pursuant to paragraphs (1)(b)-(e) below will be considered by the ICT as a management tool independent of any disciplinary action or close management placement resulting from a listed infraction or incident. The ICT will consider the following factors when contemplating a suspension of an inmate's visitation privileges:

1. The severity of the precipitating conduct/offense(s);

2. Whether allowing continued visitation privileges would present a threat to the safe and secure operation of the institution, or to the security and operational integrity of the visiting area;

3. Whether the inmate's placement or pending placement in a special status such as close management, administrative confinement, disciplinary confinement, or maximum management would, on its own, result in an appropriate visitation restriction;

(b) Suspension of an inmate's visitation privileges will be considered by the ICT as a management tool when an inmate is found guilty of one or more of the following enumerated offenses set forth in Rule 33-601.314, F.A.C.:

Unauthorized possession or use of a cellular telephone or any other type of wireless communication device or any components or peripherals to such devices, including but not limited to SIM cards, Bluetooth items, batteries, and charging devices; any other technology that is found to be in furtherance of possessing or using a portable communication device prohibited under statute;

16. Possession of gang-related paraphernalia or related material, gang symbols, logos, gang colors, drawings, hand signs, or gang-related documents;

(d) Suspension of an inmate's visitation privileges will be considered by the ICT as a management tool when an inmate is placed in close management for one or more of the following:

1. An incident causing death;
2. A pattern of predatory actions which makes an inmate a threat to others;
3. An act causing injury or an act which could have resulted in injury to another;

(f) The ICT will temporarily suspend the visitation privileges of any inmate subject to a pending investigation for escape, attempted escape, or possession of escape paraphernalia until the investigation is complete. If the inmate is found guilty in a disciplinary proceeding or is placed in close management, the ICT will consider suspension of the inmate's visitation privileges pursuant to paragraphs (1)(b)-(e) of this rule. If the inmate is not found guilty or is not placed in close management,

the ICT will immediately reinstate the inmate's visitation privileges.

(g) If an inmate is found guilty in a disciplinary proceeding or is placed in close management for one or more of the offenses or incidents listed in paragraphs (1)(b)-(e) of this rule, the ICT will consider suspending the inmate's visitation privileges for the length of time specified on Form NI1-102, Visitation Privileges Suspension Matrix. Form NI1-102 is hereby incorporated by reference. Copies of the form are available from the Forms Control Administrator, 501 South Calhoun Street, Tallahassee, Florida 32399-2500, <http://www.flrules.org/Gateway/reference.asp?No=Ref-XXXXX>. The effective date of the form is XX/XX.

(h) If an inmate's visitation privileges are suspended pursuant to this rule and the inmate is subsequently found guilty in a disciplinary proceeding or is placed in close management for one or more of the offenses or incidents listed in paragraphs (1)(b)-(e) of this rule, the inmate will be subject to an increased period of suspension as follows:

1. If the subsequent offense occurs within two years of a guilty finding or placement in close management for the same offense, the inmate's visitation privileges will be suspended for the length of time specified on Form NI1-102 for subsequent offenses. This period of suspension will run concurrently with any period of suspension remaining as a result of the previous offense.

2. If the subsequent offense occurs within two years of a guilty finding or placement in close management for a different offense, the inmate's visitation privileges will be suspended for the length of time specified on Form NI1-102 for an initial violation. This period of suspension will run concurrently with any period of suspension remaining as a result of the previous offense.

(i) In lieu of suspending an inmate's visitation privileges when the inmate is found guilty of an offense listed in paragraph (1)(b) or (c) or is placed in close management for an incident listed in the paragraph (1)(d) or (e) of this rule, the ICT is authorized to consider placement of an inmate in non-contact visitation status as provided in Rule 33-601.735, F.A.C.

(j) When the suspension of an inmate's visitation privileges is authorized pursuant to paragraphs (1)(b)-(e) above, the ICT may recommend to the regional director, as a management tool, a visitation suspension outside the time frames set forth in Form NI1-102, up to and including an indefinite suspension. An enhanced suspension will only be considered for those inmates who have demonstrated through documented behavior that they are a chronic and recurring management problem that threatens the safety of others or threatens the safety, security, order, or effective management of the institution. The ICT will submit a detailed recommendation to the regional director outlining the justification for an enhanced suspension. The recommendation

and the regional director's decision will be recorded in the Department's electronic inmate database, and the inmate will be notified accordingly by institutional staff.

(2) Suspension of Visitor Visitation privileges.

(a) A visitor's visitation privileges will be indefinitely suspended by the warden or designee when the visitor:

1. Is found to be in actual or constructive possession of unauthorized drugs or substances, including narcotics, depressants, stimulants, aromatic stimulants, hallucinogens, cannabis, any other type of intoxicant (excluding intoxicating beverages), or drug paraphernalia when on the property of an institution or when entering or exiting an institution, or is found passing, attempting to pass, accepting, or attempting to accept such items to or from an inmate.

1. If the subsequent offense occurs within two years of the commission of the same offense, the visitor's visitation privileges will be suspended for the length of time specified on Form NI1-102 for subsequent offenses.
