NOTICE OF CORRECTION

Notice is hereby given that the following correction has been made to the proposed rule in Vol. 48 No. 167, August 26, 2022 issue of the Florida Administrative Register.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

This section omitted the statement about what information the Department relied upon to determine whether legislative ratification was needed. It should have stated: The Department has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has been prepared by the Department.

The Department has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs and the information expressly relied upon and described herein: the Department used a checklist to conduct an economic analysis and determine if there is an adverse impact or regulatory cost associated with these rules that exceeds the criteria in section 120.541(2)(a), F.S. Based upon this analysis, the Department has determined that the proposed rule will not create an adverse impact on economic growth or impose regulatory costs. The rule is, therefore, not expected to require legislative ratification.

DEPARTMENT OF HEALTH

Board of Psychology

RULE NO.: RULE TITLE:

64B19-11.005 Supervised Experience Requirements

The Board of Psychology hereby gives notice: of the issuance of an Order regarding the Petition for Waiver or Variance, which was filed on August 12, 2022, by Renee VanSlyke. The Notice of Petition for Waiver or Variance was published in Volume 48, Number 173, of the September 6, 2022, Florida Administrative Register. Petitioner was seeking a variance or waiver from paragraph 64B19-11.005(1)(c), F.A.C., which

states that a supervisor is either a licensed Florida psychologist in good standing with the Board, or a doctoral-level psychologist licensed in good standing in another state or United States territory or Canada providing supervision for licensure in that state or territory.

The Board considered the instant Petition at a duly-noticed public telephonic meeting held October 28, 2022. The Board's Order, filed on November 4, 2022, granted the petition finding that Petitioner established that the purpose of the underlying statute would be met by granting a variance or waiver from paragraph 64B19-11.005(1)(c), F.A.C. The Board further finds that Petitioner established that applying the requirements of the aforementioned rule to petitioner's circumstances would violate principles of fairness and impose substantial hardship.

A copy of the Order or additional information may be obtained by contacting: Allen Hall, Executive Director, Board of Psychology, 4052 Bald Cypress Way, Bin #C05, Tallahassee, Florida 32399-3253, or by electronic mail-Allen.Hall@flhealth.gov.
