RULE NO.: RULE TITLE:

61C-1.004 General Sanitation and Safety Requirements

The Florida Department of Business and Professional Regulation, Division of Hotels and Restaurants hereby gives notice: On February 16, 2022 the Division of Hotels and Restaurants received a Petition for an Emergency Variance for paragraph 61C-1.004(1)(a), Florida Administrative Code and Paragraph 5-202.11(A), 2017 FDA Food Code from AVOCADOS FOOD 03 LLC located in Sunrise. The above referenced F.A.C. addresses the requirement that each establishment have an approved plumbing system installed to transport potable water and wastewater. They are requesting to utilize holding tanks to provide potable water and to collect wastewater at the handwash sink and 3-compartment sink.

The Petition for this variance was published in Vol. 48/34 on February 18, 2022. The Order for this Petition was signed and approved on February 25, 2022. After a complete review of the variance request, the Division finds that the application of this Rule will create a financial hardship to the food service establishment. Furthermore, the Division finds that the Petitioner meets the burden of demonstrating that the underlying statute has been achieved by the Petitioner ensuring the wastewater holding tank for the handwash sinks and 3-compartment sink are emptied at a frequency as to not create a sanitary nuisance; and potable water provided must come from an approved source and be protected from contamination during handling. The Petitioner shall also ensure that the handwash sinks are provided with hot and cold running water under pressure, soap, an approved hand drying device and a handwashing sign.

A copy of the Order or additional information may be obtained by contacting: Kasimira.Kelly@myfloridalicense.com, Division of Hotels and Restaurants, 2601 Blair Stone Road, Tallahassee, Florida 32399-1011.

Board of Optometry

RULE NO.: RULE TITLE:

64B13-4.001 Examination Requirements

The Board of Optometry hereby gives notice: of the issuance of an Order regarding the Petition for Waiver or Variance, which was filed on December 28, 2021, by Sissi Fernandez. Petitioner was seeking a waiver or variance from subparagraphs 64B13-4.001(1)(d)2. and 3., F.A.C., entitled, "Examination Requirements" which states in part that the licensure examination authorized in subsection 463.006(2), F.S., shall consist of four parts with one being the Florida Practical Examination. The Florida Practical Examination shall consist of three (3) tested skills and the Board requires passage of all

three (3) skills on the same test attempt. The three (3) skills are Biomicroscopy, Binocular Indirect Ophthalmoscopy, Dilated Biomicroscopy and Non-Contact Fundus Lens Evaluation and are weighted equally. The passing score for each skill shall be seventy-five percent (75%) or better, and a passing score on each of the three (3) skills must be obtained on the same test attempt. The Notice was published in Volume 47, No. 251, of the Florida Administrative Register, on December 30, 2021.

The Board considered the instant Petition at a duly-noticed public meeting held January 14, 2022, in Lake Mary, Florida. The Board's Order, filed on March 2, 2022, granted the petition finding that Petitioner had established that the purpose of the underlying statute would be met by granting a variance or waiver from subparagraphs 64B13-4.001(1)(d)2. and 3., F.A.C. The Board further finds that Petitioner established that applying the requirements of the aforementioned rule to petitioner's circumstances would violate principles of fairness and impose substantial hardship.

A copy of the Order or additional information may be obtained by contacting: Joe R. Baker, Jr., Acting Executive Director, Board of Optometry, 4052 Bald Cypress Way, Bin # C07, Tallahassee, Florida 32399-3257, telephone: (850)488-0595, or by electronic mail: MQA.Optometry@flhealth.gov.
