Florida Real Estate Commission

NOTICE IS HEREBY GIVEN that Florida Real Estate Commission has issued an order disposing of the petition for declaratory statement filed by Carol Jones-Gilbert on the behalf of Palm Beach County Housing Authority, on January 3, 2022. The following is a summary of the agency's disposition of the petition: The Notice of Petition for Declaratory Statement was published in Volume 48, No. 22, of the February 2, 2022, Florida Administrative Register. The Petitioner sought a Declaratory Statement from the Commission with regard to applicability of Chapters 421 and 475, Florida Statutes, as it applies to the petitioner. Petitioner's petition requests, two statements, “that under the facts and circumstances outlined herein, the PHA, Spectra and the Affiliate are exempt from the licensing requirements of Chapter 475 pursuant to the independent authority granted to the PHA in Chapter 421. Alternatively, the PHA requests that the Commission enter a Declaratory Statement stating that under the facts and

circumstances outlined herein that the PHA, Spectra and the Affiliate meet the exemption requirements of subsections 475.011(2) and/or (3), provided no employees are compensated on a commission basis.” The Florida Real Estate Commission considered the Petition at a duly noticed public meeting held on February 16, 2022, in Orlando, Florida. The Commission’s Order was filed on March 15, 2022. The Commission GRANTS IN PART and DENYS IN PART the Petition for Declaratory Statement. The Commission finds the petition in compliance of Section 120.565, F.S. The Commission has no jurisdiction or authority to interpret or implement the cited provision of Chapter 421, therefore the Commission declines to issue a statement regarding the interpretation of that statutory provision and denies that portion and the petition. However, the Commission does have authority and jurisdiction over the provisions within Chapter 475, F.S., including the cited provision. Under the facts and circumstances outlined by the Petitioner, the Commission states, “that Petitioner PHA and its affiliates and instrumentalities, including Spectra and Spectra Management LLC, qualifies for the exemption set forth in subsection 475.011(2), F.S., provided that the involved employees are NOT compensated on a commission or per transaction basis. Therefore, the Commission DENIES the Petition to the extent it requests a statement regarding 421, F.S., and declines to issue any statement, as specified in Final Order. A copy of the Order Disposing of the Petition for Declaratory Statement may be obtained by contacting: Giovanna Corona, Executive Director, Florida Real Estate Commission, 400 W. Robinson Street, #N801, Orlando, FL 32801, Giovanna.Corona@myfloridalicense.com.

NOTICE IS HEREBY GIVEN that Florida Real Estate Commission, on January 24, 2022, has issued an order disposing of the petition for declaratory statement filed by Orbach Affordable Housing Solutions LLC (“Orbach Housing”) and Orbach Affordable Management LLC (“Orbach Management”) on January 12, 2022. The following is a summary of the agency's disposition of the petition: from Notice of Scrivener’s Error filed on January 25, 2022. The Notice of Petition for Declaratory Statement was published in Volume 48, No. 17, of the January 26, 2022, Florida Administrative Register. The Petitioner sought a Declaratory Statement from the Commission with regard to applicability of subsections 475.011(2) and 475.011(4), Florida Statutes, as it applies to the petitioner. Petitioner’s petition, asks, the Commission to determine “that Orbach Housing, Orbach Management, their subsidiaries and affiliated companies, including OK Riverside LLC, and their on-site salaried

employees, are not required to hold a Florida real estate broker or agent license in order to lease, manage, and operate property owned by Orbach Housing, its subsidiaries or its affiliated companies, including OK Riverside LLC, because no commission will be paid in relation thereto.” The Florida Real Estate Commission considered the Petition at a duly noticed public meeting held on February 16, 2022, in Orlando, Florida. The Commission Grants the Petition and states that, “Petitioners and their employees are exempt pursuant to subsection 475.011(2) and (4) from maintaining a Florida real estate broker or agent license when Petitioners’ salaried employees provide property management services for real property which is owned by Petitioners’ affiliated companies as long as said employees are not paid on a transactional basis or paid any commission based compensation” as specified in Final Order.

A copy of the Order Disposing of the Petition for Declaratory Statement may be obtained by contacting: Giovanna Corona, Executive Director, Florida Real Estate Commission, 400 W. Robinson Street, #N801, Orlando, FL 32801, Giovanna.Corona@myfloridalicense.com.

DEPARTMENT OF BUSINESS AND PROFESSIONAL REGULATION

Florida Real Estate Commission

NOTICE IS HEREBY GIVEN that Florida Real Estate Commission has issued an order disposing of the petition for declaratory statement filed by Key West Association of Realtors, on December 16, 2021. The following is a summary of the agency's disposition of the petition: The Notice of Petition for Declaratory Statement was published in Volume 47, No. 246, of the December 22, 2021, Florida Administrative Register. The Petitioner sought a Declaratory Statement from the Commission with regard to applicability of paragraph 475.42(1)(a), Section 475.278, and paragraphs 475.01(1)(a), (i), and (I) Florida Statutes, as they apply to the petitioner. Petitioner’s petition, asks, two questions 1) “When the vessel which is subject to a leasehold with Garrison Bight is sold, {and} the lease is tied to the sales transaction, but the listing agent for the vessel owner does not represent Garrison Bight (leasehold owner). Does this scenario fall under a real estate license, or is this considered only the sale of a vessel and therefore under a separate licensing category? 2) Is it legal to sell a leasehold versus selling the actual unit that sits atop the parcel of land which is leased?” The Florida Real Estate Commission considered the Petition at a duly noticed public meeting held on February 16, 2022, in Orlando, Florida. The Commission’s Order was filed on March 15, 2022. The Commission determined to DENY the Petition for Declaratory Statement. The Petition fails to meet the requirements of subsection 120.565(2), F.S The Commission finds that the

Petition contains insufficient information to determine Petitioner’s specific facts and circumstances (example: no copies of documents). Therefore, because there is no information on the particular details of the sale transactions, neither question can be answered with specificity and would in effect be offering a speculative general opinion. The Petition is denied, as specified in Final Order.

A copy of the Order Disposing of the Petition for Declaratory Statement may be obtained by contacting: Giuvanna Corona, Executive Director, Florida Real Estate Commission, 400 W. Robinson Street, #N801, Orlando, FL 32801, Giuvanna.Corona@myfloridalicense.com.

NOTICE TO CONSTRUCTION MANAGERS
Florida State University announces that construction management services will be required for the project listed below:

PROJECT NUMBER: FS-262
PROJECT NAME AND LOCATION: Football Operations Facility, Florida State University, Tallahassee, Florida

The new FSU Football Operations Facility will be located on the main FSU Campus adjacent to the Indoor Practice Facility (IPF) in the Athletic complex. This new facility will provide space for football operations and include a variety of specialized spaces for football including team segment/position rooms, team meeting rooms, locker rooms, an equipment area, a nutrition area, a hydrotherapy area, trophy/display areas, player’s lounge, coaches’ offices/meeting rooms, conditioning areas, and a new weight room that will connect to the existing IPF and other gameday and support spaces. The project will also include exterior site work that includes hardscape/plazas, parking adjustments, and any practice field repair/replacement work that is required. The design is being developed by Populous, Kansas City, Missouri and the program will add approximately 150,000 gsf of new space.

It is expected that the football department will remain functional during the project and temporary accommodations may need to be made including phasing. Renovation/remodeling to other existing and related athletic venues, such as the Moore Center when vacated, may be added if funding should become available. The selected construction manager, at the discretion of the University, may be contracted for this work as well. LEED Silver Certification (v.4) by the USGBC will be sought. The estimated project budget is \$90,000,000, and the construction budget is approximately \$70,000,000. An updated facility program is in development and will be made available to the applicants.

The contract for construction management services will consist of two phases. Phase one is pre- construction services, for which the construction manager will be paid a fixed fee. Phase one services include value engineering, constructability analyses, development of a cost model, estimating, and the development of a Guaranteed Maximum Price (GMP) at 100% Construction Document phase. The final determination of the exact timing of the GMP will be confirmed prior to entering a contract with the prospective Construction Manager. If the GMP is accepted, phase two, the construction phase, will be implemented. In phase two of the contract, the construction manager becomes the single point of responsibility for performance of the construction of the project and shall publicly bid trade contracts, encouraging the inclusion of Small and/or Minority Owned Business Enterprises. Failure to negotiate an acceptable fixed fee for phase one of the contract, or to arrive at an acceptable GMP within the time provided in the agreement

may result in the termination of the construction manager's contract.

Selection of finalists for interviews will be made based on construction manager qualifications, including experience and ability; experience; bonding capacity; record-keeping/administrative ability, critical path scheduling expertise; cost estimating; cost control ability; quality control capability; and qualifications of the firm's personnel, staff, and consultants. Finalists will be provided with a description of the final interview requirements, a copy of the standard Florida State University's construction management agreement and will be given access to the updated building program and latest documentation prepared by the project architect/engineer. The Selection Committee may reject all proposals and stop the selection process at any time. The construction manager shall have no ownership, entrepreneurial or financial affiliation with the selected architect/engineer involved with this project.

All applicants must be licensed to practice as general contractors in the State of Florida at the time of application. Corporations must be registered to operate in the State of Florida by the Department of State, Division of Corporations, at the time of application. As required by Section 287.133, Florida Statutes, a construction management firm may not submit a proposal for this project if it is on the convicted vendor list for a public entity crime committed within the past 36 months. The selected construction management firm must warrant that it will neither utilize the services of, nor contract with, any supplier, subcontractor, or consultant more than \$50,000.00 in connection with this project for a period of 36 months from the date of their being placed on the convicted vendor list.

PROJECT SOLE POINT OF CONTACT for the RFQ will be: James C. Johnson, MPA – Strategic Category Manager for MRO/Facilities, Florida State University Facilities Department, Office: (850)645-0407, jcjohnson@fsu.edu.
