

The Petition for Declaratory Statement is denied. The Secretary finds that the business entities in the complex at issue are of the type which do generate or have the potential to generate toxic, hazardous or industrial wastewater, and not just domestic waste or commercial sewage waste. The Secretary finds that the Petitioner is subject to the provisions referenced above and is required to obtain an operating permit from the Department, including the submission of all required fees for such permit. The Secretary makes no conclusions with respect to applicability of Sarasota County Ordinance 97-093.

A copy of the order may be obtained from: Angela Hall, Agency Clerk, Department of Health, Office of the General Counsel, 2020 Capital Circle, S. E., Bin A02, Tallahassee, Florida 32399-1703, telephone (850)414-8012.

**NOTICE TO CONSTRUCTION MANAGERS**

The University of South Florida, on behalf of the State of Florida, Board of Regents, announces that construction management services will be required for the project listed below:

Project No.: BR-511, Project and Location: Engineering Building III, University of South Florida, Tampa Campus.

The project consists of an Engineering Building for the College of Engineering of the University of South Florida, Tampa Campus. The proposed building will incorporate Departmental and Faculty offices, classrooms, and laboratory spaces along with provision for normal, requisite ancillary spaces. Engineering Building III, as programmed, is divided into two (2) parts: Engineering IIIA and Engineering IIIB. Construction of all or a part of Engineering IIIB may or may not proceed concurrently with Engineering IIIA, depending on the availability of funds.

The estimated construction cost may range from a minimum of approximately \$8,500,000 to approximately \$16,700,000 subject to available funds.
