

Railroad Interchange Trackage. Expansion of the railroad interchange trackage between Port Manatee's switching railroad and the CSX Transportation System. This trackage system parallels U.S. Highway 41 by the entrance to Port Manatee.

Cold Storage Warehouse: A 65,340 square foot warehouse, of which 49,500 square feet would be chilled space and the balance would be vestibules and truck loading dock areas in the vicinity of Berth 11.

The Port Authority now owns, operates and maintains a navigable port of entry known as the "Port Manatee" including storage, dockage and terminal facilities, an administrative building, warehouses, docks, jetties, quaywalls, slips, roadways and parkways and other facilities, by means of which general import and export, storage and passenger cruise line businesses are conducted (herein collectively, the "Port Facilities"). The Port Facilities are located in the northwestern portion of the County at Port Manatee whose headquarters are located at 300 Regal Cruise Way, Suite 1, Palmetto, Florida 34221, on approximately 1,150 acres of land being bounded on the East by CSX railroad tracks, on the West by the Gulf of Mexico, on the South by State owned land, and on the North by the Hillsborough County line. The Port Authority will own all improvements to the Port Facilities financed with the Note.

The Notes do not constitute a general indebtedness or obligation of the Issuer within the meaning of any constitutional or statutory provision or limitation, but shall be generally payable from and secured by the loan repayments made by the Port Authority to the Issuer pursuant to the Port Loan. The Port Loan is payable from and secured by revenues of the Port Authority and will also be secured by a covenant of the County to budget and appropriate non-ad valorem revenues whenever the other sources are insufficient or unavailable. The Port Loan will not be or constitute an indebtedness of the Port Authority, the County, the State of Florida or any political subdivision thereof within the meaning of any constitutional, statutory or other limitation of indebtedness.

The aforementioned meeting shall be a public meeting and all persons who may be interested will be given an opportunity to be heard concerning the same. All persons for or against said proposal can be heard at said time and place.

Section VII Notices of Petitions and Dispositions Regarding Declaratory Statements

DEPARTMENT OF CORRECTIONS

NOTICE IS HEREBY GIVEN that the State of Florida, Department of Corrections, received a Petition to Initiate Rulemaking on February 22, 2001 from Michael Newell. Petitioner is seeking amendment of Rule 33-210.102(4) and (5), Florida Administrative Code, to require precise definitions of the phrases "off-duty" and "other areas specifically for this purpose." The Petitioner also requests clarification as to whether the intent of the rule is to require that all access to law libraries be by request and call-out.

A copy of the Petition may be obtained by writing: Giselle Lysten Rivera, Assistant General Counsel, Department of Corrections, 2601 Blair Stone Road, Tallahassee, Florida 32399-2500.

DEPARTMENT OF ENVIRONMENTAL PROTECTION

The Department of Environmental Protection announces its entry of a Final Order on Petition for Declaratory Statement, as required by Section 120.565(3), Florida Statutes.

NAME OF THE PETITIONER: Pinellas County

DATE THE PETITION WAS FILED: November 22, 2000

NATURE OF THE REQUEST FOR DECLARATORY STATEMENT: Whether Rule 62-701.320(12), Florida Administrative Code, which establishes a setback distance from airports for certain solid waste management facilities, applies to the existing Bridgeway Acres Landfill in Pinellas County.

REFERENCE TO THE PLACE AND DATE OF PUBLICATION OF THE NOTICE OF THE PETITION: Florida Administrative Weekly, December 15, 2000, Vol. 26, No. 50.

THE DATE OF THE FINAL ORDER ON PETITION FOR DECLARATORY STATEMENT: February 20, 2001.

THE GENERAL BASIS FOR THE AGENCY DECISION: The Department has determined that Rule 62-701.320(12), Florida Administrative Code, does not apply in this case, since the landfill was constructed prior to the effective date of the rule, and that additional development within the slurry wall of the landfill would not constitute a lateral expansion of the landfill.

EXPLANATION OF HOW A COPY OF THE ORDER CAN BE OBTAINED: A copy of the Final Order on Petition for Declaratory Statement is available for public inspection during normal business hours, 8:00 a.m. – 5:00 p.m., Monday through Friday, except legal holidays, at the Department of Environmental Protection, Office of General Counsel, 3900 Commonwealth Boulevard, Tallahassee, Florida 32399-3000. Requests for copies or inspections should be made to Chris McGuire, Assistant General Counsel, at the above address, (850)488-9314 or e-mail to chris.mcguire@dep.state.fl.us.
