Project No.: BR-134/136, Project and Location: Genetics and Cancer Research Center and ICBR Biotechnology Laboratory Pavilion, at the University of Florida, Gainesville, FL. The project consists of two separate programs that will be designed and constructed concurrently. For the Genetic and Cancer Research Center, the project consists of approximately 325,000 GSF state-of-the-art research, training and administrative operations spaces. The construction budget for this new facility is estimated to be \$63,807,000.00. For the ICBR Biotechnology Laboratory Pavilion, the project consists of approximately 29,500 GSF of research, training and administrative operations spaces. The construction budget for this new facility is estimated to be \$5,648,600.00. The selected firm will provide design, construction documents and construction administration services for the referenced project. Blanket professional liability insurance will be required for this project in the amount of \$2,000,000, and will be provided as a part of Basic Services.

INSTRUCTIONS

Firms desiring to apply for consideration shall submit a letter of application. The letter of application should have attached:

1. A completed project-specific "Professional Qualifications Supplement". Applications on any other form will not be considered. Submittals of more than 50 pages (which includes the letter of interest) will be disqualified.
2. A copy of the applicant's current Professional Registration Certificate from the appropriate governing board. An applicant must be properly registered at the time of application to practice its profession in the State of Florida. If the applicant is a corporation, it must be chartered by the Florida Department of State to operate in Florida.
3. Joint Venture Agreement, if applicable. See instructions in the project-specific PQS form. Submit ten (10) copies of the above requested data bound in the order listed above. Applications, which do not comply with the above instructions, may be disqualified. Application materials will not be returned. The plans and specifications for University of Florida projects are subject to reuse in accordance with the provisions of Section 287.055, Florida Statutes. As required by Section 287.133, Florida Statutes, a consultant may not submit a proposal for this project if it is on the convicted vendor list for a public entity crime committed within the past 36 months. The selected consultant must warrant that it will neither utilize the services of, nor contract with, any supplier, subcontractor, or consultant in excess of \$15,000.00 in connection with this project for a period of 36 months from the date of their being placed on the convicted vendor list. Professional Qualifications Supplement for this project, descriptive project information, and selection criteria may be obtained by contacting:
