The Department of Environmental Protection received a petition to initiate rulemaking on September 17, 2001, from the Citizens Preservation Council of Washington County. The petition requests that Holmes Creek from the 276-A bridge in Washington County to the Choctawhatchee River be designated as Outstanding Florida Waters pursuant to Rule 62-302.700, Florida Administrative Code.

A copy of the petition and further information may be obtained from: Ms. Janet Klemm, Bureau of Watershed Management, Department of Environmental Protection, 2600 Blair Stone Road, MS #3570, Tallahassee, Florida 32399-2400, (850)921-9928.

**DEPARTMENT OF HEALTH**

NOTICE IS HEREBY GIVEN THAT the Board of Psychology, State of Florida, has received a Petition for Declaratory Statement from Ralph Mora, Ph.D., in which the Petitioner requests a declaratory statement as to the following:

Petitioner seeks the Department's opinion as to the applicability of Section 490.009(1)(r), Florida Statutes. Petitioner was previous an "in-hospital-therapist" for an adolescent patient in Tennessee in 1985. Two years later, the Petitioner was asked by the adolescent patient to address the courts in Missouri with regard to his petition for parole. Petitioner reviewed the relevant paperwork and wrote to the courts involved. Approximately six years later, the Petitioner interviewed the former patient at the maximum security prison in Jeffersonville, Missouri and provided him information about his mental condition and the likelihood that he would pose a continued danger to others if free.

At this point, Petitioner is considering writing a book on sexual homicide and is contemplating asking the former patient to be the subject of the book. This would require his collaboration by post mail and possibly on tape. The Petitioner asks whether this would constitute a dual relationship under the Florida Statutes.

A copy of the petition for Declaratory Statement may be obtained by writing: Kay Howerton, Board of Psychology, Department of Health, 4052 Bald Cypress Way, Tallahassee, Florida 32399-3257.
