RULE TITLE: Payment Methodology for Inpatient Hospital Services  
 RULE NO.: 59G-6.020

PURPOSE AND EFFECT: The purpose of the proposed amendment is to incorporate changes to the Florida Title XIX Inpatient Hospital Reimbursement plan payment methodology, effective July 1, 2001, to provide the following changes based on Legislative direction provided in Senate Bill 2000, General Appropriations Act 2001-2002, Specific Appropriation 254:

1. Special Medicaid Payments (SMP) will be made to statutory teaching hospitals, hospitals providing primary care to low-income individuals, hospitals that operate designated or provisional trauma centers and rural hospitals.
2. Inpatient reimbursement ceilings will be eliminated for hospitals whose charity care and Medicaid days as a percentage of total hospital days equals or exceeds fifteen percent. Hospitals that exceed the fifteen percent as described above and are a trauma center shall be paid \$2,000,000 if their variable cost rate is less than their variable cost target or county ceiling target. The Agency shall use the 1997 audited DSH data available as of March 1, 2001.
3. Inpatient reimbursement ceilings will be eliminated for hospitals whose Medicaid days as a percentage of total hospital days exceeds 9.6%, and are a trauma center. The Agency shall use the 1997 audited DSH data available as of March 1, 2001.
4. Special Medicaid Payments (SMP) will be made to hospitals that serve as a safety net in providing emergency and inpatient care to low-income and indigent individuals.
5. The Medicaid inpatient per diem rate will be adjusted for Lake Wales Hospital, Winter Haven Hospital, Health Central Hospital and Larkin Community Hospital in accordance with s. 409.905(5)(c), Florida Statutes.
6. From the funds made available under the Medicare program, the Medicaid program, and the State Children’s Health Insurance Program Benefits Improvement and Protection Act of 2000 for the 2001 federal fiscal year, disproportionate share program funds shall be distributed as follows: \$13,937,997 to Jackson Memorial; \$285,298 to Mount Sinai Medical Center; \$313,748 to Orlando Regional Medical Center; \$2,734,019 to Shands – Jacksonville; \$1,060,047 to Shands – University of Florida; \$1,683,415 to Tampa General Hospital; and \$2,231,910 to North Broward Hospital District.
7. Special Medicaid Payments (SMP) of \$379,036,725 will be made to inpatient hospitals providing enhanced services to low-income individuals.

Additional changes to the Plan unrelated to Senate Bill 2000 are as follows:

1. The audited data for charity care days has been updated to 1994 charity data to be used to calculate payments under the regular disproportionate share program.

2. The definition for charity care or uncompensated charity care has been updated to reflect the Federal poverty level is equal to or less than 200 percent for charity care or uncompensated charity care in Section X, Definitions, subsection F.
3. All Code of Federal Regulations (CFR) references have been updated to the year 2000.
4. The Health Care Financing Administration (HCFA) has been renamed the Centers for Medicare and Medicaid Services (CMS).
5. The definition for Community Hospital Education Program (CHEP) hospitals has been expanded in Section X, Definitions, subsection R.
6. Hospital inpatient rates shall be reduced by 6 percent effective July 1, 2001 and restored effective April 1, 2002. (Senate Bill 792)
7. Section II.E.6 (page 6), the statutory reference relating to repayments was changed to "Section" 414.41, F.S., instead of "Chapter" 414.41, F.S.
8. Section V.C.6.b.4 (page 18), the reference to "Department" was changed to "AHCA."
9. Section J.1.h. (page 41) referred to two non-existent entities, the Florida Health Care Purchasing Cooperative and the Florida Health Access Corporation, each of which has been disbanded and repealed from statute. These references have been deleted.
10. Section X.H. (page 52), the definition of "Community Hospital Education Program (CHEP) hospitals" referred to the Board of Regents as the administering entity. Chapter 2001-222, Laws of Florida, transferred this responsibility to the Department of Health and therefore the reference to the Board of Regents has been changed to the Department of Health.
11. Section X, the definition of "Rural Hospital" has been modified to reflect the current statutory definition found in s. 395.602(2)(e), F.S., and s. 408.07(42), F.S.

The effect of the proposed amendment will be Special Medicaid Payments will be made to statutory teaching hospitals, hospitals providing primary care to low-income individuals, hospitals that operate designated or provisional trauma centers and rural hospitals; inpatient reimbursement ceilings will be eliminated for hospitals whose charity care and Medicaid days as a percentage of total hospital days equals or exceeds fifteen percent; hospitals that exceed the fifteen percent as described above and are a trauma center shall be paid \$2,000,000 if their variable cost rate is less than their variable cost target or county ceiling target; inpatient reimbursement ceilings will be eliminated for hospitals whose Medicaid days as a percentage of total hospital days exceeds 9.6%, and are a trauma center; Special Medicaid payments will be made to hospitals that serve as a safety net in providing emergency and inpatient care to low-income and indigent individuals; the Medicaid inpatient per diem rate will be
