**NOTICE TO PROFESSIONAL CONSULTANTS**

Florida State University, State of Florida announces that professional services for minor projects are required in the discipline(s) of architecture.

Minor projects are specific projects for renovations, alterations and additions that have a basic construction budget estimated to be less than a pre-determined amount. Depending on the President's contracting limits as authorized by the legislature, that amount could be \$500,000 or \$1,000,000. Campus Service contracts for minor projects provide that the consultant will be available on an as-needed basis. This will be a multiple award for an initial period of one year beginning on or about July 1, 2002 and ending June 30, 2003 with an option to renew for one additional one year period.

**INSTRUCTIONS**

Firms desiring to provide professional services shall apply by letter specifying the campus service agreement for which they are applying. Proximity of location will be a prime factor in the selection of the firm.

Attach to each letter of application:

1. A completed Board of Regents "Professional Qualifications Supplement," dated either 2/99 or 9/99. Applications on any other form or applications exceeding the 40 page limit will not be considered.
2. A copy of the applicant's current Professional Registration Certificate from the appropriate governing board. An applicant must be properly registered in the State of Florida to practice the required profession at the time of application. If the applicant is a corporation, it must be properly chartered by the Florida Department of State to operate in Florida.

Submit four (4) copies of the above requested data bound in the order listed above. Applications which do not comply with the above instructions will not be considered. Application material will not be returned.

The plans and specifications for campus service projects are subject to reuse in accordance with the provisions of Section 287.055, Florida Statutes. As required by Section 287.133, Florida Statutes, a consultant may not submit a proposal for this project if it is on the convicted vendor list for a public entity crime committed within the past 36 months. The selected consultant must warrant that it will neither utilize the services of, nor contract with, any supplier, subcontractor or consultant in excess of \$25,000.00 in connection with this project for a period of 36 months from the date of their being placed on the convicted vendor list.
