

DEPARTMENT OF HEALTH

The Board of Psychology hereby gives notice that it has issued a Final Order on the Petition for Declaratory Statement filed on behalf of Phyllis K. Jensen. The Notice of Petition for Declaratory Statement was published on August 9, 2002 in Vol. 28, No. 32 of the Florida Administrative Weekly. The Board considered the Petition at its meeting held on August 16, 2002, in Orlando, Florida. The Board's Order, filed August 28, 2002, denies the Petition for Declaratory Statement, finding that additional information is required regarding Lockie Johnson, Ph.D. and regarding the nature of the proposed supervised practice.

A copy of the Board's Order may be obtained by contacting: Board of Psychology, 4052 Bald Cypress Way, BIN #C05, Tallahassee, Florida 32399-3253.

DEPARTMENT OF EDUCATION

NOTICE TO PROFESSIONAL CONSULTANTS

The University of South Florida announces that Professional Services in the discipline of architecture/engineering will be required for the project listed below:

Project Number: 501

Project and Location: Nanotech 1 Facility, University of South Florida, Tampa Campus, Tampa, Florida.

PROJECT DESCRIPTION:

This project is to provide an interdisciplinary Nanotechnology research facility for the University of South Florida. This facility is proposed to consist of clean room space, wet laboratories, and offices. The currently proposed site is in the proximity of the Engineering Teaching Auditorium, although other locations may be considered during the Programming phase.

The selected firm will provide programming, design, applications for permitting, construction documents, construction administration and post-occupancy services for the referenced project. All disciplines required to provide the services for this project, including, architecture, engineering, clean room and laboratory design, are required to be included in the submittal for services. Consultant services for clean room and laboratory design may be provided by specialty consultants. The selected firm will be required to provide computer drawings according to the standards of the University of South Florida. Blanket professional liability insurance will be required for this project in the amount of \$250,000, and will be provided as a part of Basic Services. Project development including professional services is contingent upon availability of funds. The estimated construction budget for this project is anticipated to be approximately \$3,000,000 including site related work. If additional funding is realized, the University has the option to incorporate additional scope/funding under this contract. The construction delivery method will be considered in the Programming Phase.

Selection of finalists for interview will be made on the basis of professional qualifications of the proposed design team, (architecture, engineering, clean room and laboratory disciplines) including experience and ability; past experience; design ability; minority participation; volume of work; and distance from project. Finalists will be provided a copy of the standard Architect/Engineer Agreement.
