Request for Information

The University of Florida, Construction Training/Qualification Program (CTQP) is soliciting letters of interest and information for instructional services for the delivery of training courses. Services will include development of new course materials and presentation of training sessions. Courses covered by this request may include, but not be limited to, the following subjects: Quality Control Management, Final Estimates, Concrete, Earthwork and Aggregates. Consultants may be selected for one or more subjects.

The University of Florida will consider letters of interest from firms offering complete instructional services, as well as individual experts. The successful respondents must have expertise in teaching technical subjects with experience in the transportation field preferred. Familiarity with Florida Department of Transportation road and bridge standard specifications is required. Parties interested in being considered should submit a letter of interest limited to 2,000 words. Resumes for individual instructors should be submitted as attachments and will not be included in the 2,000-word limit.

The selection committee will use this letter of interest to "short-list" the respondents. A respondent may be selected for short-lists for courses in more than one subject area. Short-listed respondents will be invited to submit a written proposal. Oral presentations may be required for certain courses.

Responses must be furnished in time to be delivered to: 2002 Northwest Waldo Road, Gainesville, FL 32609 or P. O. Box 116586, Gainesville, FL 32611-6586, by December 10, 2002,
