Hamby, (352)392-1331, Ext. 303, within three (3) days of the event.

NOTICE TO CONSTRUCTION MANAGERS

The Florida State University announces that Construction Management Services will be required for the project listed below:

Project and Location:

Project: Dick Howser Stadium Renovations

Location: Pensacola Street, Main Campus

Florida State University, Tallahassee, Florida

This project consists of renovation and new construction improvements to the existing stadium, including: grandstand and bleacher seating, field and practice facilities, pressboxes, locker rooms and training spaces, concessions, administrative offices, and the areas immediately around Howser Stadium. The primary goal of this project is to address these deficiencies and problems while, at the same time, installing new features and facilities that do not currently exist. For more information about the scope of this work, please refer to the Facilities Program. Copies of this document are available as noted below.

The project construction budget is \$9,617,042. The total project budget is \$12,000,000, including professional fees, furnishings, equipment and miscellaneous costs.

The contract for construction management will consist of two phases. Phase one is pre-construction services, for which the construction manager will be paid a fixed fee. Phase one services include value engineering, constructability analyses, development of a cost model, estimating and the development of a Guaranteed Maximum Price (GMP) at the 100% Construction Document phase. If the GMP is accepted, phase two, the construction phase, will be implemented. In phase two of the contract, the construction manager becomes the single point of responsibility for performance of the construction of the project and shall publicly bid trade contracts, ensuring the
