**NOTICE TO PROFESSIONAL CONSULTANTS**

The University of Florida Board of Trustees, announces that Professional Services in the disciplines of landscape architecture, architecture, civil engineering and mechanical/electrical engineering will be required for the project below:

Project No.: UF184, Project and Location: Development and Upgrade of Active/Passive Recreational Facilities on the University of Florida campus. The project consists of the development of the Bivens Arm Outdoor Recreation Center, a passive recreation nature park to be located on 20 acres fronting Bivens Arm lake and, the Development and Upgrade of the Broward Outdoor Recreation Complex, an existing active recreational sports complex to be refurbished and expanded. The total project budget is \$1,700,000. The selected firm will provide design, construction documents and construction administration services for the referenced project. Blanket professional liability insurance will be required for this project in the amount of \$250,000, and will be provided as a part of Basic Services.

**INSTRUCTIONS**

Firms desiring to apply for consideration shall submit a letter of application. The letter of application should have attached:

1. A completed "Professional Qualifications Supplement," the latest project specific version available from the website: [www.facilities.ufl.edu](http://www.facilities.ufl.edu). Applications on any other form will not be considered.
2. A copy of the applicant's current Professional Registration Certificate from the appropriate governing board. An applicant must be properly registered at the time of application to practice its profession in the State of Florida. If the applicant is a corporation, it must be chartered by the Florida Department of State to operate in Florida.
3. Additional firm information within the guidelines of the Professional Qualifications Supplement Instructions.

Submit six (6) copies of the above requested data bound in the order listed above. Applications, which do not comply with the above instructions, may be disqualified. Application materials will not be returned. The facilities program, project forms and information, selection criteria, and instructions for registering as an applicant can be found on the Facilities Planning and Construction Division website.

The plans and specifications for University of Florida projects are subject to reuse in accordance with the provisions of Section 287.055, Florida Statutes. As required by Section 287.133, Florida Statutes, a consultant may not submit a proposal for this project if it is on the convicted vendor list for a public entity crime committed within the past 36 months. The selected consultant must warrant that it will neither utilize the services of, nor contract with, any supplier, subcontractor or
