NOTICE OF CHANGE

Notice is hereby given that the following changes have been made to the proposed rule in accordance with F.S., published in Vol. 28, No. 14, April 5, 2002, issues of the Florida Administrative Weekly, and amended in Vol. 28, No. 16, April 19, 2002, issue of the Florida Administrative Weekly:

These changes are being made to address concerns expressed at the public hearing held on April 18, 2002. Actions 4 and 5 under goal three on page 40 of Volume II (Goals, Strategies and Actions) were added to the Emergency Preparedness Element.

Strategy: Develop programs that assess risk and are capable of giving priority to those who have the greatest threat, when time or resources provide constraints on total evacuation.

Actions:

- Each hurricane study update shall update the numbers and locations of the most exposed populations.

- Each hurricane study update shall update the evacuation times of the exposed zones, and recommend for prioritization for road improvements those zones with greater than 18 hour evacuation times.
- Each hurricane study update shall update estimates and concentrations of housing types more subject to hurricane force wind damage, and prioritize these populations for sheltering.
- Continue requiring all deeds to property located within a Development of Regional Impact located within the Southwest Florida Special Hurricane Preparedness District as required by Rule 9J-2.0257(4) shall be accompanied by a disclosure statement in the form of a covenant stating that the property is located in a hurricane vulnerability zone, that the hurricane evacuation clearance time for City/ County or the Southwest Florida Region is high, and/ or hurricane shelter spaces are limited.
- Work with all local governments in the region to require all deeds to hurricane vulnerable property located within their jurisdiction be accompanied by a disclosure statement in the form of a covenant stating that the property is located in a hurricane vulnerability zone, that the hurricane evacuation clearance time for City/County or the Southwest Florida Region is high, and hurricane shelter spaces are limited.
