~~(1) It is unlawful to introduce, possess, move, or release any plant pest or noxious weed regulated by the department and the USDA except under permit issued by the department or the USDA. No permit shall be issued unless the department has determined that procedures exist to adequately contain the~~

~~plant pest or noxious weed or that it will not pose a threat to the agricultural industry or the environment. The department's evaluation of permit applications may rely on findings of the Department of Environmental Protection, The Florida Fish and Wildlife Conservation Commission, the United States Department of Agriculture, or any other agency with expertise in the area. The application procedures for a permit are as follows:~~

~~(2) Complete USDA/APHIS PPQ Form 526, Application For Permit to Move Live Plant Pests and Noxious Weeds. PPQ Form 526, effective October 1988, is incorporated into this rule chapter by reference. Copies of the form may be obtained from the Division of Plant Industry, P. O. Box 147100, Gainesville, Florida 32614 7100 or the USDA, APHIS PPQ, Biological Assessment and Taxonomic Support, Hyattsville, Maryland 20782. A department Pathogen Informational Form is also required for plant pathogens. Pathogen Informational Form DACS 08214, revised 01/00, is incorporated into this rule chapter by reference. (1) It is unlawful to introduce, ~~multiply possess~~, move, or release any arthropod, plant pest, biological control agent or noxious weed regulated by the department or the USDA except under permit issued by the department unless a federal permit, PPQ 526, has been issued by the USDA that has been approved by the Department. No permit shall be issued unless the department has determined that the arthropod, plant pest, biological control agent, or noxious weed can be contained to prevent escape into the environment or that it will not pose a threat to agriculture, beneficial organisms, or the environment or become a public nuisance. In the case of biological control agents, they must be specific to the target pests. In making such determinations the department may rely on the findings of other agencies and groups as listed in 5B-57.003. The Department's evaluation of permit applications may rely on findings of the Department of Environmental Protection, the Florida Fish and Wildlife Conservation Commission, the USDA United States Department of Agriculture, the

University of Florida, or any other agency with expertise in the areas. In cases where there is inadequate information about the potential environmental impact of importing or releasing an organism, the department will require the applicant to provide evidence that the accidental escape of organisms not intended for release would not be hazardous to Florida or U.S. agriculture, beneficial organisms, the public, or the environment. The application procedures for permits are as follows:

(2) Application for permit shall be made on form DACS-08208 unless a USDA permit 526 has been issued. The reasons for the withdrawal shall be confirmed in writing as promptly as circumstances allow. Any person whose permit has been withdrawn may appeal the decision in writing to the director within 10 days after receiving the written notification of the withdrawal. The appeal shall state all the facts and reasons upon which the person relies to show that the permit was wrongfully withdrawn. The director shall grant or deny the appeal in writing, stating the reasons for the decision as promptly as circumstances allow. If there is a conflict as to any material fact, a hearing shall be held to resolve such conflict.

5B-57.006 Regulation and Control of Noxious Weeds in Florida.

The department, in addition to regulating the movement of the noxious weeds contained in Rule 5B-57.007, F.A.C., shall cooperate with the USDA, the Florida Department of Environmental Protection ~~Natural Resources~~, and other appropriate parties to eradicate or control noxious weeds that are established in the State and are determined by the department to be a nuisance or threat due to undesirable characteristics such as poisonous properties, or invasive or rapid reproductive tendencies. The eradication and control strategies shall be determined through the use of risk assessment. Eradication and control strategies include the use of biological control agents, integrated pest management, chemical control, and mechanical removal. The department's involvement in eradication and control programs for noxious weeds will be carried out within the scope of statutory authority and available resources.

5B-57.010 Noxious Weed Classification Procedures.

(1) The Department will propose the classification of a plant as a noxious weed and its inclusion on the Noxious Weed List, Rule 5B-57.007, F.A.C., if the plant is determined to be a serious agricultural threat in Florida or have a negative impact on the plant species protected under s. 581.185, F.S. In making these determinations, the department will utilize information provided by the Institute of Food and Agricultural Sciences at the University of Florida or other experts that biologically justify the classification of a plant as a noxious weed. Individuals or groups seeking to have plants included in Rule 5B-57.007, F.A.C., may make application to the department on form DACS-08215. To add a weed to the list of noxious weeds the following information is required to assist in the development of the weed risk assessment: identification including scientific name and author, common synonyms, botanical classification, common names; summary of life history; native and world distribution; distribution in Florida or the United States if any; description of control efforts, if established in Florida or the United States; identification of regulation at the state level; consequences of introduction/spread; habitat suitability in Florida (predicted ecological range); dispersal potential (biological characteristics associated with invasiveness); potential economic impacts; potential environmental impacts; likelihood of introduction/spread; potential pathways into and within Florida; likelihood of survival and spread within each pathway; and supporting documentation (list of references). To remove a weed from the list the following information is required: evidence that the species is distributed throughout its potential range or has spread too far to implement effective control; evidence that control has been unsuccessful and further efforts are not supported locally; or there is evidence that the weed is no longer a problem due to biological controls or other methods. For cultivars of a listed weed to be exempted, the following information is required: scientific evidence of

sterility and inability to cross pollinate with wild types, or scientific evidence that the cultivar has narrower habitat suitability, less dispersal potential, less potential negative impact on the economy and/or environment of Florida.

(2) The noxious weed list contained in Rule 5B-57.007, F.A.C., shall be subject to review, at least biennially, by the department in conjunction with the Institute of Food and Agricultural Sciences at the University of Florida. The Noxious Weed Review Committee appointed by the department will conduct the review. The Vice President for Agricultural and Natural Resources with the University of Florida will recommend two faculty members, one specializing in research on production agriculture and the other on natural resources, to the department to serve on the committee. A representative from the Director's Office, the Bureau of Plant and Apiary Inspection, and the Office of Botany shall represent the department. The Noxious Weed Review Committee will make recommendations to the department to add or remove plants from Rule 5B-57.007, F.A.C., based on the biological justification as described in (1).

Inasmuch as the department is proceeding with rule development expeditiously and in good faith, and the public health threat that exists because of the recurrence of counterfeit and diverted prescription drugs in the marketplace in Florida, the department intends to enforce the provisions set forth in this notice beginning March 1, 2003. The department may exercise enforcement discretion in implementing this policy, including possible changes resulting from the rule promulgation process, consistent with standards related to minimizing prescription drug fraud and the risk to public health and safety.

RULE TITLE: Line Information Database Maintenance

RULE NO.: 25-4.119

PURPOSE AND EFFECT: The rule will make available through the Line Information Database (LIDB) sufficient information to ensure that collect and third party calls to

alternative local exchange carrier (ALEC) customers can either be properly billed through billing and collection agreements or through the acquisition of the billing name and address information from the ALEC serving the customer accepting the charges for the call.

SUMMARY: The rule will require the local exchange carrier (LEC) to update LIDB with the account ownership code of the ALEC when the ALEC has contracted with the LEC for this service. If the ALEC has not contracted with the LEC, subsection (1)(b) provides access to the LIDB for the ALEC to update the database directly. Paragraph (2) exempts certain LECs from the requirements of the rule.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COST: LECs indicated that the initial expense of complying with the proposed rule adoption may range from \$26,000 to \$485,000, not including the costs associated with development of work the third party LIDB provider may experience. All the companies indicated that their billing systems will have to be modified if the proposed rule adoption takes effect. Some ALECs indicated that they would experience transactional costs to comply with the proposed rule adoption. The only costs that the Commission and other state entities are expected to incur are associated with promulgating the rule. Local governments may incur costs similar to private ALECs if they offer calling services but do not have the necessary billing processes. Also, small businesses, cities, and counties may be affected if they have an ALEC certificate and offer calling services, and the costs could be similar to those of private telecommunications companies.

Any person who wishes to provide information regarding the statement of estimated regulatory costs, or to provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

SPECIFIC AUTHORITY: 350.127(2) FS.

LAW IMPLEMENTED: 350.115, 364.03 FS.

WRITTEN COMMENTS OR SUGGESTIONS ON THE PROPOSED RULE MAY BE SUBMITTED TO: FPSC, Division of the Commission Clerk and Administrative Services, within 21 days of the date of this notice for inclusion in the record of the proceeding.

IF REQUESTED WITHIN 21 DAYS OF THE DATE OF THIS NOTICE, A HEARING WILL BE SCHEDULED AND ANNOUNCED IN THE FAW.

(1) Within 6 months of the effective date of this rule, each local exchange telecommunications company shall:

(a) Update the Line Information Database (LIDB) with the account ownership code of the Alternative Local Exchange Company claiming the customer, provided the ALEC has contracted with the local exchange company to provide such information or has purchased the line directly from the local exchange company; and

(b) Provide ALECs access to LIDB, or provide updates on a contractual basis, at reasonable cost-based terms and conditions, for each ALEC that enters into a contract.

(2) LECs are exempt from subsection (1) of this rule if there is no ALEC within the service area that allows third-party or collect calls. If an ALEC in the service area elects to allow third-party or collect calls, the LEC shall comply with this rule within 6 months after such time.

DEPARTMENT OF THE LOTTERY

RULE TITLE: Corporate Account
 RULE NO.: 53ER03-8

SUMMARY OF THE RULE: This emergency rule sets forth the provisions for the Corporate Account Sales Incentive Program, which will be conducted from February 17, 2003, through June 8, 2003.

THE PERSON TO BE CONTACTED REGARDING THE EMERGENCY RULE IS: Diane D. Schmidt, Legal Analyst, Department of the Lottery, 250 Marriott Drive, Tallahassee, Florida 32399-4011

THE FULL TEXT OF THE EMERGENCY RULE IS:

53ER03-8 Corporate Account Sales Incentive Program.

(1) From February 17, 2003, through June 8, 2003 (“incentive period”), the Florida Lottery will conduct a Corporate Account Sales Incentive Program. Corporate Accounts are defined as accounts that have a minimum of \$500,000 in annual sales of Florida Lottery tickets and three or more distinct Florida Lottery retail locations. Retailers meeting this definition will be determined prior to the start of this incentive program and will be classified as Corporate Accounts for purposes of the incentive program. Up to \$635,000 will be awarded statewide among the Corporate Accounts that meet or exceed their incentive sales goal by the largest percentage increase in their assigned sales categories.

(2) Eligibility for Inclusion in the Corporate Account Sales Incentive Program. To be eligible for inclusion in the Corporate Account Sales Incentive Program, a Corporate Account must have recorded sales during the period of February 18, 2002, through June 9, 2002 (“base period”).

(3) Corporate Account Sales Categories. For the incentive period, each Corporate Account will be assigned to a sales category based upon its total annual Lottery ticket sales (the sum of the sales of all retail locations within each Corporate Account) for the fiscal year 2001-2002 as follows:

Sales Category	2001-2002 Total Annual Lottery Ticket Sales
A	\$161,000,000.00 and greater
B	\$80,000,000.00 – 160,999,999.99
C	\$10,000,000.00 – 79,999,999.99
D	\$1,000,000.00 – \$9,999,999.99
E	Less than \$1,000,000.00

(4) Corporate Account Sales Goal.

(a) Each Corporate Account will be given an incentive sales goal. The incentive sales goal shall be calculated as follows:

1. Florida Lottery ticket sales, excluding FLORIDA LOTTO™, for all of the Corporate Account’s retail locations will be totaled for the base period.

2. The total number of retail location weeks will be calculated by summing the number of weeks that each of the Corporate Account’s retailer locations was selling Florida Lottery tickets during the base period.

3. The ticket sales figure (calculated in subparagraph (4)(a)1.) will be divided by the number of retail location weeks (calculated in subparagraph (4)(a)2.) to yield an average weekly sales per retail location figure for the Corporate Account.

4. The average weekly sales figure (calculated in subparagraph (4)(a)3.) will be increased by the applicable percentage increase in Florida Lottery ticket sales, excluding FLORIDA LOTTO, set forth in paragraph (4)(b) below, resulting in the Corporate Account’s incentive sales goal.

(b) The sales percentage increase for each sales category is as follows:

Sales Category	Percentage Increase in Sales
A	11.6%
B-E	7.5%

(5) Incentives/Award and Payment of Incentives.

(a) At the end of the incentive period, each Corporate Account’s average weekly sales for the incentive period will be calculated as set forth in subparagraphs (4)(a)1. through 3., above. In each sales category, the incentive(s) will be awarded to the Corporate Accounts whose average weekly sales meet or exceed their incentive sales goals by the largest percentage increase. Up to thirteen (13) cash incentives will be awarded in the Corporate Account Sales Incentive Program. The incentive structure is as follows:

Sales Category	Incentive Levels	Incentive Amount
A	1st Place (largest percentage increase)	\$125,000
	2nd Place (2nd largest percentage increase)	\$100,000
	3rd Place (3rd largest percentage increase)	\$75,000
B	1st Place (largest percentage increase)	\$100,000
	2nd Place (2nd largest percentage increase)	\$75,000
	3rd Place (3rd largest percentage increase)	\$50,000
C	1st Place (largest percentage increase)	\$75,000
	2nd Place (2nd largest percentage increase)	\$50,000
	3rd Place (3rd largest percentage increase)	\$25,000
D	1st Place (largest percentage increase)	\$50,000
	2nd Place (2nd largest percentage increase)	\$25,000
	3rd Place (3rd largest percentage increase)	\$15,000
E	1st Place (largest percentage increase)	\$25,000
	2nd Place (2nd largest percentage increase)	\$15,000
	3rd Place (3rd largest percentage increase)	\$5,000

(b) Tiebreaker Provisions. A tie for an incentive award will occur when two or more Corporate Accounts achieve identical percentage sales increases calculated to one ten-thousandth of a percent within a sales category. If two Corporate Accounts tie for first place, the first and second place incentive amounts will be combined and shared equally by the tied Corporate Accounts. If three or more Corporate

1. Florida Lottery ticket sales, excluding FLORIDA LOTTO, will be totaled for the base period:

2. The incentive sales goal will be the greater of \$4,800 or the sales figure (calculated in subparagraph (4)(a)1.) increased by the applicable Sales Category's percentage increase in Florida Lottery ticket sales, excluding FLORIDA LOTTO, set forth below.

(b) The sales percentage increase for each sales category is as follows:

Sales Category	Percentage Increase in Sales
A	4%
B through H	2%

(5) Incentives/Award and Payment of Incentives.

(a) At the end of the incentive period, each Independent Retailer's lottery ticket sales, excluding FLORIDA LOTTO, will be calculated for the incentive period. Within each district, and within each sales category, the incentive(s) will be awarded to the Independent Retailer(s) that meet or exceed their sales goals by the largest percentage increases. Up to one hundred twenty-three (123) cash incentives will be awarded among the eleven (11) districts. The incentive allocation is based on the approximate number of retailers per category, per district. The number of incentives per district, per sales category, and the incentive amount for each sales category is as follows:

DISTRICT	Category A \$20,000	Category B \$10,000	Category C \$5,000	Category D \$4,000	Category E \$3,000	Category F \$2,000	Category G \$1,000	Category H \$500
Tallahassee	1	1	1	1	1	1	1	1
Pensacola	1	1	1	1	1	1	1	1
Jacksonville	2	1	1	1	1	1	2	1
Gainesville	1	1	1	1	1	1	2	1
Orlando	1	1	1	2	2	2	3	2
St. Petersburg	1	1	1	1	1	2	2	1
Tampa	1	1	1	1	2	2	3	1
Ft. Myers	1	1	1	1	1	2	2	1
West Palm Beach	1	1	1	1	1	2	3	1
Fort Lauderdale	1	1	1	1	1	2	3	2
Miami	2	2	2	2	2	3	4	2

(b) Tiebreaker Provisions.

1. Sales Categories With One Incentive. If, within a district, within a sales category, two or more eligible Independent Retailers tie for the incentive, each of the tying Independent Retailers will be awarded an equal share of the incentive. For example, in Orlando, in Category A, there is one \$20,000 incentive. If two Independent Retailers tie with the largest percentage increase, each of the tied Independent Retailers will be awarded a \$10,000 incentive.

2. Sales Categories With More Than One Incentive.

a. If, within a district, within a sales category, two or more eligible Independent Retailers are tied for an incentive and the tie does not result in the number of eligible Independent Retailers being greater than the total number of incentives for

award, then each of the Independent Retailers will be awarded the full incentive amount. For example, in Orlando, in Category G, there are three \$1,000 incentives. If two Independent Retailers tie with the highest percentage increase, and one Independent Retailer has the next highest percentage increase, each of the Independent Retailers will be awarded a \$1,000 incentive.

b. If, within a district, within a sales category, two or more eligible Independent Retailers are tied for an incentive and the tie results in the number of eligible Independent Retailers being greater than the total number of incentives available for award, then each of the eligible Independent Retailers will be awarded an incentive commencing with Independent Retailers with the largest percentage increase in sales. Depending upon the ranking and the number of the tying Independent Retailers, some or all of the incentives will either be divided or combined, as applicable. Example 1., in Orlando, in Category D, there are two \$4,000 incentives. If there is one Independent Retailer with the largest percentage increase, and two Independent Retailers tied with the next largest percentage increase, the highest ranked Independent Retailer will receive a \$4,000 incentive, and the tied Independent Retailers will each receive a \$2,000 incentive. Example 2., in Miami, in Category G, there are four \$1,000 incentives. If there is one Independent retailer with the largest percentage increase, one Independent Retailer with the second largest percentage increase, and four Independent Retailers tied with the third largest percentage increase, the first and second ranked Independent Retailers will each receive a \$1,000 incentive. The last two incentives will be combined, totaling \$2,000, and each of the four tied Independent Retailers will be awarded an equal share (\$500 each).

(c) In the event an insufficient number of Independent Retailers within a district, within a sales category, meets or exceeds their sales goals to award all incentives in that category, the number of incentives in that category will be reduced to the total number of Independent Retailers meeting or exceeding their sales goals and awarded accordingly. Any remaining incentive amounts in that category will not be awarded.

(d) Eligibility to Win Incentive. To be eligible to win an incentive in the Independent Retailer Sales Incentive Program, the Independent Retailer must be active and in good financial standing at the time incentives are awarded. Good financial standing is defined as having no dishonored unpaid electronic funds transfers or associated penalties, or any other accounts receivable outstanding for more than 60 days. In the event a winning Independent Retailer is not in good financial standing at the time incentives are awarded, the next ranked, eligible Independent Retailer in the same district and category will be substituted for the ineligible Independent Retailer until all incentives are awarded or there are no other eligible Independent Retailers. The Florida Lottery reserves the right to

apply an incentive earned against an Independent Retailer's outstanding debt to the Florida Lottery, and to award the remaining balance of the incentive, if any.

(e) Payment of Incentives.

1. The winning independent retailers will be announced and the incentives awarded following the conclusion of the incentive program.

2. The amount of the incentive will be considered compensation to the Independent Retailers for Internal Revenue Service purposes.

(6) An Independent Retailer that is selected for award of an incentive but whose Florida Lottery contract is terminated or inactivated subsequent to the incentive period and prior to the award of the incentive, shall be awarded the incentive provided said termination or inactivation was not due to violation of Chapter 24, Florida Statutes, Chapter 53, Florida Administrative Code, or retailer Contract terms.

PLACE: Board of County Commissioners Meeting Room, 201 East Oak Street, Arcadia, Florida 34266

GENERAL SUBJECT MATTER TO BE CONSIDERED: The Department of Community Affairs (DCA) is seeking public or nonprofit entities to administer the Low-Income Home Energy Assistance Program (LIHEAP) in DeSoto County. Entities interested in contracting with DCA to provide these services should be present at this public hearing in order to be informed of the qualifications and application requirements. In designating a local administrative agency to carry out this program, the DCA will give special consideration to any local public or private nonprofit agency which receives Federal

funds under any low-income energy assistance or weatherization program. If there is no such agency that is determined to meet program and fiscal requirements, selection of an entity will be based on the applicant's experience and performance in assisting low-income persons in the area to be served, and their capacity to undertake a timely and effective program. The following qualities will be reviewed: (1) the extent to which the past or current program achieved or is achieving LIHEAP goals in a timely fashion; (2) the number, qualifications, and experience of the staff members of the entity; and (3) the fiscal soundness and accountability of the entity. Since no more than one entity will be funded in the county, the entity must be capable and willing to provide services to all eligible low-income citizens in the geographic area. It is the desire of the DCA to contract with an entity to begin providing LIHEAP services in DeSoto County on April 1, 2004. This contract will be approximately \$74,615. for a period ending March 31, 2004.

ACTIONS TO BE TAKEN: The DCA will review all comments received at the public hearing, evaluate the submitted applications, and make a decision regarding each entity's eligibility to provide LIHEAP services in DeSoto County. Applications will be accepted until 4:30 p.m. (EDT), March 12, 2003. Recommendations will then be prepared by Department of staff for consideration by the Department's Secretary.

2. Ord. 348-2002 is consistent with the City's Comprehensive Plan.

CONCLUSIONS OF LAW

3. The Department is required to approve or reject land development regulations that are enacted, amended or rescinded by any local government in the Florida Keys Area of Critical State Concern. §§ 380.05(6) and (11), Fla. Stat., and § 380.0552(9), Fla. Stat. (2002).

The Principles are construed as a whole and no specific provision is construed or applied in isolation from the other provisions. § 380.0552(7), Fla. Stat. (2002).
