**NOTICE TO PROFESSIONAL CONSULTANTS:**

The University of Florida Board of Trustees announces that Professional Services in the discipline of architecture will be required for the project listed below:

Project: UF-218, Gulf Coast Research and Education Center (GCREC)

Location: Balm, Florida (Hillsborough County)

The existing GCREC facilities at Bradenton and Dover will be consolidated and relocated into a new regional center of approximately 38,000 GSF. The facility to house approximately 100 faculty and staff will contain research laboratories, offices and support spaces. The project will be delivered using the Construction Manager-At-Risk (CM) method. The selected firm will provide design, construction documents, and construction administration services, and will participate in the selection of the CM. Blanket professional liability insurance is required for this project in the amount of \$500,000, and shall be provided as a part of Basic Services.

**INSTRUCTIONS:**

Firms desiring to apply for consideration shall submit a proposal only after thoroughly reviewing the facilities program(s), Project Fact Sheet, and other background information. The proposal shall be limited to 40 single-sided pages and shall include:

1. A Letter of Application that concisely illustrates the applicant's understanding of the scope of services, design intent, and other goals and considerations as outlined in the facilities program.
2. A completed "Professional Qualifications Supplement," using the project-specific version available at the UF Facilities Planning & Construction website. Applications on any other form will not be considered.
3. A copy of the applicant's current Professional Registration Certificate(s) from the appropriate governing board. An applicant must be properly registered at the time of application to practice its profession in the State of Florida. If the applicant is a corporation, it must be chartered by the Florida Department of State to operate in Florida.
